Eli: He's about to use the fire elemental variant of The Atavism of The White Wolf of Amaterasu!

Lincoln: (Speaking in Japanese) 夏の炎と天空の炎に呼びかけ、この忌まわしき悪を討ち滅ぼし、永遠の破滅の地へと送り届けよ！祝福された者たちの魂よ、蘇り、强大な狼の姿を取り、罪人たちに永遠の罰を与え、冥界の闇へと永遠に堕ちさせよ！　我が歌に天の審判を授け、この忌まわしき悪を永遠の安息の地へと送り届けよ！ (Translation: I call upon the flames of Summer and The Heavens to bring down this terrible abomination of evil and send him to his place of eternal damnation! Let the souls of the blessed rise and take the forms of mighty wolves that bring the damned their eternal punishment and send him to the darkness of the Underworld forever! Let my song bring forth the judgement of The Heavens and send this abomination to his eternal resting place!)

Lincoln sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and flames formed behind Lincoln and formed into red wolves with glowing yellow and orange markings on their paws that look like flames and they ran at

Madame Rouge and General Immortus and attacked them with fierce fury.

Then, I held out my left hand and fired 999 massive balls of fire at Madame Rouge and General Immortus, and they collided and exploded as they hit them, and I also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

Lincoln, Nico, and I: ROT IN HELL FOREVER, YOU BASTARDS OF THE BROTHERHOOD OF EVIL!

Lincoln, Nico, and I did one final powerful energy slash that hit Madame Rouge and General Immortus hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Madame Rouge and General Immortus were on their last legs and they were really really mangled.

Then, Max Goof fired blasts of light at Madame Rouge and General Immortus, but Lincoln also hid in the blasts the same invisible and undetectable tracers he created.

Madame Rouge and General Immortus escaped via a portal The Brain opened up and I put tracers on them, and we cheered as we holstered our weapons and powered down.

Me: And that's that.

Nico: Now, we'll be able to find The Brain and Monsieur Mallah when it's time for our main mission. But, still, I was also surprised when Genesis Rhapsodos appeared on Tamaran.

But, what he said chilled me to the bone, something tells me we haven't seen the last of Sephiroth.

Max Goof powered down, and his new body, clothes, weapons, jewelry, Third Eye, large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold crescent moon ring-shaped frame around it with embedded red gems behind the gold halo with four large orbiting gold rings on each corner and four large Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold crescent moon ring-shaped frames around them with embedded red gems behind the gold rings behind his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large red, white, and golden yellow planets orbiting around his legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller red, white, and golden yellow planets planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized red, white, and golden yellow planets planets orbiting around his wrists and ankles, and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings are permanent.

Donald Duck: That palooka, he's just trying to scare us!

Lincoln: Even if that's true, we can't let our guard down with him.

Max Goof: I'll get in contact with Leon and the others at Radiant Garden and tell them to keep on the alert for Sephiroth.

Me: Good idea.

Nico: Putting Radiant Garden on high alert is a top priority.

Lincoln: And we'll also need to put Midgar on high alert as well, we can't let another tragedy occur.

Nico: I was hoping to defeat the two of them here

Me: I know but it wouldn't be a challenge with just defeating them here. Also I put 2 tracers on them that will show us where they are.

Nico: Wow! Where did you get those?

Me: Had a bunch of leftover tracers from our battles with Team Buktu.

Nico: Clever.

Xenia: Yeah!

Me: One thing is for sure, there will be no place to hide.

Bronzong: That is for sure there.

Nico: Nice job Bronzong.

Bronzong: Thanks Nico. It was fun and cool.

Bronzong: Sorry.

Poromon: (Telepathically) Nico we're going to set up a blind date for J.D. and Catherine Champagne. We're having them go to Gus's Games and Grub for fun and action.

Nico: (Telepathically) Good choice.

Poromon nodded.

Me: That was the most fun I've had all day.

Nico: It was awesome!

Me: Yeah!

But then...

LOUD MASSIVE AND EXPLOSIVELY POWERFUL FART!

I farted a massive blast of fire and fart gas so explosively powerful that it blew Nico into a wall!

Nico: WHOOOOOOA!

CRASH!

Nico: OW!

Me: Oh man Nico! I'm so sorry! That one was really without warning.

I helped him up.

Me: Boy Nuclear hot Spicy Takoyaki and a Mississippi Queen are a MASSIVE lethal cocktail weapon of Mass Destruction.

Nico: Boy no kidding!

Qin: Yikes!

Me: Got to be more careful where I aim my butt or someone is gonna get hurt.

Lola: Big time.

Nico: Oh Impact Man, what do you like to do in your free time?

Impact Man: Oh I work in the construction business as a jackhammer robot. I smash apart the concrete and the ground.

Me: Neat.

Nico: Cool! Now for the Anothers.

Lincoln: (Sensed the Anothers) Ah, and The Anothers are coming right on time.

Eli: (Sensed them) Lincoln's right, the Anothers are coming, and one of them is Another Beast Boy.

Beast Boy: I knew that was coming, since my day to shine has come.

Lincoln: Especially against The Brotherhood of Evil. By the way, what happened to Genesis?

Max Goof: We already got Genesis to the infirmary after Sora administered a potion and Roxanne casted Curaga on him. But, it's clear now: Sephiroth is back and he's just as dangerous as ever, he's not gonna stop until all life on Earth Omega is destroyed.

Me: We've dealt with him before, we can do so again, this time however, we'll be sure to banish him to The Black Fire Vortex of Neverending Oblivion, that's where he belongs.

Nico: Damn straight.

Lincoln: The Black Abyss is too easy for him, The Black Fire Vortex of Neverending Oblivion is the perfect place for a monster like him.

Me: Oh yeah! So Impact Man, Melody Meteor, Sequoia Bear Lewis, Ray Akaba, Eula and Tara Toonamine are up and we're facing Another Rayza (A.T.O.M.), Universe 666 Denethor, Kanna Kapatcir, Automatons (Genshin Impact), Meteo Crusher and Strongest Beastman Boss Gigant.

We saw Another Universe 666 Denethor, Kanna Kapatcir, Automatons (Genshin Impact), Meteo Crusher and Strongest Beastman Boss Gigant.

Me: WHOA!

Qin: Awesome!

Another Universe 666 Denethor: (In a girls voice) I love Denethor from Lord of the Rings but never thought I would be him.

She reverted back and t was the gene-slammer of Evil HERO Doom Prison!

Nico: (GASP) Malia Denethor!

She glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

I fired energy blasts and blasted Another Meteo Crusher and he was going to explode!

Pilot: I CAN'T BELIEVE I LOST TO THIS SCUM!

Me: Sorry to jet but we're in a hurry.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

He was blasted apart and I caught the Wonder Ride Book and purified it.

Me: YEAH!

Maria: Time for backup. (TURNS DIAL) TWIN MASTER FORCE!

She summoned Universe 666 Twin Masters, Daughters of Aku, Jazz Dopant, Spider (DC Comics), Rancor and Banana Phantom Carbane!

Me: YEAH!

Nico: Now we wait.

But then we smelled something REALLY HORRIBLE!

SEAL BARK!

Me: (Sniffs) OH GOOD GOD! WHAT THE FUCK IS THAT HORRIBLE SMELL!

Edd: GOOD GOLLY ALMIGHTY! WHAT IS THAT HORRIBLE ODOR!?

Me and Edd: ED!?

Ed: Wasn't me!

Eddy: (LAUGHS) Lumpy is always getting blamed for stinky smells.

Lola: I think it's from them!

We saw Another Rayza and Beast Boy!

Me: There they are!

Lola: Yeah!

Another Rayza: (In a girls voice) She sure is stinky isn't she?

She reverte back and was the gene-slammer of Evil HERO Malicious Fiend!

Nico: Melody Malicia!

Melody Malicia: Good to see you Nico.

Me: Evil HERO Malicious Fiend's gene-slammer! Wow!

Melody Malicia: I know. And it's cool. Sorry about my friend's stink but it's potent.

Me: It sure is.

Another Beast Boy: (In a girls voice) I know and I need a bath.

She reverted back and it was a female version of Beast Boy!

Beast Boy: Cree!

Cree Logan: That's right! Cree Logan A.K.A. Beast Woman.

Nico: COOL! Your sister no doubt.

Beast Boy: Yep. But unlike me she was able to retain her full humanity and didn't get green skin though.

Me: Well that's okay. But awesome to meet you.

Cree Logan: Same here. Also I haven't taken a bath in 7 years.

WE GASPED!

Me: OH GOOD GOD! YOU SMELL REALLY HORRIBLE!

Kaito: (Gets out Go Onger gear) Did Swartz promise you anything?

Zocks: (Gets out Gekiranger gear) Because we can grant it instead.

They got weapons from said teams.

Melody Malicia: No he didn't because of... (POINTS TO CREE)

Me: I can see why.

Sakura Knudson: It smelled like a rotten dead corpse in the lab!

Nico: When we get home you are going RIGHT INTO THE TUB!

Me: NO IFS, ANDS OR BUTS ABOUT IT

Sougo: (gets out RPM Ridewatch) You can tell us embarassing stories about Beast Boy later.

Geiz: (gets out Gekiranger Ridewatch) But after you take a bath!

Sougo got RPMRedArmor while Geiz got JungleFuryRedArmor.

Me: YEAH!

Nico: You smell awful!

Lincoln: Lets separate you girls first.

We did so.

Me: Lets dance!

Nico: (Gets out Rayza's ridewatch) SEA POWER!

Melody Meteor: (Gets out Universe 666 Denethor's ridewatch) You may triumph in the field of battle for a day. But against the power that has risen in the east, there is no victory!

May: (Gets out Kanna Kapatcir's ridewatch) This will hurt!

Universe 666 May: (GEts out Automaton's ridewatch) GEAR UP!

Maria: (Gets out Meteo Crusher's ridewatch) I cannot allow you to go any further.

They used the powers of Rayza (A.T.O.M.), Universe 666 Denethor, Kanna Kapatcir, Automatons (Genshin Impact), Meteo Crusher and Strongest Beastman Boss Gigant and blasted the Anothers!

Poromon: YEAH! Take that!

Xenia: Awesome!

Then Kang (SHS), Anita & Nikita Suárez, Chronos (Word Girl), Cloudian Hurricane Hydra, Hen Octospark and Rabeeder came!

Me: WHOA! Kang of the SHS world!

Kang (SHS): That's right!

Nico: Nice team though!

Kang (SHS): Thanks Nico.

Me: Time Man and his team are up.

Rabeeder: Another me?!

Kang (SHS): This is a clone of you that we made

Me: Really cool!

Qin: Wow!

?: That is cool!

Elemental HERO Wild Wingman came!

Me: Cool! Elemental HERO Wild Wingman!

Qin: Awesome!

Elemental HERO Wild Wingman: (In a girls voice) This will be awesome and fun.

Nico: Shayla Wildflare! Wow!

She reverted back.

Shayla Wildflare: Good to see you Nico. I got this. CYCLONIC WILDWIND BLAST!

She fired a wave of wind and blades and blasted them down and I caught the ridewatches and purified them.

Me: Take that!

Nico: Nice job!

Shayla Wildflare: Thanks! That was fun.

Me: It sure was.

Melody Meteor: Do you have any good memories of Nico?

Shayla Wildflare: I sure do. When me and Nico battled Vase Org.

Me: Vase Org!?

Eli: Vase Org!? I remember him from Gaorangers. He was Created by Ura from a mud puppet infused with the Thousand-Year Evil, Vase Org could suck anything he marks with seal paper into his vase.

Me: WHOA!

Shayla Wildflare: That's right!

Me: Wow!

Nico: Yep.

They hugged.

Nico: I've missed you.

Shayla Wildflare: Me too Nico.

We went back home.

Hulking Quartet of Destruction: (Groans In Pain) Me can't take much more of this..., puny God sucking us dry!

Then, when Lincoln was done and the stingers changed back, The Hulking Quartet of Destruction were now looking like desiccated corpses!

Then, Super Brother threw four Daggers of St. Michael into those undead evil Akumas of Hawk, Hank, Stan, and Steak Stankco from his world, and they pierced their hearts and they exploded into white flames and were sent to The Black Abyss. We cheered as we holstered our weapons and powered down and returned home to The World Tree Estate.

Super Brother: And that's another pair of evil undead Akumas from my world taken care of.

Nico: You said it.

Me: Especially after what you did to them, Lincoln? Lincoln?

But, Lincoln didn't hear me, he was too caught up with the excessive surges of excessive power rushing through his veins and body because of him sucking The Hulking Quartet of Destruction dry of all their excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, excessive tons of incredible godly excessive libido, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass: he felt like his body was on fire and really bursting with power and strength and his deep sapphire blue eyes were still glowing, and then...!

MASSIVE SOUL-CRUSHING EARTH SHATTERING BATTLE ROAR!

Lincoln let out a massive soul-crushing earth shattering battle roar as his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythical beasts and animals exploded out, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The

Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed even more, and he pounded his chest like an Alpha Male gorilla and flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles!

And because of the force of it, some of us, mainly The Mascots, were sent flying into a wall!

Me and all of TLPS and Vypra and The MOE: HOLY SHIT!

May: SWEET GRANDPA'S GRAVY! WHAT IN THE HECK WAS THAT?!

Bovarina Minotauraira: (Smirks) I hadn't heard that massive soul-crushing earth shattering battle roar of raw power and pure male virile strength in such a long time! That roar is the very roar Lincoln makes that causes the souls of his enemies to shatter and quake with fear!

Nico: (GULPS) Oh man! I'd hate to be the chump who has to face Lincoln! But, that alone makes me want to face him in a sparring match even more!

Poromon: WHAT THE?! (GRUNTS) LINCOLN, YOU LET US OUT OF HERE RIGHT NOW!

James Blunt: (Smirks) Acting all demanding like that isn't gonna get you anywhere...!

Poliwag: WE'LL MAKE YOU DRINK J.D.'S ARMAGEDDON HOT SAUCE IF YOU DON'T LET US OUT OF HERE RIGHT NOW!

They fell off the wall, but they were being glared at by Caleb Maxwell.

Caleb Maxwell: Only if you admit that you were the ones who put those tye-dye bombs in the closets of me and Allie yesterday!

FLASHBACK TO YESTERDAY

The rooms of Caleb and Allie were covered in tye-dye paint and Caleb and Allie were covered in the stuff as well!

Caleb Maxwell and Allie Maxwell: You little monsters...! WE'LL RIP YOU TO SHREDS!

FLASHBACK ENDS!

Jirachi: Never! I demand you compensate for the damages you've inflicted every time you and your siblings lose your temper!

Caleb Maxwell: Only if you pay for the buckets of tears Allie cried every time someone brings up that stupid tye-dye prank of yours yesterday! You ruined her date with Mad Cat Max!

Allie Maxwell: Caleb...!

But, Mad Cat Max had his left arm around her neck to cool her down.

Poromon: (YELLING) ONLY IF YOU PAY FOR THE BARF BAGS WE HAVE TO USE EVERY TIME YOU LET OUT THAT TOXIC STORM OF SWEARS AND CURSES EVERY TIME YOU OPEN YOUR MOUTH AND START RANTING!

Caleb Maxwell: (SCREAMING AT THE TOP OF HIS LUNGS) ONLY IF YOU PAY FOR THE EXTRA ZIP CODE FOR YOUR BIG MOUTH!

Suddenly, a blast of ice went right at Caleb Maxwell and The Mascots who backed away!

?: How about you both shut up and cool off!

Then, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, long marine blue hair with marine blue flower in her hair, blue eyes, massive blue angel wings, she has The Ice Barrier Frost Masters of Loyalty symbol on her right arm and the pendant on her necklace, The Ice Barrier Crest on her forehead, and General Grunard of the Ice Barrier on her marine blue skirt, marine blue short-sleeved blouse, ice blue sleeveless midriff top with General Grunard of the Ice Barrier on it, marine blue bridal gloves, marine blue stockings, marine blue knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, snow, ice, snowflakes, ice crystals, phoenixes, and angels on the coattails, and on the back is General Grunard of the Ice Barrier, and she has an ice greatsword and with her are the twelve girls.

Lincoln: (Gasps) Nieves Frostine, Avatar and Gene-Slammer of General Grunard of the Ice Barrier.

Caleb Maxwell: (GROWLS) I should've known that was you!

Nieves Frostine: Still as wicked, unstable, and temperamental as ever, Caleb. (To Lincoln) And that's right, Lincoln, and I got the girls away from those hulking brutes! I thought we were done with those assholes!

Super Brother: They're actually from my world and whom I'd killed long ago, but my world's Caleb Maxwell who came back as Lord Demonblood, the evil undead Akuma and leader of the other evil undead Akumas, brought them back and turned them into undead evil Akumas whom my team and I have fought against.

Nico: However, there was one thing that'll kill them: The Dagger of St. Michael.

Me: And as for Caleb Maxwell from Super Brother's world...! After we killed Lord Demonblood by driving a Dagger of St. Michael into his heart and he turned back to normal, Caleb Maxwell from Super Brother's world was overwhelmed by guilt for what he did at that time and overcome by the dark tragedies of his past committed suicide.

Lincoln: Now, we got to clean up his mess by killing the evil undead Akumas he created, but so far, we are on the right track. (To Nieves Frostine) And it's so good to see you again, Nieves.

Nieves Frostine: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Nieves Frostine had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Nieves Frostine was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he

had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Nieves Frostine: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Nieves Frostine's waist and hugged her, and Nieves Frostine was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on his chin, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Nieves Frostine: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 950'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same true immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Nieves Frostine, Avatar and Gene-Slammer of General Grunard of the Ice Barrier, she's Lincoln's Guardian Angel from New York, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of General Grunard of the Ice Barrier. She's The Ice General of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Kari Frostine moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of General Grunard of the Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of General Grunard of the Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and Nieves Frostine is also an old friend and classmate of Cronus Chase at New York University, and she knew he had issues with his dad and the only friends he had were Allie Maxwell, Peace Salyers, Leela Salyers, Cage Blunt, and Travis Tackett, but as time went on, she knew he was starting to get suspicious of Cage and Travis' vampiric nature and of their ties to Allie's elder brother, Caleb Maxwell, and one night, he found out more of the tragic past of Allie's elder brother and he connected that to the tales he had heard about when he was in high school: the old legends of LaGuardia High School: the story of Kendra Matthews' betrayal and The LaGuardia High Bloodbath in the 1980s, and he knew of The NYU Bloodbath that took place in 1985 back when Caleb himself was an NYU student there, and the more he found out, the more darker and bloodier the connections were. He knew it was a sore subject to even talk about, but Nieves knew Cronus has now gotten himself entwined with the dark legends of Allie's elder brother, Caleb Maxwell.

Me: Amihan explained everything about your story, especially with what happened with Cronus Chase.

Cronus Chase: I originally had no idea about Allie's past nor of Cage and Travis' vampiric nature or their ties to Allie's elder brother, Caleb Maxwell, who was murdered in 1985.

But, that changed one night when I asked around about Allie's past, and someone brought me to a bar and I met someone who told me about the tragic past of Allie's brother, and when I connected his past to the tales I had heard about when I was in high school, the two old legends of LaGuardia High School: the story of Kendra Matthews' betrayal in 1982 and The LaGuardia High Bloodbath in 1984.

Leela Salyers: Then, there's The NYU Bloodbath in 1985 when Caleb was a student there.

Cronus Chase: And the more I found out, more truths about Allie's connections are exposed, a literal history of dark bloody tragedy that befell her elder brother in the 1980s.

Nico: A literal history of blood, darkness, and tragedy.

Me: And one that haunted your world's New York for years.

Lincoln: Dead bodies in the alleys, blood spilled on the streets, and the cries of darkness and pain in the air, that alone would leave chills down any person's spines, and now that you're here, Nieves.

Lincoln with his massive muscular arms still wrapped around Nieves Frostine's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Nieves Frostine: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Nieves Frostine with marine blue gems on the gold lightning bolts and marine blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental

Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Nieves Frostine: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Nieves Frostine.

Nieves Frostine had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Nieves Frostine's waist, and he leaned down to her face and kissed her on the lips, and with Nieves Frostine's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Nieves Frostine had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Nieves Frostine: (In Heaven) My God. Oh, Lincoln, tell the guys to run to their rooms, the twelve girls I rescued are...!

Red Savarin and Travis Tackett: GUYS, YOU KNOW THE SIGNAL! MOVE!

Nieves Frostine: HOLD...! (Saw us gone) It!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the twelve girls, and when Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the twelve girls are Master Saffie, Soji Okita, Timur, Galahad, Tristan, Tutankhamun, Sugaware no Michizane, Elizabeth Barthory, Benkei, Leonardo Da Vinci, Richard I, and Asclepius from Legend Clover.

Lincoln: Oh whoa, it's Master Saffie, Soji Okita, Timur, Galahad, Tristan, Tutankhamun, Sugaware no Michizane, Elizabeth Barthory, Benkei, Leonardo Da Vinci, Richard I, and Asclepius from Legend Clover.

Nicole: Uh oh, I think Red and Travis were right to say that, the girls are really cute.

Lincoln: And they also made sure to grab Ataru and Issei and their perverted friends as well, otherwise, we were gonna have problems. Are you girls okay?

Master Saffie: Yes, we're okay, thanks to you.

Then, when Master Saffie and the other eleven girls saw who it was that saved them from The Hulking Quartet of Destruction, their faces turned atomic red and their noses gushed out blood upon seeing the 950'11" tall, handsome heartthrob hulking wolfman with abnormally massive and powerful upper and lower body muscles covered in warm brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle with beard stubble on his jawline and thick brown goatee on his chin, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair, large brown wolf ears with rainbow markings and rainbow flame patterns on top of his head and large gold halo with embedded gems shaped like The Elements of Harmony and below the gem shaped like The Element of The Magic of Friendship is a gem shaped like The Crystal Heart and a ring of hands made of gold around it with colored gems in the palms and around the ring of hands made of gold is a ring of fire with spikes made of gold resembling The Sun with four gold wolf heads: two on the left and right and two on top and the bottom in the center behind his head and second smaller halo with intricate designs and The Sun and The Moon in it and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with a wolf howling at The Sun and Moon surrounded by images of gods and beasts from Chinese and Japanese myth on the reflective side and on the back of the large mirror is The Black Tortoise of The North, The Vermillion Bird of The South, The Azure Dragon of The East, and The White Tiger of The West accompanied by The Qilin, The Fenghuang, Yinglong, and The Spirit Turtle surrounding a Yin-Yang symbol with gold sun ring-shaped frame around the mirror and embedded colored gems behind the large gold halo and four large orbiting gold rings on each corner with embedded gems shaped like The Elements of Harmony and below the gems shaped like The Element of The Magic of Friendship are four gems shaped like The Crystal Heart and four rings of hands made of gold with colored gems in the palms around them and around the rings of hands made of gold are four rings of fire with spikes made of gold resembling The Sun with four gold wolf heads: two on the left and right and two on top and the bottom and four large orbiting Amaterasu's Heavenly Mirrors of Four Holy Beasts with a wolf howling at The Sun and Moon surrounded by images of gods and beasts from Chinese and Japanese myth on the reflective side and on the back of the large mirror is The Black Tortoise of The North, The Vermillion Bird of The South, The Azure Dragon of The East, and The White Tiger of The West accompanied by The Qilin, The Fenghuang, Yinglong, and The Spirit Turtle surrounding a Yin-Yang symbol with gold sun ring-shaped frame around the mirror and embedded colored gems behind the four orbiting gold rings, intense rainbow flame patterns and fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow thunderbird with gold Sun above its head and gold lightning bolt and the emblem of The Ebonwu

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Tutankhamun: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Master Saffie, Soji Okita, Timur, Galahad, Tristan, Tutankhamun, Sugaware no Michizane, Elizabeth Barthory, Benkei, Leonardo Da Vinci, Richard I, and Asclepius with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: And that's another undead evil Akuma down for good.

May: And sent to The Black Abyss.

Super Brother: I'm finally rid of Hawk, Hank, and The Stankcos of my world, but there's many more still out there.

Lincoln: How many of them did you kill?

Wind Golfer: You know how you have enemies from all over the world and the universe? That's exactly what our world's Lincoln went through as well.

WE GASPED!

Nico: Oh man...!

Super Brother: But, when you sent Dark Chase Young into The Black Fire Vortex of Neverending Oblivion in your world, not only did he get erased forever, but so did my world's Dark Chase Young, and it pissed off my world's Caleb Maxwell who was still Lord Demonblood at that time.

Mad Cat Max: Just like what we do to Caleb whenever we head out into the city streets, if we're not running from the cops, or getting into fights with Drake and his gang of idiots.

Caleb Maxwell: I still haven't forgotten of what you did! (GROWLS)

Patch: I hadn't forgotten, that one time, Shroud dumped bovine blood on Caleb!

Allie Maxwell: That re-enacting of the prom scene from Carrie?! That was you! And Caleb had to take sixteen showers to get the stink of the blood out! (GROWLS) CHETT!

Chett who came in heard Allie's scream, but then, he saw her approaching with murder in her eyes, and he ran only to get blocked by her!

Shroud: So, you found out about...that time...?! (Nervous Laugh)

Allie Maxwell: I'M GONNA KICK YOUR SO HARD, YOUR BUBBLE BUTT IS GONNA BE SORE FOR ALL ETERNITY!

Poliwag: Will you cut it out already?! We already got an earache from hearing your brother screaming our heads off!

Allie Maxwell: OH, SHUT THE FUCK UP, YOU LITTLE PIPSQUEAKS!

Mascots: (HISSES LIKE SNAKES)

But, Caleb Maxwell summons demonic hands from Hell that transformed into Blood and Honey Pooh and Friends and scared the crap out of them!

Caleb Maxwell: Maybe, next time that'll teach you to act smart around my sister!

After Lincoln and all of us met Jack Wylde and Lily Pak and their family and took down The Hulking Quartet of Destruction, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Nieves Frostine saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Nieves Frostine: My God, I was right that Lincoln's really grown into a 950'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Nieves, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Nieves Frostine: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian

Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Nieves Frostine: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large rainbow angel wings underneath my enormous rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Lincoln: This'll be what you'll be doing during your extreme boot camp and intense rehab, Ataru and Issei, after that, you'll be doing 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 laps all over Earth Omega.

Ataru Moroboshi: Yes, sir!

Outside, Jiraiya and the other perverts on our team were starting to get antsy.

Jiraiya: This is starting to go too far! We need to act fast and tear down that boot camp! I know that Lincoln's one of Naruto's family members, but this is crossing the line!

But, then, Setsuna and Lincoln stepped out.

Setsuna: You're at it again?!

Jiraiya: What the?! Setsuna?! Lincoln?!

Lincoln: You guys just don't learn, do you?! Even after that one day, you go right back to causing trouble?!

Setsuna: That's it, you guys are going to get it!

Suddenly, Setsuna's red eyes turned neon red and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous blue angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large blue angel wings underneath his enormous blue angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded blue gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded blue gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the blue flame patterns and rings on his obliques and sides and the blue flame patterns on his forearms, and golden yellow sun and moon tattoo on his bare chest glowed.

Then, Setsuna's blue fur, spiky blue hair, blue ears, blue tail with white tip, and enormous blue angel wings with white tips on the enormous 99,999'11" blue feathers with a very massive wingspan of 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999'0" and the 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large blue angel wings with white tips underneath his enormous blue angel wings with various incredible wingspans turned red with white tips and the blue fur on the shoulder blades of his enormous angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,9

Setsuna went after the perverts, and he fired extremely powerful blasts of blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Colored Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Elemental Foxes, phoenixes, and angels, and they exploded as they hit them, and he slashed at them with his massive greatsword and his Sacred Weapon.

He also smashed them into the dirt with his enormously massive and immense godly superhuman strength, and he was really showing them no mercy! Same with Lincoln!

WE'RE SHOCKED: SETSUNA AND LINCOLN WERE SLASHING AND SMASHING THE PERVERTS ALL OVER THE PLACE LIKE A WILD ANIMAL IN A MASSIVE FIGHT CLOUD!

BAP POW WHOMP BIFF SMASH WHAM CRASH ZONK BASH KATOW THWACK ZOWIE ZING CRACK KRACKOW! WRESTLING BELL DING! CAR HORN! LION ROAR! PIG SQUEAL! ELEPHANT TRUMPET! SEAL BARK! CAT YOWL! HORSE WINNIE! COW MOO! DOG BARKS! WOLF BARK! BEAR ROAR! SHEEP BLEET! GOAT BLEET!

MULTIPLE SWORD SLASHES!

Me: JEEZ! THIS IS GETTING UGLY!

Nicole: Not again, I knew those perverts were gonna raise a complaint, and not only is Setsuna going all out and smashing them into the dirt, but Lincoln too is also smashing them into the dirt.

Ed Cowart: I warned those motherfucking perverted dirtbags yesterday of the consequences if they disregard that warning! Next time, it's gonna be me kicking their asses, and I'll make sure to wear steel-toed boots!

Then, when Setsuna and Lincoln were done, the perverts were on the ground with their eyes both swirling like crazy and with pretty banged up bruises and black eyes, and Setsuna was breathing heavily due to the adrenaline in his veins.

Lincoln: That was quite a workout beating up those perverts. I'll get them inside and treated at once.

Lincoln beamed the perverts to the infirmary. Then, Setsuna powered down and holstered his massive greatsword on his back. But, before they were about to head in, Setsuna and Lincoln got jumped on by some nearby high school girls we knew and college girls that Lanaia knew, and they proceeded to kiss them on the face and lips, and one of them even removed the left sleeve of Setsuna's robe.

Lori: Lanaia, I literally know you invited your old friends to see the fight and you send the video of it to the blog.

Nebula Lanaia: Yep. With this, Lincoln's reputation as a reformer of perverts is still cemented, but it pissed off our resident perverts, and this happened, and he and Setsuna trashed them.

Then, when they were done, Setsuna and Lincoln came back inside and they were covered in lipstick marks, and they were both glowing with power!

Setsuna: I can guess this is going to be a daily thing for us.

Lincoln: Yep. Though I hope those perverts will at least learn to take a hint.

Poromon: Not! They're still going to be at it again!

Caleb Maxwell: Even if they're perverts, they're still heroes, and I do not want to wind up like that ex-younger brother of mine, that alone would be a dark curse that'll never leave me.

We got a shower, and then, Lincoln, Terra Grayson A.K.A. InvinciGirl, Edu, and Ms. Blossom are heading to La Pelosa in Sardinia, Italy, and joining them are the rest of his harem.

Lincoln snapped his fingers, and the 950'11", handsome and extremely muscular wolfman had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Terra Grayson A.K.A. InvinciGirl, Edu, and Ms. Blossom and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Terra Grayson A.K.A. InvinciGirl, Edu, and Ms. Blossom had feelings for Lincoln, and Lincoln also had feelings for them too, and he saved them from a group of musclebound thugs and he sucked out all of their muscle mass, virility, testosterone, strength, and energy which killed them all.

Edu: Wow, we're here in La Pelosa, it's so beautiful.

Lincoln: You said it, Edu, and it's perfect for our first date. Shall we?

Lincoln, Terra Grayson A.K.A. InvinciGirl, Edu, and Ms. Blossom and the rest of his harem dived into the waters and they began swimming and they also saw the marine life living there, and then, they came back to the beach, and Terra Grayson A.K.A. InvinciGirl, Edu, and Ms. Blossom and the rest of his harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, Lincoln did the same thing giving Terra Grayson A.K.A. InvinciGirl, Edu, and Ms. Blossom and the rest of his harem a deep tissue massage, and when he was done with that, they were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Terra Grayson A.K.A. InvinciGirl, Edu, and Ms. Blossom and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his extremely massive muscles.

Lily the Mermaid: (Swooning) My God, Linky's still such a handsome and manly wolfman hunk.

Suddenly, they saw Blade from Red Earth coming after them.

Anna Anyanova: Oh no, Blade from Red Earth.

Lincoln: What the?! I got him.

Lincoln went after Blade and he morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of Blade and he began absorbing him and he assimilated Blade's powers and abilities, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his

enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH! (WOLF ROAR)

Then, when Lincoln was done and the stingers changed back, Lincoln's rainbow, white, golden yellow, and blue energy aura flared up even more with elements around him and Lincoln sucked out the last of Blade's energy and he sent him to The Black Abyss, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and fire exploded out of his massive biceps and muscles and he generated wind gusts from his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and cooled down his harem.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Terra Grayson A.K.A. InvinciGirl, Edu, and Ms. Blossom and the rest of his harem and he hugged them in his abnormally massive and powerful muscular arms, and Terra Grayson A.K.A. InvinciGirl, Edu, and Ms. Blossom and the rest of his harem placed their hands on Lincoln's massive hairy pecs, but Lincoln wasn't done.

Then, Terra Grayson A.K.A. InvinciGirl, Edu, and Ms. Blossom and the rest of his harem were lying down on a massive beach towel with Lincoln on top of Terra Grayson A.K.A. InvinciGirl, Edu, and Ms. Blossom and the rest of his harem.

And then, Lincoln shared a passionate and romantic kiss with Terra Grayson A.K.A. InvinciGirl, Edu, and Ms. Blossom and the rest of his harem and Lincoln slowly sank his fangs into their right trapeziuses and he began feeding on the blood of Terra Grayson A.K.A. InvinciGirl, Edu, and Ms. Blossom and the rest of his harem, and Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored

gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln and I slowly unlatched our fangs from the right trapeziuses of our harems as they healed and the puncture marks sealed up, and we also kissed where we bit them. We came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Nico: (Whistles) Wow, it looks like you really had a good time at La Pelosa, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Terra Grayson A.K.A. InvinciGirl, Edu, and Ms. Blossom with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Thunderbird Chokers of Eternal Love appearing on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Lily the Mermaid: And now, Terra Grayson A.K.A. InvinciGirl, Edu, and Ms. Blossom are in your harem, Linky.

Terra Grayson A.K.A. InvinciGirl, Edu, and Ms. Blossom showed the marks on their right trapeziuses Lincoln made.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. Blade from Red Earth came after us!

EVERYONE GASPED!

Nico: Oh shit!

Lincoln: Don't worry, I used my Cell stingers and absorbed him and assimilated all of his powers and abilities, and I sucked out the last of his energy and sent him to The Black Abyss.

Me: Smart move.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his

enormous angel wings had spread out and they generated a cool breeze cooling us down and fire and wind exploded from his massive biceps and muscles.

Serena Logan: Lincoln really got that confident and bold, we really made him into a really strong and powerful manly wolfman.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know, we made a clone of that mutant.

Lincoln: That's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus

Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another awesome Skylanders adventure.

Nico: Who's next?

Me: Randy Cunningham, Yae, Sunset Shimmer, Pepperdance, Spitfire, Torch, Fryno, Wildfire, Sunburn, Fire Man, Flame Man and Blaze Heatnix and we're going after Grinnade next.

Lola: Whoa! This will be fun.

We went into the simulator and it activated and we were in the Hidden Leaf Village training grounds.

Me: The Hidden Leaf this time? Whoa!

Xenia: Wow!

Sakura Haruno: Wonder why we're facing Grinnade here?

Me: Good question.

Randy: As a Ninja, it's awesome for me to be here

Yae: And me too as one.

Me: It sure is.

I snapped my fingers and donned my Shinobi clothes.

Me: Got to look professional.

Nico: Yep.

Me: Now if I were a walking grenade that is very reminiscent of the Bob-Ombs where would I hide?

Ymir: What's a Bob-Omb?

Nicole: This little guy.

She pulled out a Bob-Omb.

Nicole: It's a wind-toy bomb. You turn this key and the fuse is lit. Then seconds later boom!

Ymir: Whoa man!

Me: And they pack an explosive wallop too.

Nico: Keep an eye out.

Me: Also Grinnade beeps and talks in Video Gaming beeping noises.

Nico: Yep.

Then we smelled something.

Me: Wait. (Sniffs) I smell something.

Nico: Smells like almonds.

Me: Wait. Bitter Almonds. (GASP) That's a telltale sign of Cyanide!

Laney: I think it's from him!

We saw a Venomoth made of Blue Fire!

Me: WHOA! A Venomoth made of Dark Blue fire!

Lincoln: That's not just a Venomoth! That's the Akuma of Koga, the Fuchsia City Gym Leader, Cyanivenomoth!

Me: WHOA! He's made of dark blue fire and in Forensics in order to find the presence of Cyanide, if a test strip or tube turns dark prussian blue that means Cyanide is present.

Laney: That's right!

Sheila: Good work knowing that J.D.

Me: Thanks Sheila.

Nico: Cyanide is often used by Nazis to commit suicide

Me: That was back over 80 years ago.

Nico: Yep.

Ash: I think this Akuma was made because of Team Rocket trying to steal all their Pokemon. I was there when that happened and it was brutal.

Me: YIKES!

Nico: Bring it on!

Qin: YEAH!

Me: I'll start us off!

I formed a massive ball of fire! It looked like I was holding the sun in my hand!

Me: FIRE STYLE: FIRE HEAVEN!

I threw it and it slammed into Cyanivenomoth and explode!

EXTREMELY INTENSELY MASSIVE FIERY EXPLOSION!

Nico: WHOA!

He came out of the flames!

Vierra Shindai: I'll handle this one.

Me: Go for it Vierra.

Vierra Shindai: (FLARES UP WIND AURA!) FLYING THROUGH THE SKY WITH GRACE AND FREEDOM! NOW FEEL THE FLIGHT OF FANCY IN MY Z-POWER! (FLIES INTO THE SKY WITH INTENSE SPEED!) SUPERSONIC SKYSTRIKE!

SHE FLEW DOWN AND SMASHED INTO CYANIVENOMOTH AND THE GROUND EXPLODED OUT WITH INCREDIBLE AND INTENSE FORCE!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

HE WAS DOWN!

Me: HOLY SHIT! Nice job Vierra!

Vierra Shindai: Thanks!

Nico: Akumaball go!

He threw it and caught it!

Me: YEAH!

Nico: One down.

BEEPING NOISES

We turned and saw Grinnade!

Me: There's Grinnade! Good thing I modified our translators.

I activated mine and his beeping was more understood.

Grinnade: That was awesome work there!

Me: Thanks Grinnade! Now we can understand you better.

Nico: Almost didn't see you there

Grinnade: Just because I'm small doesn't mean I can pack a wallop.

Me: Well lets get it on!

Torch: FIRE IT UP!

Fryno: CRASH AND BURN!

Wildfire: BRINGING THE HEAT!

Sunburn: ROAST AND TOAST!

We fired waves of energy and fire and blasted him.

Nico: Have some of this!

Nico fired waves of fireballs.

Randy, Yae, Sunset Shimmer, Pepperdance and Spitfire fired fire blasts.

Me: Lets get him

Randy Cunningham, Yae, Sunset Shimmer, Pepperdance, Spitfire, Torch, Fryno, Wildfire, Sunburn, Fire Man, Flame Man and Blaze Heatnix: FIRESTORM PHOENIX MEGABLAST!

They fired waves of intense fire and it formed into a phoenix and blasted him down!

GRINNADE DEFEATED!

He tried crawling away

Sunset Shimmer: You're not crawling away from me that easily.

She held up a red trap and a Red Vortex appeared and sucked in Grinnade.

Grinnade: Oh this is gonna be the BOOOOOOOMB!

He got locked into the trap!

Grinnade: Whoa! Maybe I can blow up my way out of here. Mustard is not a good smell for me. (Tries to explode but to no avail)

GRINNADE TRAPPED!

Sunset Shimmer: Now you have to be a good bomb and be good from now on.

Grinnade: Okay I might as well explode for good then.

Me: Good call there.

Nico: Great job maving our translators understand him J.D.

Me: Thanks.

We left the simulator

Walking through the city was me and Catherine Champagne and Beast Boy had me blindfolded.

Tara had Catherine blindfolded.

Me: This is gonna be fun.

Tara: You're gonna love this place.

Catherine Champagne: I know we will.

Beast Boy: We're here!

They took our blindfolds off and we saw that we were at Gus's Games and Grub.

Me: Gus's Games and Grub! Cool!

Me and Catherine saw each other and gasped!

Me: Catherine!?

Catherine Champagne: J.D.!?

Me and Catherine: You're my date!?

Me: Nico I'm going to give you the worst tickling ever!

Nico: Actually it wasn't me this time.

Poromon: It was me and the mascots!

Me: Oh!

We went in and saw a nice table set up for us and we had really good pizza and Garlic Knots too.

Me: (Eating) Mmm! Good pizza huh?

Catherine Champagne: I missed having good pizza.

Lincoln: We know. Also we're going to have the next Bonding Session here.

Me: Okay then.

Pipp: Oh my Glitter! Isami, me Derpy, and Anita will never regret meeting you and Katsumi That was some of the most fun ever!

Isami: It sure was! We had a lot of fun on that one.

Pipp: That was so much fun!

Rarity: Indeed it was darlings. You all had fun.

Lincoln: I had to stay with Derpy because of her eye condition.

Isami: Oh right! She keeps on crashing into stuff.

SMASH!

She crashed into a table because of her condition.

Derpy Hooves: My bad!

Eli: See?

Isami: I see what you mean.

Me and Catherine then got to playing games. We were playing the shooting games!

Beast Boy: They look like they're having fun.

Nico: They sure are.

Qin: Yeah. (Sees something) Crackhouse Goofy is outside.

Me and Catherine went to face him.

Me: Hey Goofy!

Me and Catherine: YOU HAVE AN UGLY GIANT BUTT!

Crackhouse Goofy: (ENRAGED) WHAT THE FUCK DID YOU JUST SAY TO ME!? WHAT THE FUCK DID YOU JUST SAY TO ME!? OH HELL NO! I'M GOING TO FUCKING KILL YOU! NOBODY MESSES WITH GOOFY AND LIVES!

He screams and jumps out in pain, hits the sideways spring, and bounces into a steel wall. He falls onto the spiky conveyor belt's lever, which it turns on. Crackhouse Goofy falls onto the conveyor belt and it takes him to the rolling wheel with sharp corals on it. Crackhouse Goofy gets rolled on by the sharp corals, leaving his face bruised. Crackhouse Goofy gets pummeled by boxing gloves until he becomes liquid. The liquefied Crackhouse Goofy falls onto a seat. Four robotic arms grab him, stretch him and roll him up into a ball. Crackhouse Goofy is placed into a cannon and it fires him far off into the distance until he hits the high school bell. Crackhouse Goofy falls in front of the front doors just as the high school students march out and trample on top of him.

Qin: That was funny!

Derpy: We had fun taking down your enemies.

Isami: We sure did and it was so fun.

Lincoln: That is for sure!

Me: Boy that was funny!

Me and Catherine then looked at each other and blushed.

Then we moved in and then kissed.

KISSING!

Everyone: Awww!

Needlenose: So cute!

Qin: SO AWESOME!

Lola: YEAH!

We kissed more.

Crackhouse Goofy came out of the pit.

He went at me but then...

Nico: WHOA! Nice one!

Anita: We even faced Dr. Nefarious

Sunset Shimmer: We sure did. That was awesome.

Lola: It sure was.

Qin: Yeah!

Lincoln: And sent his robotic butt to jail.

Lana: That was fun.

Swerve: Glad you two are having fun

Nico: Yeah.

Me: We sure did.

Catherine Champagne: Now we got to give the mascots their just reward

ZOOM!

They ran fast!

Me: The hunt begins!

First we paid for our food. Then we got ready.

But then...

SLASH SLASH!

I got cut in my face by razor leaves!

Me: OW!

Blood poured from my cheek.

Me: Razor Leaves?

Nico: Who did that?!

Laney: Hey look guys!

We saw 2 Leafeon!

Me: Cool! 2 Leafeon!

Xenia: Pretty!

Me: One of them must be of Dark Gale.

Sheena: It's the one on the right. The one on her left is her partner. Her name is Gaia Leafia.

Me: Whoa!

Laney: Lets go help them.

Laney: It's okay guys.

She used Razor Leaf again and I blocked the attack with a fire aura.

Me: Take that.

I snapped my fingers and she reverted back and was a girl with green hair, green eyes and autumn leaf angel wings and had Leafeon on her forehead and an Orchid on a leaf as a cutie mark.

We wrapped her in a blanket and brought her over to a bench.

Me: There we go.

She woke up.

Gaia Leafia: (Groans) What hit me?

Me: Well ugly story. You were turned into a Leafeon by Dark Gale.

Gaia Leafia: Oh man! I finished up a Pokemon Battle with him! (Points to Gary Oak)

Gary Oak: I remember you Gaia! You and I battled. Your Leafeon VS my Umbreon. You won.

Me: Wow! Your Leafeon is amazing.

Gaia Leafia: Yep. Her name is Leafi. I raised her since she was an Eevee and used the Leaf Stone on her.

Me: Wow! That is cool.

Gary: Umbreon's wanting a rematch in the future. Fair warning

Gaia Leafia: Looking forward to it.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new green clothes and a nature sword.

Gaia Leafia: I look amazing.

Me: You sure do. Now we got a bunch of Mascots to punish.

Eli: And I know where they are. They are at that candy factory there.

We saw the Cass Elliot Candy Factory.

Me: The Mama Cass Candy Factory? Whoa I remember that factory.

Sakura Knudson: Boy me too. That's where we busted Sterling Smith the Gold Swindler. It was owned by Cass Elliot.

Camie: Cass Elliot? Wasn't she a famous Singer?

Me: Yep. She died 50 years ago.

Nico: Yeah Lets get a move on.

The mascots went to their first hiding spot.

It was at the Cass Elliot Candy Factory behind some crates full of candy bars.

Poromon: All right. Lets keep quiet.

We came in.

Me: Boy I remember this factory. We solved the mystery of the Green Globs and stopped Sterling Smith from smuggling $2,000,000 dollars in gold bricks that he planned to grind into powder and smuggle them out of the country in Cass Elliot's candy bars.

Sakura Knudson: Boy that was a golden one.

Poromon: Shh.

Eating noises.

They saw Manaphy eating some of the chocolate bars.

Poromon: Manaphy, no!

Manaphy: What? I'm hungry. (BELCH)

Me: AHA!

We saw them behind the crates!

ZOOM!

They ran.

Me: And there they go.

I grabbed a couple of chocolate bars.

Me: Want some chocolate for later guys?

Nico: You know it!

We grabbed some.

The mascots were now over at the DEATH SCOVILLE HOTSAUCE STORE!

Poromon: Wow look at all this hotsauce.

Poliwag: Let's really stay quiet this time

They hid in a shelf.

We then came in.

Me: I know this hotsauce store. Some of my best hotsauces are sold here.

Qin: Cool.

Poromon: Shh.

They made no sound

But then a clang was heard.

Poliwag knocked something over by accident.

We saw them!

Me: AHA!

Poromon: Poliwag!

ZOOM!

They ran fast!

Me: Well there they go again.

They went to the Prank Store Luan works at.

Poromon: I love coming to the prank store.

Manaphy: Me too.

They hid in a barrel full of whoopee cushions.

Manaphy: This time, we're quiet!

They stayed quiet as we came in.

Me: I love coming to the prank store.

Luan: Me too. This is the store I work at.

Eddy: It sure is.

Me: So many fun pranks.

Nico: And this is one of my favorite pranks here.

He took a stick of gum and chewed it and then...

BOOOOMM!

HIS HEAD EXPLODED!

Me: (LAUGHS) Exploding Chewing gum!

Patrick: Hey Sea Nut Brittle!

BOING!

NUMEROUS SPRINGS Popped out!

Patrick: Oh darn it! Not again!

WE LAUGHED!

Manaphy and the rest were quiet

But then...

LOUD FART!

Horsea sat on a whoopee cushion!

Me: AHA!

Poromon: Horsea!

They were in the Whoopee Cushion Barrel!

ZOOM!

They ran fast!

Me: Tartarsauce!

Eli: Oh man! They are heading to a cave! But this is a dangerous spot! It is home to a cult!

Me: Uh oh!

We went over!

In a cave in the forest, the mascots hid.

Horsea: This time, we're definitely quiet!

Poromon: SHH! Someone's coming.

They heard chanting and saw a bunch of hooded figures come in with a statue that looked like BAMBI from the upcoming movie Bambi the Reckoning!

They placed it in a circle and chanted a terrifying language.

Woman Priest: We the Covenant of the Deer Call give you this gracious offering our master.

They had a woman in a cage come and she was placed in the circle and tied to a rack.

Woman Priest: With this victim's blood your appetite for vengeance shall be satisfied!

She pulled out a dagger!

Horsea: The fuck is this?!

Poliwag covered her mouth.

Poliwag: Shh..

Just as the woman screamed as she was about to be stabbed...

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOMMMM!

A massive fiery explosion blasted in and a phoenix cry was heard and fireballs blasted the cult members and killed them all and banished them to the black abyss.

Me: Whoa man! This is a nasty cult location.

We saw a surviving priest. I grabbed her.

Me: Okay bitch! What kind of cult is this!?

Priest: It's Called The Covenant of the Deer Call! We are a Satanic Cult that worships Bambi from the movie Bambi The Reckoning.

WE GASPED!

Me: That movie hasn't even come out yet!

Varie: Yeah!

Qin: You don't have any idea what kind of a monster Bambi was turned into in that movie!

Me: YEAH! He turned into a vengeance crazed bloodthirsty monster hellbent on killing people to avenge his mother!

Xenia: That's right!

Horsea: You know what? Fuck hiding!

The mascots came out!

Me: There you are!

Horsea: Punish us later. We need to take care of this first!

Me: Be my guest!

Poromon: Thank you!

Manaphy: This is for Bambi!

They got out shotguns and then...

BANG!

They blasted the Cultist's head off and we banished her to the black abyss.

We got the woman out of the table.

Me: You'll be okay.

We went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Same with Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and

Lincoln: We don't have long before our final showdown with The Brain and Monsieur Mallah starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: Yep. Now for the mascots punishment.

We jumped them and tickled them all over.

Mascots: (LAUGHING HYSTERICALLY!)

Me: SAY IT!

We tickled them!

Catherine Champagne: SAY IT!

Manaphy: NO!

Me: SAY IT!

Horsea: NEVER!

Me: SAY IT!

Poliwag: NEVER!

Qin: FOR PETE'S SAKE IN THE NAME OF ALL HUMANITY SAY IT!

Mascots: UNCLE! UNCLE! UNCLE!

Tyrone: SAY WHAT!?

Mascots: UNCLE! UNCLE! UNCLE!

Nico: That wasn't too hard

Me: Yeah

Rage Mage: What's next? A cult worshipping the Blood and Honey Pooh?

Poromon: LOOK AT IT!

Me: Don't jinx it

Nico: Maybe in the future.

Qin: Oh boy.

Camie: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was The Brain and Monsieur Mallah, and they're on the move along with Madame Rouge and General Immortus, and the bad news: they also have Psimon, Cinderblock, Overload, Plasmus, Adonis, Trident, The Puppet King, Johnny Rancid, Professor Chang, Warp, Phobia, Punk Rocket, Killer Moth, Kardiak, XL Terrestrial, Katarou, Atlas, Andre Le Blanc, Wintergreen, H.I.V.E. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: So, you've finally come out of hiding, Brain and Monsieur Mallah!

Eli: It's time.

Lincoln: Yep.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's The Brain and Monsieur Mallah, and they're on the move along with Madame Rouge and General Immortus, and the bad news: they also have Psimon, Cinderblock, Overload, Plasmus, Adonis, Trident, The Puppet King, Johnny Rancid, Professor Chang, Warp, Phobia, Punk Rocket, Killer Moth, Kardiak, XL Terrestrial, Katarou, Atlas, Andre Le Blanc, Wintergreen, H.I.V.E. EVERYONE GASPED!

Beast Boy: This is just like what happened all those years ago!

Jinx: I'm alerting Gizmo, See-More, Mammoth, Private H.I.V.E., Control Freak, Mumbo, Red X, Doctor Light, Angel, Kyd Wykked, and Billy Numerous about this.

Maria got off the phone and had her hand in her left ear!

Maria: I already alerted Vypra and the others, and from the sound of it, your old friends are pissed!

Kid Flash: This is gonna get ugly.

Jinx: Big time.

Nico: You're telling me. But, if that's how The Brain and Monsieur Mallah are gonna go out, then so be it, and we'll have Madame Rouge, General Immortus, Psimon, Cinderblock, Overload, Plasmus, Adonis, Trident, The Puppet King, Johnny Rancid, Professor Chang, Warp, Phobia, Punk Rocket, Killer Moth, Kardiak, XL Terrestrial, Katarou, Atlas, Andre Le Blanc, Wintergreen, H.I.V.E. Headmistress, Wrestling Star, Fang, Mad Mod, Witch, Steamroller, Malchior, The Master of Games, Ding Dong Daddy, and Bob the Shapeshifting Alien put into The M.O.E., and Lincoln, you can absorb the clones of Gizmo, See-More, Mammoth, Private H.I.V.E., Control Freak, Mumbo, Red X, Doctor Light, Angel, Kyd Wykked, and Billy Numerous.

Lincoln: Yes, but before that, we're gonna take them down in an all-out fight in their HQ, and I've got a few more I'd learned from Bovarina to really give those bastards the fright of their lives!

Nico: After that massive roar you gave out after we came back, many of us fainted! Alright, team, let's get going, this is the final showdown with The Brotherhood of Evil!

Lincoln: Brain, Monsieur Mallah, your time in this world is finally up! This is where you die once and for all!

The previous group came.

Webstor: Can me, Angel, Red Ghost, Skalamander, Rich Texan, Steam Smythe, Black Adam, Evil Green Ranger, Gentleman Ghost, and Robo Roxy go with you guys?

Nico: Yes you all can. We're going to need all the help we can get for this one.

Xenia: Yeah.

Black Adam: I'll have Vypra and all the members of the M.O.E. come for this one.

Qin: Awesome.

Komba: Nico, which Gene Slammer do you think you'll meet next?

Harpus: I hope it's a strong one

Nico: Elemental HERO Voltic Wingman next.

Me: Flying and electrifying.

Xenia: Yeah.

Qin: This will be interesting.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Scion, the main antagonist and final boss of the videogame Red Earth, he's come back from the dead and he wants revenge. When we saw it, we knew it meant trouble.

Lincoln: I knew it, I knew Blade's return wasn't just a coincidence!

Me: Lincoln, was that...?!

Lincoln: Scion, the main antagonist and final boss of the videogame Red Earth, he's come back from the dead and he wants revenge.

Cianna Malefic: Lincoln, I hope you absorb him.

Lincoln: I will, he's gonna pay for what he's done.

Nico: A monster like that doesn't deserve to live. Alright, team, let's get going to the HQ of The Brotherhood of Evil!

Lincoln: This is where it all ends for The Brain and Monsieur Mallah, and once we get done with them, you're next, Scion.

Cianna Malefic: All the crimes you've committed can never be forgiven, Scion, now the time for your hellish judgement is close at hand!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed to the HQ of The Brotherhood of Evil in Paris, France to fight them and end The Brain and Monsieur Mallah forever and send The Brain and Monsieur Mallah to The Black Abyss, and once we get done with them, Cianna Malefic and Lincoln are going to face and take down Scion, and Lincoln's going to absorb him.

We were off.

* * *

We arrived in Paris.

Me: So their headquarters is located in Paris, France.

Xenia: Oh boy.

Skalamander: Let's call Xaldin

Me: Okay.

Out of a Dark Corridor came Xaldin!

Xaldin: Someone call?

Me: We were just about to call you.

We even called the entire M.O.E.

Vypra: This is gonna be brutal.

Me: Yep. But we're ready for this.

Beast Boy: These guys are gonna be a challenge.

Superman: Might want to call all the Teen Titans too.

Robin: Right. (gets out communicator) Calling all Titans. We're going to attack the Brotherhood of Evil's base. Meet us at these coordinates

Caitlyn: How many Titans are we talking here?

Me: LOTS of them!

Then ALL THE TITANS arrived.

We saw them all!

Me: HOLY COW!

Steam Smythe: You guys must be Bobby and Raven's kids

Bobby was a giant teddy bear.

Me: And these three must be Melvin, Timmy, and Teether. I've heard a lot about you guys.

Raven: Yeah I sort of adopted them when we faced the Brotherhood the first time.

Me: I can tell.

Teether: Yeah we got attached to Raven.

Me: I can tell.

We then saw Goombas and Hammer Bros roaming around.

Bowser: I didn't call my minions here.

Lync: The Control Freak clone must've summoned them

Me: Goombas and Hammer Bros! WHOA!

Nicole: Lets get them!

Mario: (Italian Accent) LETS A GO!

Nicole and Mario punched and bashed and jumped on them!

MASSIVE PILES OF COINS PILED UP!

Evil Green Ranger: Wait. Are those the Blood and Honey Pooh and Friends?

We saw them!

Me: Uh oh!

Poromon: LOOK AT IT!

Darkrai: I got this!

He fired darkness blasts and blasted them.

Me: That was easy.

Dead End: What will they throw at us next?

?: YOU MOTHERFUCKING CUR!

Me: Oh no.

I saw something I thought I would NEVER SEE AGAIN!

An Evil Sasuke!

I saw burn marks all over his body!

Me: Wait! I remember this one. This is an Evil Sasuke that I remember in 150,000 years. After we killed the Akatsuki, this version of Sasuke made a kamikaze attempt. He used a DEVASTATING Forbidden jutsu called Planetary Devastation: Rasentenkyū. That is a Rasengan Varient of the Planetary Devastation and it possessed enough power to destroy the entire planet!

EVERYONE GASPED!

Nico: GEEZ!

Qin: HOLY SHIT!

Me: I know. I used the Dragonballs and we got out of there just in time as he threw it and destroyed himself and the entire planet. He vowed that if he went down, he would take the entire planet with him.

Nico: MOTHERFUCKING COWARD!

I went over to him.

Evil Sasuke: YOU MOTHERFUCKING CUR!

Me: Hmm. Yes and a "Motherfucking Cur" was the only kind of person you can handle. I remember that your father said that very same thing to me in 150,000 years just as I was killing the Uchiha for their crimes and snuffing out the very darkness that they used to destroy so many lives. When he made his speech about how you were going to kill all of the Leaf in the name of Madara Uchiha all they did was seal their fate. Your Father poisoned his own son with his own hatred and turned you into a miniature version of him and he poisoned your mind with so much of his hatred over everything that you became a totally lost cause. He made you into a homicidal and completely mentally unstable psychopath and you did not show any value towards friendship or comradery. You wanted everything handed to you on a silver platter just like your wretched father and all your clan did. You cheated in everything, Even though Ninjas cheat, education is the one thing that we NEVER cheat at. Isn't that right and they say that your father was leading the Uchiha to greatness. But it turns out you're just another lost soul of the run-of-the-mill ninja. And you know it. You're not even in the same league in the kind of power that I possess. I can destroy the entire universe in the mere blink of a cosmic eye. In fact, next to my kind of power and the power that you have, you are nothing compared to me and you and your clan were nothing but a bunch of pathetic ants compared to it. The way you covet all that power, the way your clan did all the deeds in the name of the devil known as Madara Uchiha, a monster and a planet destroyer. It's downright fucking disgusting. As the most powerful fighter and warrior and champion in the universe, all I see when I look at you is a fucked up miserable fuckweed and a heartless motherfucking psychotic wretch. And on top of that I fucking hate your style above all others you ruthless fuckkicker! What is it that you are hoping to accomplish? Stealing all the jutsu in the world just to expand your jutsu arsenal and repertoire, committing crimes all over the planet just to satisfy the devil Madara Uchiha, murdering innocent people, stealing jutsu, pursuing petty and worthless desires like revenge and above all betraying the very village your clan founded. You Uchiha Motherfuckers don't give a flying fuck about anyone but your pathetic goddamned motherfucking selves and that is why I killed them all including your father. The Uchiha are heartless monsters that murder, lie, steal, betray and are completely powerhungry just like you and that's why I killed them all. YOU ALL FUCKING DISGUST ME!

HE ROARED AND WENT AT ME!

I then stabbed him through his black heart and killed him instantly! Thus FOREVER ENDING THE TERROR OF THE EVIL SASUKE'S FOREVER!

Robo Roxy: I thought the one with Team Buktu was the last one!

Me: I know. But this was the one that I killed in the world where I formed The Knights of the New Fire.

Nico: Oh man!

Qin: That must've been one that was sent to hell.

Me: Yep. Witch must've brought that one back.

Naruto: I can't believe she did that.

I fired waves of black fire energy and banished him to the Black Abyss.

Tara: Garfield, no matter what happens, I'm glad I met you and the others in the desert that day

Beast Boy: I am too Tara. I am too.

Ymir: What happened?

Robin: She was being chased by a giant scorpion and she lead it into a trap and she destroyed it.

Ymir: Wow!

Me: I remember hearing about that. That was cool.

Nico: Troy, I might need to borrow your Legendary Morpher again

Troy: Sure thing.

He gave it to him.

But then...

TARZAN YELL

We saw a green version of George of The Jungle swing in!

Me: Is that George?

Nico: He's not green.

We saw him heading for a tree!

Me: WATCH OUT FOR THAT...

KRASMASH!

HE CRASHED INTO IT HEAD ON!

Me: OOOH! That had to hurt!

He then fell off it!

FWOMP!

He smashed into the ground! Then he got up!

And then...

BLANG! BLANG BLANG BLANG BLANG BLANG BLANG BLANG!

Patrick: DAHAHAHA! THAT GUY GOT HIT IN THE HEAD WITH 8 COCONUTS!

Me: (LAUGHS) Okay this one is funny!

Lincoln: That's Beast Boy's Akuma, Garfield of the Jungle! The Hypothetical Akuma of Beast Boy and he is a goofball idiot. He looks a lot like George of the Jungle except more stupid and funny! He crashes into trees, coconuts hit him and his call calls the wrong animals to help him and they mangle him up! But he has all kinds of jungle and nature powers. And also he farts explosively. He was made because of Slade making Tara his apprentice and all that and vowed to kill Slade.

Me: Whoa man!

Octane: How dangerous is he?

Garfield of the Jungle: Garfield show you. (TARZAN YELL)

THEN A MASSIVE HEARD OF ELK CAME AND TRAMPLED HIM!

Me: OUCH!

He then threw coconuts at us and I threw them back and they hit him and bashed him all over!

Me: Nice!

He then pointed his butt at us!

Me: Oh yeah?!

I pointed my butt at him!

Me and George then farted explosively!

MASSIVE AND INTENSELY POWERFUL FART OF FIRE!

The blasts collided and exploded!

My blast from my butt blasted him down!

Me: Also I think he's just downright silly and stupid.

Xenia: Yeah.

Gentleman Ghost: Beast Boy? Is that you?

Garfield of the Jungle: Yes it's Garfield.

Me: That is his real name after all so that confirms it. Also Starfire he is acting more like a uhh... What did you call him in your language?

Starfire: A Clorbag Varblernek.

Ymir: What does that mean?

Sunset Shimmer: It's Tamaranean for a Stupid Mischief Maker.

Nico: Yep.

Xaldin: You need to calm down.

BONK!

He threw a coconut and it hit Nico instead!

Nico: OW!

Garfield of the Jungle: Sorry. Garfield aiming for Xaldin.

Me: I guess that means no way.

Shanan: Slade is dead though. We killed him long ago.

Me: In that case.

I pulled out a Bananaquat and bit the stem off. I threw it and then...

BOOM!

It covered him in bananaquat plants!

Ymir: Uh what are...

Me: Wait for it...

Ape's nose twitched and his eyes went cuckoo crazy!

Ape: BANANAQUAAAAAATS!

HE WENT AT GARFIELD OF THE JUNGLE AND BASHED AND SMASHED AND PULVERIZED HIM WHILE EATING ALL THE BANANAQUATS!

Xaldin charged at him.

Xaldin: Feel the Storm of Despair!

He fired tornadoes and blasted him.

Garfield got up.

Garfield of the Jungle: Garfield's turn!

He threw NUMEROUS COCONUTS and bashed Nico all over!

BONK BONK BONK BONK BONK BONK BONK BONK!

Nico got bashed all over!

Nico: OW!

I fired waves of energy and blasted him down!

Gluko: Is he down?

Then...

KRASMASH!

A tree crashed onto him and knocked him out.

Ed: Good morning tree!

Robin: (to the other Titans) This all began with me, Cyborg, Beast Boy, Starfire, and Raven. And now, it's grown to include all of us. We've had our share of struggles. But overall, I'm proud to have fought alongside all of you. Now, let's confront Brain and show him what it means to be a Teen Titan!

Me: And a Member of Team Loud Phoenix Storm!

Black Adam: And make sure he can't freeze anyone!

Me: Good! Awesome speech Robin!

Robin: Thanks!

Exhaust: As pre battle speechs go, that was actually pretty good.

Me: That is for sure.

Qin: Lets go after them now.

Lincoln: Alright, everyone, gather around.

Lincoln pulled up a hologram of the HQ of The Brotherhood of Evil, and he zoomed in on our target.

Lincoln: Now, as we already figured out, our main target is The Brain and Monsieur Mallah, and there's also Madame Rouge, General Immortus, Psimon, Cinderblock, Overload, Plasmus, Adonis, Trident, The Puppet King, Johnny Rancid, Professor Chang, Warp, Phobia, Punk Rocket, Killer Moth, Kardiak, XL Terrestrial, Katarou, Atlas, Andre Le Blanc, Wintergreen, H.I.V.E. Headmistress, Wrestling Star, Fang, Mad Mod, Witch, Steamroller, Malchior, The Master of

Games, Ding Dong Daddy, and Bob the Shapeshifting Alien, along with clones of Gizmo, See-More, Mammoth, Private H.I.V.E., Control Freak, Mumbo, Red X, Doctor Light, Angel, Kyd Wykked, and Billy Numerous.

Lincoln: We'll definitely make sure they pay for what they've done. Now, then.

Suddenly, Lincoln's deep sapphire eyes turned crimson red and his pupils turned into slits, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his

Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where it finally ends for those bastards.

Caleb Maxwell: Let's start by chopping off your Achilles tendons!

SLASH! SCREAMS!

CALEB MAXWELL SEVERED MONSIEUR MALLAH'S ACHILLES TENDONS WITH A KNIFE AND HE SLASHED AT THE BRAIN!

The Brain: YOU HEARTLESS MONSTER! WHO DO YOU THINK YOU...?!

Suddenly, the sound of organ music plays as the skies turned a sickening blood red.

Caleb Maxwell: I've been called much worse than that: lunatic, demon, devil, psychopath, but you are right about one thing. I am a monster, one born from years of absolute pain and suffering I've had to endure at the hands of a bastard younger brother and many others who wanted me dead, and all that led to my innocent heart turning black with darkness and twisted by hatred and revenge, and my mind became twisted with insanity and madness, and I'd let it turn me from an innocent young man into a demonic twisted dark angel out for revenge!

The Brain and Monsieur Mallah were shaking in fear. Suddenly, Caleb Maxwell trapped The Brain and Monsieur Mallah in a nearby abandoned building, and he summoned a bush full of blood red roses and blood red flowers.

Brittney: Oh my God, I never figured he'd summon The Blood Roses and Blood Flowers of Hell again!

Then, he set them on fire.

Caleb Maxwell: Enjoy...!

Then, he closed the door, and we saw on the monitor of a nearby house The Brain and Monsieur Mallah starting to suffer from the plants' effects as Monsieur Mallah started coughing violently.

Caleb Maxwell: Here we go.

Finally, The Brain and Monsieur Mallah cracked.

The Brain: Please..., have mercy...!

All of TLPS and The MOE: (Thinking) Is he really serious?

Caleb Maxwell: Someone, open a window, I'm going in.

Eli opened a window as most of the toxic air went out and Earth Omega's power cleansed and purified it, and then, Caleb opened the door and went in.

Caleb Maxwell: You pathetic pieces of shit! Now, you're begging for mercy?!

We knew it was too late.

Caleb Maxwell: You have harmed too many innocent lives for the last time in your desire for world domination, and you showed zero remorse for any of your crimes. Just like many heroes, I want to make this world a better place. (Menacing Voice Almost Turning Psychotic) And everyone will be much better off without you in it!

Then, he grabbed some of the poisonous flowers and he set them on fire, and then, he shoved them right into Monsieur Mallah's face and stabbed a poisoned knife into The Brain!

Monsieur Mallah: (SCREAMS)

We saw it for ourselves: Caleb Maxwell had a psychotic smile on his face and a psychotic look in his eyes and he had blood running down from the corner of his eyes and mouth! HE WAS COMPLETELY CRAZY!

Caleb Maxwell: (Psychotic Voice) Breathe it in! Rot in Hell!

Nico: Jesus, he's gone completely mad!

Caleb Maxwell: (Psychotic Voice) I started doing this to get rid of guys like you!

Brother Blood: (SCREAMS)

Caleb Maxwell: (Psychotic Voice) That's it, squirm in pain, you filthy maggots! I love seeing asshole villains like you suffer!

Nico: And don't think you're gonna die just yet!

We grabbed The Brain and Monsieur Mallah and threw them out of the house and we let the abandoned house burn to the ground.

Henry flew at The Brain and Monsieur Mallah and he fired extremely powerful blasts of green, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, fire, flames, earth, rock, crystal, meteors, boulders, lava, heat, lions, phoenixes, and angels at them, and he also attacked them with swings of his giant mace.

Lincoln let out a growl as his deep sapphire eyes eyes with yellow rings surrounding them remain the same, along with the slit pupils, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and gold halos with second smaller halos of light above his Bracers, ankles, and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon on his bare chest glowed.

You're finally done for, The Brain and Monsieur Mallah. Time to pay!

Lincoln went wild on The Brain and Monsieur Mallah as he punched, kicked, and slashed at them like a wild beast, and he left scars on them, and I also did the same as well.

Then, Lincoln held out his left hand and fired 999 massive balls of fire at The Brain and Monsieur Mallah, and they collided and exploded as they hit them, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the

immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

KRABOOM!

IT EXPLODED IN A MASSIVE FIERY EXPLOSION OF BLUE FIRE AS IT ROSE UP INTO THE AIR AND THE EXPLOSION ALSO HIT THE BRAIN AND MONSIEUR MALLAH AND PILLARS OF BLUE FIRE ROSE FROM THE GROUND AND HIT THEM AND THEY GOT BURNED!

Then, we punched them hard in the face and kicked them in the stomach and we sent them flying into a wall, them got back up and were pissed off, and Lincoln and I fired massive elemental energy balls and beams of light at them and they really got scorched and burned.

Time to die, assholes.

Gaia was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Ann and Sarah.

Sarah Seadra: NO! We control the power! It doesn't control us!

They concentrated and reigned in the powers of their gene slammer forms!

They transformed and blasted them all over!

I fired waves of energy and blasted both Brain and Mallah all over

Brain: (to Angel) Angel? But Lincoln Loud killed you.

Angel: I'm not the one in your ranks!

Me: The ones in the M.O.E. are the real deal. You made clones of the real thing!

Alolan Persian charged at them and slashed them both with FURY SWIPES!

Me: Take that you jerkfaces!

NIco: Now, we know you have someone else with you

Me: That's right.

Then a figure came out and it was a girl with brown hair and had blue eyes and had a green jumpsuit on.

Meg Verros: (GASP) AUTUMN MAYWHO!

Autumn MayWho: That's right bitch!

Me: You know her and is she?

Mg Verros: Her name is Autumn MayWho. No relation to August MayWho from Whoville, but she is the VERY REASON why I was afraid of Christmas. She told me a HORRIBLE story about Santa and how he kills kids insteads of giving them toys and gifts and sends kids to hell! Ever since then, I was terrified of Christmas. But then I realized it was all lies and how it was Krampus the Christmas Devil that did that and not Santa and I was REALLY PISSED OFF! I exposed her story to the school and got her expelled and sent to a boarding school in Russia. Autumn vowed terrible revenge on me.

WE GASPED IN SHOCK!

Autumn MayWho: YOU RUINED MY LIFE! You got me disinherited and made into an outcast!

NIco: Is nothing sacred to you?!

Autumn MayWho: NO! AND I DON'T GIVE A FUCK!

Camie: You bitch!

Mallah: Man this girl is a piece of work.

Me: I know.

Evelyn Nicholas: I'll show you what happens to those that mess with my father!

Lincoln: Count me in!

Syd Chang: Same here!

Autumn then turned into a black version of Magmanodon! It was called ANTI-MAGMANODON!

Nico: You're going down!

Evelyn, Lincoln, Syd and Meg fired waves of energy and blasted her l over.

I fired a beam of energy and separated her. We scanned Anti-Magmanodon and banished her to the black abyss.

They went Over to her and cracked thier knuckles.

Autumn MayWho: (Nervous Chuckle)

POW!

Meg punched her in her face and knocked her out.

We slapped the cuffs on her.

Me: She'll be perfect for the Bespin Prison.

Nico: Out of the 3 who helped you, who do you feel is your sibling?

Meg: I pick Evelyn and Syd. We love Christmas.

Evelyn Nicholas: You are a good girl Meg. Father would be proud of you.

Syd: That's right.

Red Ghost (to Mallah): My Super Apes are stronger then you

He had them punch and smash them all over.

Brain: Time to prove you are as evil as me.

KRABLAM!

They punched both Brain and Mallah down!

Me: Nice one

Mumbo Jumbo: (sees his dead clone) Talk about seeing your own grave.

Me: I know.

Grizzly: Confusing, isn't it?

Me: Yeah.

Grizzly: Good thing we know who's who.

They showed the M.O.E. Symbol on them.

Me: That sets them apart.

Salami Swami: (to Nico) We heard you fought Rouge nad Immortus.

Nico: We sure did.

Machinedramon: (to Sasuke) You should take care of that Bronzong.

Sasuke: I will.

?: Cool!

A figure came and it was VENOMA from episode 11 of Ninja Steel!

After slaying Wolvermean, Odius calls Venoma and tells her to use her special powers on the Rangers. When she requests if it is necessary, Odius answers her that she has destroyed Wolvermean after he disappointed her and asks if she wants to know the same fate. Venoma accepts and requests at her mistress if she takes all the Power Stars she can leave with her medallion which has survived Foxatron's destruction. Odius says her that if she succeeds in her mission she will be free. Venoma commits to retaliate Galaxy Warriors' reputation and goes to Earth.

She tries to cast a love spell on Sandy but one of her books protect her. However, she succeeds in infecting Brody, Calvin, and Levi who fall in love with her. But Preston, who was wearing a metal armor underneath his clothes, resists the love arrow's effect and destroy the last love arrow to free his friends and destroys Venoma after a fierce battle, his Blue Tornado Strike proving more effective than her Venom Slash.

Cosmo gigantifies Venoma and she was about to kill Preston before the others arrived in the Blaze Zords. She was overpowered by the Falcon Zord's Wing Strike before Preston summoned his Serpent Zord and they formed the Ninja Blaze Megazord. Venoma tries to "wrestle them to the ground" but they throw her off and take her down with the Serpent Punch. Brody called for the final attack and Venoma was destroyed once and for all by the Ranger Blast

---

Brody: Venoma!

Venoma: Been a while rangers.

Me: I remember you! You used a love spell and had the boys of the rangers fall in love with you! Preston was the only one immune because of his armor.

Me: Thanks.

Venoma: I'm also one of the Galactic Ninjas

Me: I remember!

Qin: That was cool!

You walk the path of a coward creeping your way through the dark, that's a lonely path, and it's one that will follow you into death. Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your crimes have come back to haunt you at long last, Scion, and now, this is where you meet your end.

Lincoln, Cianna Malefic, Super Brother, Nico, and I went after Scion, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Scion, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and wolf claws and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Cianna Malefic did the same by firing black and red, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Cianna Malefic, Super Brother, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our immense massive godly superhuman strength, and this was really pissing Scion off.

Suddenly, Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and four massive halos of rainbow energy with intricate designs formed behind him and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit Scion and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Scion, and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 3,800'11" massive, wide, double-edged gold blade of his massive greatsword.

RRGH! (WOLF ROAR)

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, Scion began growing weaker as all his powers were being sucked out of him one at a time and was pumped into Lincoln, and he roared in pain.

Then, when Lincoln was done and the stingers changed back, nothing was left of Scion, and Lincoln sucked out all of the remaining energy in Scion and banished Scion to The Black Abyss and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and Cianna Malefic's new body, clothes, weapons, jewelry, Third Eye, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long golden yellow wolf tails, large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold crescent moon ring-shaped frame around it with embedded red gems behind the gold halo with four large orbiting gold rings on each corner and four large Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold crescent moon ring-shaped frames around them with embedded red gems behind the gold rings behind her head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large black and red planets orbiting around her legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller black and red planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and red planets orbiting around her wrists and ankles, and enormous black angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large black angel wings underneath her enormous black angel wings are permanent.

Cianna Malefic: This where it ends for you, Scion, and this is goodbye and good riddance. Thanks for helping me get rid of Necron, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Cianna.

Me and Nico: Our pleasure, Cianna.

Suddenly, Cianna Malefic wrapped her arms around Lincoln's waist as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Cianna Malefic's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Cianna Malefic sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: And that's it for Scion, serves him right.

Me: Scion got what he deserved in the end. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Ice Barrier Frost Masters of Loyalty and General Raiho of the Ice Barrier appear in the sky.

Lincoln: (GASPS) The symbol of The Ice Barrier and General Raiho of the Ice Barrier!

Me: Who would fit that?

Amihan Frostine: That would be Edurne Frostine, Avatar and Gene-Slammer of General Raiho of the Ice Barrier, and you guys are gonna like meeting her and she's from the past of Leela and Peace Salyers, Edurne Frostine, Avatar and Gene-Slammer of General Raiho of the Ice Barrier, is Lincoln's Guardian Angel from New York, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of General Raiho of the Ice Barrier. She's The Ice General of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Edurne Frostine moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of General Raiho of the Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of General Raiho of the Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and Edurne Frostine is also an old friend and classmate of Leela and Peace Salyers, and they frequently hung out at the diner after school, and they've had the same challenges any high school has gone through, and in some of their hangouts at the diner after high school, usually they are not alone, they've also seen Allie Maxwell in the diner as well, and Leela and Peace had seen her in class before, but they'd also heard from their classmates of the tales of the dark tragedies that befell Allie's elder brother, Caleb Maxwell, back in the 1980s, but many of their classmates were the students of LaGuardia High School who hadn't gotten turned into vampires and killed in The LaGuardia Bloodbath in 1984, and many of them still spat hatred at Caleb Maxwell even to this day. But, their arrogance was shattered when a dark shadow showed up and terrorized those bastards and made the other students see the horrors of the living Hell Caleb went through. After that, those who'd the truth of Allie's elder brother still treated her as a friend, but as for the surviving LaGuardia High students who'd made Caleb's life a living Hell from 1980 to 1984, their social circles were destroyed, and when this reached the principal, they were immediately expelled, and their parents and relatives cut all ties with them, and Edurne knew who that dark shadow was that did that: Allie's elder brother, Caleb Maxwell, and she found out that after his resurrection, a fragment of his dark shadow was placed there and that dark shadow made sure to keep his enemies in a state of fear.

WE GASPED!

Allie Maxwell: I remembered Leela and Peace with Edurne at the diner after school.

Leela Salyers: We'd hung out many times before after school, and we talked about our day.

Peace Salyers: And we may have heard about the tales of the dark tragedies that befell Allie's elder brother, Caleb Maxwell, back in the 1980s, but we didn't know that those classmates who told us of that were the students of LaGuardia High School who hadn't gotten turned into vampires and killed in The LaGuardia Bloodbath in 1984, and many of them still spat hatred at Caleb.

Jack Howard: But, then, when we got the report of what happened, the other students thought that it was Caleb's ghost that did this.

Cage Blunt: But, it wasn't, it was a fragment of his dark shadow that was placed there after he came back from the dead in 1993, and when he returned to New York three years later, the dark shadow had vanished.

Roxy Drake: And Caleb would take over where his shadow had left off.

Beast Boy: Check it out, guys. A gorilla kabob!

We all groaned.

Except for me! I laughed!

Selma: Seriously?!

Golden Glider: That was lame!

Me: (LAUGHS) Oh come on guys! I thought that was really funny!

Zzzax: But either way, the Brotherhood of Evil is finished.

Me: Good fucking riddance! Except Ding Dong Daddy got away.

Skulker: We'll get Ding Dong Daddy another time.

Toad: How should we celebrate?

Beast Boy: I'm paying for pizza this time!

Professor XXXL: I'll add some snow cones.

Cyborg: Will the pizza have meat in it?

Beast Boy: Nope. All Tofu!

Cyborg fell to his knees.

Cyborg: (to the sky) NOOOOOOOO!

Me: NOw now Cyborg, Beast Boy can have Tofu and the rest of us can have what we like.

Cyborg: Oh. Good enough for me.

Lola: Yep.

Nico: Great job guys! Man what a battle!

Me: I'll say!

Beast Boy: (To the viewers) Boy what a battle guys! Hope you liked it.

Me: Yeah!

We went to the pizza restaurant and had good pizza.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We finally did it, we got rid of The Brain and Monsieur Mallah.

Anna Anyanova: You said it, with that, The Brotherhood of Evil is no more. But, there are still some remnants we need to take care of.

?: (Beastly Gruff Manlier Voice) You said it, but we'll be ready for them.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in the hot waters, but they also saw his towel was on the rack along with his orange speedo, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Girl Jordan: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fessterox's Perfect Gene-Slammer serum and Perfect God serum and Savage Serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his towel around his waist about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

For Lincoln's rescue tomorrow, Lincoln and his group and all of TLPS and The MOE are heading to Disney Castle and we're going to meet up with Emily Munroe's older brother, his name is Michael Munroe, and like Emily, he's also The Defender of The World of Disney, he was born with enormous angel wings, excessive tons of godly superhuman strength, excessive tons of godly superhuman speed, excessive tons of godly superhuman agility, excessive tons of godly superhuman reflexes, excessive tons of godly superhuman durability, excessive tons of godly superhuman endurance, immense regeneration, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, Cosmic Photokinesis, and the powers of light, magic, and solar fire, and as Defender of The World of Disney, it was his responsibility to defend the Disney heroes and keep the villains in line, but he knew Maleficent and her gang of irredeemable Disney villains plotted to plunge the worlds into darkness, so fifteen years ago, he had all of them banished to The Realm of Darkness never to return, or so he thought. But, he got the news that Maleficent and Oogie Boogie are gone for good along with several other irredeemable Disney villains, and many of the others were put in The M.O.E., and he called us to the castle for a reason, we're going after the next evil undead Akuma from Super Brother's world.

His name is Demon Cheapskate, the evil undead Akuma of Flip from Super Brother's world, he's a greedy, murderous, good-for-nothing cheapskate who only cares about one thing: getting rich and ruining the lives of innocent people for his own financial gain. He was created after he was resurrected by Lord Demonblood after Flip from Super Brother's world was killed by Super Brother himself after his scheme to defraud the federal and state government was foiled, and he wants revenge on Team Loud Akuma Angel Storm, and now, we got word he's doing his scams again and right in the town, we're gonna take him down and plunge another Dagger of St. Michael into his mutated heart and send him to The Black Abyss forever!

And we're going to meet Edurne Frostine, Avatar and Gene-Slammer of General Raiho of the Ice Barrier, she's Lincoln's Guardian Angel from New York, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of General Raiho of the Ice Barrier. She's The Ice General of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Edurne Frostine moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of General Raiho of the Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of General Raiho of the Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and Edurne Frostine is also an old friend and classmate of Leela and Peace Salyers, and they frequently hung out at the diner after school, and they've had the same challenges any high school has gone through, and in some of their hangouts at the diner after high school, usually they are not alone, they've also seen Allie Maxwell in the diner as well, and Leela and Peace had seen her in class before, but they'd also heard from their classmates of the tales of the dark tragedies that befell Allie's elder brother, Caleb Maxwell, back in the 1980s, but many of their classmates were the students of LaGuardia High School who hadn't gotten turned into vampires and killed in The LaGuardia Bloodbath in 1984, and many of them still spat hatred at Caleb Maxwell even to this day. But, their arrogance was shattered when a dark shadow showed up and terrorized those bastards and made the other students see the horrors of the living Hell Caleb went through. After that, those who'd seen the truth of Allie's elder brother still treated her as a friend, but as for the surviving LaGuardia High students who'd made Caleb's life a living Hell from 1980 to 1984, their social circles were destroyed, and when this reached the principal, they were immediately expelled, and their parents and relatives cut all ties with them, and Edurne knew who that dark shadow was that did that: Allie's elder brother, Caleb Maxwell, and she found out that after his resurrection, a fragment of his dark shadow was placed there and that dark shadow made sure to keep his enemies in a state of fear.

the next chapter is going to be intense! The fate of the universe hangs in the balance as Trigon comes back for revenge! And we're going to battle him on an Alternate Earth.

See you all next time

ARMAGEDDON OF TRIGON 2

The sequel of Chapter 1291 from Loud House Revamped.

TRIGON IS BACK FOR REVENGE

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a vast, wild world of galloping plains, enchanted battlefields, and celestial stampedes, and protected by a race of powerful omnipotent centaur warrior angels who'd spent their lives fighting, and the males proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters born for strength and war, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers over all beasts of the plains, divine wind, war cries that shattered mountains, the speed of the thundering stampede times infinity, divine hooves that shook the earth, lightning gallops, stampede shockwaves, solar-charged spears, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility.

Lincoln woke up.

Lincoln: Holy moly, what on Earth Omega was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was Centauraira, a vast, wild world of galloping plains, enchanted battlefields, and celestial stampedes and protected by The Centaurairans, they're a race of powerful omnipotent centaur warrior angels who'd spent their lives fighting, and the males proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters born for strength and war, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers over all beasts of the plains, divine wind, war cries that shattered mountains, the speed of the thundering stampede times infinity, divine hooves that shook the earth, lightning gallops, stampede shockwaves, solar-charged spears, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility.

Lincoln: I haven't been back to Centauraira in eight years, and that place was really intense.

Lincoln got up and got dressed, and he left a note explaining it, and he headed to Centauraira.

Lincoln landed on Planet Centauraira, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: I'm back on Planet Centauraira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as intense as ever.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw an extremely strong-looking male centaur who's really tall at 950'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a green sun and moon on his chest, he has long brown hair going down to his shoulders, green eyes, massive brown angel wings, and he has on a brown loincloth, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Valen Centauraira, King of The Centaurairans of Planet Centauraira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?

Lincoln: I do, he's the father of my Guardian Angel, Valthera Centauraira, the Queen of the Centaurairans of Planet Centauraira.

Then, Lincoln's eyes were covered, but...!

Lincoln: (Smells the scent of an aphrodisiac perfume) And I know the scent of wild flowers mixed with wild herbs from anywhere.

?: That nose of yours always gives me away.

Suddenly, Lincoln's eyes were uncovered and as he turned around, Lincoln saw a beautiful female centaur who was tall at 390'11" in height, she has the strong physique and voluptuous upper body of a female goddess and large breasts and the lower body of a white horse, long silky dark brown hair, brown eyes, immense glorious angel wings and divine hooves that shook the earth, and she has on a bra, and she had a spear in hand and bow slung on her back.

Lincoln: (Smirks) I knew that was you, Valthera Centauraira, Queen of The Centaurairans of Planet Centauraira.

Then, all of the other Googol of Vigintillions of male Centaurairans came to Lincoln.

Valen Centauraira: That's correct, and this was something Valthera wanted to do. (Smiles) And just as we saw, you've indeed grown that much stronger and much taller, you're now as tall as me, and you're also even more buffer and muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln: Yes, that's indeed correct, sir. Plus, there's something I also need to give back.

Lincoln got out The Heartforge of Hoofglory.

Valthera Centauraira: The Heartforge of Hoofglory, you found it.

Valen Centauraira: It was after you absorbed Arpina's former people, their planet and core, and raging red sun. I knew this was your doing.

Lincoln: Yes, I was the one who ended The Infernairans and avenged all those lives lost due to them, and there's something I need to tell you.

Valen Centauraira: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Valen Centauraira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Valen Centauraira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Valen Centauraira and the other Googol of Vigintillions of male Centaurairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers over all beasts of the plains, divine wind, war cries that shattered mountains, the speed of the thundering stampede times infinity, divine hooves that shook the earth, lightning gallops, stampede shockwaves, solar-charged spears, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold

halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH! (WOLF ROAR)

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a green aura with sunlight and lightning bolts and Centaurs surrounding him and overflowing with such infinite primal power and ferocity as he pounded his chest like a gorilla.

Lincoln: Whoa...! (GROWLS) This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Valen Centauraira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Valthera Centauraira: But, before he absorbs our planet, the heart of the plains, Centauraira's core, and Centauraira's Sun into his body, it's been two years since we last had an intimate moment.

Suddenly, Valthera Centauraira went up to Lincoln and she placed her hands on his massive hairy pecs and he sat on the ground and they kissed with an intense passion and he wrapped his arms around her waist and he deepened the kiss even more: they were engaging in a heated and intense make-out session as they kissed deeply and passionately, and Valthera also kissed Lincoln on the right trapezius, and when she slowly removed her lips and licked the love mark, it glowed with intense light and Lincoln was also glowing as his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails were wagging.

Lincoln: (GROWLS)(Smirks) It's been a while since you last left any love marks on me. Now, it's my turn.

Then, Lincoln wrapped his massive muscular arms tighter around Valthera Centauraira's waist and he leaned his head down to her face and kissed her again on the lips with intense passion which she returned as she still had her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and

rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Valthera Centauraira with green gems on the gold lightning bolts and green crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

He then helped her up and he kept her close to his body as she took the time to rub his massive muscles and massive hairy pecs.

Suddenly, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Suddenly, Lincoln's deep sapphire eyes turned neon glowing green along with the visible veins on his upper and lower body, and then...!

Lincoln: (GROWLS)(WOLF ROAR)

RIPS!

The sudden surge of power caused Lincoln's white shorts and loincloth to tear to shreds leaving him in the nude, but it led to Valthera Centauraira to pounce on Lincoln, and they had an intense and deep lovemaking fest which ended hours later with Lincoln letting out a loud roar of dominance, and Valthera Centauraira sleeping and feeling pleasured.

Valthera Centauraira: (In Heaven) What...a...primal...virile, and manly beast you've become.

Lincoln's white and gold trimmed shorts reappeared and his orange loincloth reappeared around his waist and he beamed Valthera Centauraira to his room and he flew deeper and deeper into the planet, and he found it: the heart of the plains, the core of Centauraira, the inner and outer core of the planet consisted primarily of iron and nickel and are extremely infernally hot with a temperature at more than 1,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat., and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Centauraira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself and its World Tree into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his

Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH! (WOLF ROAR)

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Centauraira's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped

frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH! (WOLF ROAR)

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And

you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln, his harem, and his kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: This was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Centauraira, a vast, wild world of galloping plains, enchanted battlefields, and celestial stampedes and protected by The Centaurairans, a race of powerful omnipotent centaur warrior angels who'd spent their lives fighting, and the males proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters born for strength and war, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers over all beasts of the plains, divine wind, war cries that shattered mountains, the speed of the thundering stampede times infinity, divine hooves that shook the earth, lightning gallops, stampede shockwaves, solar-charged spears, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility.

He finished and returned the book to Lincoln's room.

Me: Whoa! A planet based on the legends of The Centaur from Greek myth?! Intense!

Nico: You said it. I heard legends about Centauraira, their people were born for strength and war, and no one could defeat them in combat and their divine hooves shook The Earth like roars of thunder rolling through the land. The Saiyans once fought the Centaurairans on many occasions, but we heard the legends of their Queen, and she hates it when someone of pure evil desecrates their sacred war plains, but they welcome those brave enough to challenge them in battle.

Just then, we saw Valthera Centauraira enter and she sat with Lincoln.

Me: And who's the female Centaur?

Anna Anyanova: This is the very person Nico mentioned, this is Valthera Centauraira, Queen of the Centaurairans of Planet Centauraira, she's Lincoln's Guardian Angel from Planet Centauraira, a vast, wild world of galloping plains, enchanted battlefields, and celestial stampedes in The Forbidden Zone. She was the Queen of the proud Centaurairans who ruled the legendary plains of Centauraira, and she was far more powerful than her own people: in addition to being a natural-born warrior, unmatched archer, and storm-charger, she possessed immense power over all beasts of the plains, divine wind, war cries that shattered mountains, and the speed of the thundering stampede times infinity. She also had the ability to grow even stronger with every battle. Born with glorious angel wings on her back and divine hooves that shook the earth, Valthera wielded control over lightning gallops, stampede shockwaves, and solar-charged spears. She also was born with omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity. She left her homeland when the Infernairans desecrated the sacred war plains and stole The Heartforge of Hoofglory. She swore to return and trample their empire into dust. Valthera Centauraira came to Earth and Royal Woods where she met Lincoln, and she swore to protect him from his enemies. She trained Lincoln in the way of the plains: gallop combat, ranged storm-fighting, war tactics, and beast mastery. Over time, Lincoln gained omnipotent power and the stampeding might of Centauraira: the powers of celestial speed, divine muscle, beast bond, battle instinct, and the war god's thunder itself. He was already born with immortality and invincibility, and she also knew Lincoln's a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one. More than once, she'd kissed him on the lips and made out many times, and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him grow and bulk up even more in muscle mass and taught him battle honor, wild strategy, and the stampede's fury. Valthera also gifted him with the power to grow even stronger, along with sacred strength from the centaur war deities her people worshipped which also granted Lincoln infinite levels of virility and raw strength that shook the stars. She knew Lincoln absorbed the Googol of Vigintillions of her people, The Centaurairans, the heart of the plains, her planet's core, and even Centauraira's Sun to preserve their legacy, and she swore to forever thank him, and Lincoln also found The Heartforge of Hoofglory, the very thing The Infernairans stole, and he intends to give that back to her. Lincoln crafted her a thunder-spear etched with ancient hoof-runes, and to show her thanks, she kissed Lincoln passionately on the lips, which he returned with primal intensity. As a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she despises Lincoln's enemies and swore to crush them beneath a divine stampede powered by Centauraira's wrath.

Nico: The only Centaurairan Lincoln knows all too well, but why is she looking like she had...! Oh boy...! You didn't?!

Anna Anyanova: She did, and last night after Lincoln absorbed the Googol of Vigintillions of male Centaurairans including her father into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers over all beasts of the plains, divine wind, war cries that shattered mountains, the speed of the thundering stampede times infinity, divine hooves that shook the earth, lightning gallops, stampede shockwaves, solar-charged spears, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility.

Lincoln and Lori: Anna...!

Lori: Still, usually she'd be waiting at The World Tree Estate after we come back from your rescue.

Lincoln: No, that wasn't the case. She was waiting on her planet, and I knew the scent of her perfume.

Valthera Centauraira: All that hard training I'd put you through really sharpened you into the very warrior you've become and even going to my planet also helped greatly, and we also had known Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever, and last night, after he fed on my blood and marked me, he gained Centauraira's Blessing of Divine Centaur Warrior Power Justice, and each Forbidden Zone Planet Queen have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 950'11" extremely tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs with enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Valthera Centauraira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well, not to mention you were quite the wild untamed beast last night.

Caleb Maxwell, Allie Maxwell, Tyler Maxwell, Alexander Maxwell, Marlene Maxwell, and The NYPD Nightshift: Get a room, you two!

Raven woke up to see Corvisquire staring at her

Raven: Oh morning Corvisquire.

Corvisquire: Good morning Raven. Time for breakfast.

Raven: Be right down.

She went and got dressed and went to the table.

Me: Morning Rachel. Ready for your day?

Raven: I sure am.

We gave her pancakes and sausages

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it in the center and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was mutant-hating racist William Stryker, and he's causing havoc at the X-Men mansion.

Wolverine: Oh Hell no, Stryker's at it again?!

Me: William Stryker, that mutant-hating racist is at it again!?

Lincoln: He is, and I also sensed it: he also hates humans who support mutants as well, and I have a feeling he's gonna do a Kurata-style breakdown!

Max Goof: Second he starts screaming like Kurata, I'll put a mark of eternal damnation on him, and it won't be with a Keyblade. Anyone got a branding iron with inverted cross?

Luan got one out.

Me: Nothing wrong with leaving our mark on him, but he is going to prison.

Nico: We'll have him thrown in Trask's old cell.

Lincoln: Since we sent Trask to The Black Abyss, that's a perfect idea. Alright, now let's finish breakfast and head to the mansion, William Stryker's looking at spending the rest of his life in a prison cell.

Nico: Time to tear that stupid racist limb from limb.

We finished breakfast and we headed to the X-Men mansion to help Eli unlock his Rainbow Power and send William Stryker to prison.

Storm: It sure does.

Camie: So many awesome people here.

Varie: There sure are.

Me: So many awesome kids too with so much potential to be like us.

Lola: I agree there.

Me: And if anyone that hates mutants tells them otherwise they can go fuck themselves. Mutants are people too.

Ymir: I agree.

Nico: Time Man, I want to thank you, SHS Kang, and your teams for coming

Time Man: You're welcome Nico and this will be fun.

Me: It sure will.

Fiona Fu: I'm ready too.

Nico: Fiona, what do you like to do in your free time?

Fiona Fu: I teach at the zoo all about butterflies on weekdays. On Weekends I work on my skills and make new techniques and skills with Fu and sisters.

Fu: It's a huge job and all that.

Varie: Wow.

Lola: Well worth it.

Fiona Fu: It puts cheese on the table.

Nico: That's a good job to have

Fiona Fu: It sure is.

Qin: Yep.

Eli: It's fun.

Qin: Yeah.

Beast Boy: I'm so happy that the Brotherhood of Evil is destroyed.

Me: Me too.

Varie: That was intense.

Laney: No kidding.

Beast Boy: And we made a gorilla kabob!

All of us groaned at that.

I LAUGHED AT HIS JOKE!

Wolverine: Bub...please. Stop

Me: Come on guys! That was a good one.

Nico: But we all got rid of them no matter one.

Raven: We sure did and I'm glad we never have to deal with the Brotherhood again.

Me: I would call that a dark chapter in your Superhero careers closed forever.

Robin: Except Ding Dong Daddy escaped.

Me: And we're going to face him later on.

Lola: Yep.

Kole: But we're ready for him.

Qin: We sure are.

Gira: A majority of them weren't faced by you guys until yesterday

Me: I know! Many of them we really overlooked.

Camie: That really makes up for it.

Lola: It sure does.

Varie: That was fun though.

Beast Boy: And my Akuma was really funny! I looked like George and was just as funny.

Nico: He threw coconuts at me!

Poromon: He wasn't that tough

Qin: But he was sitll funny!

Lola: He sure was.

Nico: Yeah!

Me: Boy Charles, I forgot how huge the mansion is.

Professor X: (British Accent) I know. I missed this place.

Qin: I can tell.

We went into the kitchen and it was undergoing renovation.

Me: Looks like the kitchen is getting worked on.

Poromon found beer in the fridge

Poromon: Ooh a beer!

Me: I think that's Remy's.

Gambit: Yeah that's mine sorry.

Poromon: Aw man.

Quicksilver: No worries though. We'll get a beer later. I'm glad this whole place is doing great.

Me: We are too.

We saw the Danger Room.

Wolverine: The Danger Room's still active too

Me: I don't think we've been here before Logan. And this place is like the Simulator.

Iron Man: And like our simulator in the Avengers Tower.

Me: It sure feels like it.

SMASH!

We then saw a Whale Shark Girl smashing the Juggernaut into the ground! She had orange shorts and shoes!

Juggernaut: Don't you know who I am? I'm the Juggernaut bitch!

She grabbed him and punched him and smashed him into the ground!

Me: WHOA! Nice one!

Jillian Scott: Hey Freddie! Good to see you here. Guys meet Freddie Randall. She goes as Shellshocka. She's half Whale Shark and is the heavy tank of the team.

Me: Pleasure to meet you Freddie.

Freddie nodded.

Jillian Scott: Freddie doesn't talk much. She lets her fists do the talking.

Me: I see. But you smashed Juggernaut into the ground. It wasn't the real thing but good job.

Freddie: Thank you

Me: You're welcome Freddie.

Iceman: Freddie came to us a while back and wanted to hang out here till her teammates found her.

Me: I see. What were you doing when you got gene-slammed?

Freddie: I was working in the gym.

Freddie was a girl with blond hair and orange eyes and she was lifting weights. She put REALLY HEAVY WEIGHTS ON! Then she injected herself with Whale Shark DNA and it was PAINFUL! She turned into Shellshocka! She then lifted up over 5,000 pounds with ease!

FLASHBACK ENDS

Me: WHOA! That is impressive weight.

Lincoln: We lift up real mountains when we work out.

Laney: It's true.

Nico: Yep.

Me: Would you like to revert back. You can change at will.

Freddie: (Nods)

Jillian Scott: She would like that.

Poromon: And your hobbies?

Jillian Scott: Freddie likes building model airplanes. Does a lot to pass the time:

Qin: Wow that is cool.

Me: Lets revert you back.

I put on my blind man glasses.

Nicole: EYES TO YOURSELVES PERVERTS!

Me: Yep. It's gonna hurt.

She nodded as her way of saying she can handle it.

I snapped my fingers and she doubled over in pain and then she reverted back. She had blonde hair and orange eyes and had a Whale Shark on her forehead and on her arm.

We wrapped her in a blanket and brought her over and her orange shorts and shoes fell off as they were stretched and too big for her.

Me: Your clothes are too big for you.

Jillian Scott: They sure are.

Freddie: I know.

I showed a mirror and she was amazed that she was back to normal.

Freddie: I'm normal.

Me: Yep you sure are.

Nico: (sighs) Defintely the strong and silent type, huh?

Freddie: Don't take it personally

Wendy Marvell: That's like how Lexaeus does it himself.

Me: Long story.

Rarity: Lets get you some new clothes darling.

The Fashion brigade gave her orange sports clothes and a powerful warhammer.

She held up a thumbs up.

Jillian Scott: She loves her new outfit.

Me: Yep.

Freddie gasped and we saw her sprout brown angel wings!

Me: Your wings came in.

She saw them and was amazed.

Freddie: Nice.

Me: Glad you like it

Lincoln: Okay, guys, we are in for one fierce battle, we're here at the X-Men mansion to help Eli unlock his Rainbow Power and send William Stryker to prison.

Me: Even after what we'd done, that racist still wants to spread his hatred all over!

Nico: He should consider himself lucky we're not gonna kill him.

Me: He obviously has no idea that humans and mutants no longer hate each other.

Nico: Yeah but he probably won't care.

Eli: Those two, I don't understand why they have to be violent, and Caleb's back to being violent.

Jack heard a Pokemon cry

Jack: Hey look!

We saw a Growlithe and a Boltund.

Me: Cool a Growlithe and a Boltund.

Connie Morgan: Awesome. Looks like Growlie is going to have a playmate.

James: Yes he sure is.

Me: Yep.

Growlithe: This place is amazing.

Boltund: It sure is.

Jack gave them apples.

Growlithe: Thanks.

Boltund: Yeah.

They ate them.

Jack Landors: You're welcome. Want to come with me?

They nodded in agreement.

Me: Awesome. And many of us have more than one mascot. So no harm in more of us having more than one.

Boltund: I get to be Jack's main one though.

Deadpool: Because the author's buddy was convinced after a reasonable argument.

Jamesdean5842: You heard right on that.

Me: Yep.

But then...

SPLAT!

Nico got squirted in his face with ink!

Nico: HEY! Horsea!

Horsea: It wasn't me!

Qin: I think that did it! Look!

We saw a Kingdra!

Me: Whoa a Kingdra!

Future Maria: Like my Kingdra!

Horsea: One of my kind!

Maria: The 3rd form of you Horsea.

Sheena: And this one is a girl Magma knows. Aria Lorelai and she goes by Oceana.

Magma (X-Men): Oh my! My friend Aria! She is a water master.

Me: That is cool Amara! Lets go help her.

We went over.

Magma (X-Men): Aria it's okay.

Horsea hopped over to her

Horsea: Horsea Hor...

Kingdra nuzzled her head.

Me: Aww. So cute.

Magma (X-Men): So awesome.

Qin: Yep.

I snapped my fingers and she reverted back. She was a girl with blue hair and blue eyes and had blue angel wings. She had Kingdra on her forehead and had an Ocean Wave with the X-Men symbol on it on her arm as a cutie mark.

We wrapped her in a blanket and brought her over.

She woke up to see Horsea cuddling up to her

Aria Lorelai: (Groans) Huh? (Sees Horsea) Aww hey there.

Horsea: You are one of my kind.

Magma (X-Men): Aria are you okay?

Aria Lorelai: Amara!

They hugged.

Aria Lorelai: What happened?

Me: You were turned into a Kingdra by Dark Gale.

Aria Lorelai: Oh man! That explains why Horsea here likes me. Also I was fighting Deathbird when it happened.

Me: Cal'syee Neramani A.K.A. Deathbird? Oh man. I can't remember if we met her before?

Nico: I don't think we did.

Qin: Yeah.

Nico: Oh and William Stryker's on his way

Aria Lorelai: Oh man! Got to put up with him.

Me: Well you don't have to worry. Humans and Mutants no longer hate each other. And you have me to thank for it.

Aria Lorelai: Oh wow. I heard about that.

Xenia: Yep.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new blue clothes and a water sword.

Aria Lorelai: I look great!

Me: You sure do.

Wolverine smelled something coming.

Wolverine: I smell soldiers coming this way

Me: Lets get him.

Lincoln: (Sensed for William Stryker) AHA! Gotcha, you violent racist! I just spotted William Stryker, he's 20 yards away, and he's already causing havoc!

Caleb Maxwell: Tyler, Alexander, Allie, come on! Let's tear that racist asshole apart and leave him bleeding on the grounds of the mansion!

Tyler Maxwell, Allie Maxwell, and Alexander Maxwell: TIME TO DIE, ASSHOLE!

They flew after William Stryker!

Ataru Moroboshi: Not again! Hey, bastards! You're gonna get it when we get after you!

Lincoln: Calm down, Ataru. That'll be left to Setsuna, Shiki, and Tamaki to restrain Caleb, Tyler, Alexander, and Allie, and we know this always happens when those four get violent. In any case, let's get going to take down William Stryker.

William Stryker: YOU FILTHY MUTANT-LOVERS! HOW DARE YOU GET IN MY WAY! I WILL KILL YOU AND EVERY LAST MUTANT IN THIS WORLD! HUMANS WILL REMAIN THE DOMINANT SPECIES ON EARTH!

Me: OH, SHUT THE FUCK UP ALREADY, STRYKER!

POW!

I PUNCHED HIM HARD IN THE FACE!

Wolverine: Nice one!

William Stryker: It really has been a long time, Wolverine. How exactly long has it been? Fifteen years or more? You haven't changed one bit. Me, on the other hand-nature.

Wolverine: But I have better friends than you.

I went over to him

I grabbed his shirt!

Me: YOU LISTEN TO ME YOU MUTANT HATING PARASITE! If there's one thing I can't stand, it's a mutant-hating racist and an absolute fucked-up supremacist like you! Plus, you're also a murderer! You murdered your own baby and your wife, Marcy Stryker!

Caleb Maxwell: WHAT THE?!

Me: That's right! He killed his own son because he was a mutant! And he killed Marcy Stryker because she gave birth to him! You make me fucking sick Stryker! You need to wake up and realize that Human and Mutants no longer hate each other! They are working together! And mutants are people too! Just like you and me!

Lincoln: What exactly did mutants ever do to you, Stryker?!

Stryker: (chuckles) You really think it's gonna be easy to get the truth out of me?

Luan got out her microphone...only for it to be shot out of her hands.

Luan: Who did that?!

Eli caught it.

Outside, Agent Zero was aiming at us from behind a tree

Agent Zero: Like shooting fish in a barrel

I saw him.

Me: David North A.K.A. Agent Zero. I had a feeling Stryker wouldn't be alone.

Agent Zero: Nice to finally meet you J.D. Your reputation has made quite a name for itself.

Me: Tell me something I don't know. Nice shot there.

Agent Zero: Thank you.

Wonder Woman used her Lasso of Truth and got the truth out of him!

Me: Tell us the truth!

He sang like a bird! What he didn't know was that there were viewing windows over all of the cities of the world and how they were showing and telling everyone what he was saying!

Luan got out another recorder...only for Agent Zero to shoot it out of her hands too.

But what he didn't know was that he was shooting at an illusion.

Stryker: Having trouble, aren't you? Well, since you're all going to die here, I might as well tell you. Yes, I want to have mutants dealt with. And anyone supporting them.

Iceman: And what exactly do you plan to do afterwards?

Stryker: Maybe I'll build a space station to carry out my other plans. Maybe I'll continue the Sentinel project. Maybe I'll build an amusement park covering up my schemes. Or maybe this will be enough. Full disclosure? You all won't live to see it!

What he didn't know was that EVERYONE heard him say that through viewing windows and portholes I put above him.

Me: (Smirks) Thank you for telling us

Stryker: Huh?

I pointed to the windows and he gasped and they saw them.

BUSTED!

Nico: An amusement park?

Stryker: Okay, maybe that one was at the bottom of the list. But the Sentinel thing was at the top!

Me: Well newsflash bub. You don't know this but humans and mutants no longer hate each other. And you have me to thank for that!

Stryker: WHAT!?

Me: That's right! Humans and Mutants are friends and they are great and amazing when they work together! They do great things together! And they no longer hate each other! I gave everyone a great speech by showing them my powers and how we all can do great things by working together regardless of how people can be different. Mutants are people too just like you and me. And if you can't see that then you can go fuck yourself! But you on the other hand, you're nothing but a COLD BLOODED MURDERER and you have no right to call yourself a human! You are nothing more than a monster that deserves to burn in hell!

Nico: But you're not worth it. So instead, you get to spend the rest of your life in jail!

Me: And you can join your fuckbuddy Bolivar Trask in hell when you see him! He died after a failed escape attempt in the Neptune Prison when fell into the clouds of Neptune. Nothing left of him because of Neptune having the fastest ever winds in the Solar System. And also I destroyed all those accursed Sentinels!

Stryker: YOU MUTANT LOVING JERKS!

POW!

SMASH!

I punched him so hard that he went flying and smashed through the window and crashed into the tree Agent Zero was in!

SMASH!

Agent Zero: WHOA! LOOK OUT BELOW!

SMASH!

He fell off and smashed onto him!

Poromon was about to drink a beer bottle but Agent Zero shot it out of his hands

The beer flew out and smashed onto Stryker:

SMASH!

Me: Nice shot!

Poromon: HEY! THAT WAS MINE! (Echoing) LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted them both!

Poromon: You don't get between a Digimon and his beer!

Agent Zero: Geez, you drink almost as much as Logan!

Eli: He's about to use the fire elemental variant of The Atavism of The White Wolf of Amaterasu!

Lincoln: (Speaking in Japanese) 夏の炎と天空の炎に呼びかけ、この忌まわしき悪を討ち滅ぼし、永遠の破滅の地へと送り届けよ！祝福された者たちの魂よ、蘇り、強大な狼の姿を取り、罪人たちに永遠の罰を与え、冥界の闇へと永遠に堕ちさせよ！　我が歌に天の審判を授け、この忌まわしき悪を永遠の安息の地へと送り届けよ！ (Translation: I call upon the flames of Summer and The Heavens to bring down this terrible abomination of evil and send him to his place of eternal damnation! Then, I held out my left hand and fired 999 massive balls of fire at Striker, and they collided and exploded as they hit him, and I also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Return to this world from The Spirit World to take down this monster!

Suddenly, we saw the spirits of the many brave Scottish warriors of ages past along with those from the time of Lachlan McLoud, Duke of Loch Loud, appearing and returning to our world from The Spirit World, as they heard Lincoln's command. Then, Lincoln joined them and he let out a war cry that thundered all over the place, and the warriors also bellowed out a war cry and they rushed at Stryker and they began attacking him with their claymores, war swords, and greatsword.

Eli: INCREDIBLE!

When we are all different

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

Inside a rainbow sphere with intense flames and elemental forces, Eli underwent an intense and amazing transformation! Eli had Rainbow Flame patterns and rings appear on his sides and obliques and a rainbow sun and moon on his bare chest appeared and he also gained intense rainbow flame patterns and rainbow stars on his forearms, he also got rainbow lines on his hair. He then had his Cutie Mark change into many rainbow stars, and his massive angel wings had intense rainbow fire on them.

ELI UNLOCKED HIS RAINBOW POWER!

Lincoln, Nico, and I: ROT IN HELL FOREVER, YOU INSANE RACIST!

Lincoln, Nico, and I did one final powerful energy slash that hit Stryker hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Stryker was on his last legs and he was really really mangled.

Max Goof: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Heavenly Solar Light Cosmic Holy Star Storm Fury Eternal Unbreakable Bonds Disney Prince Next Gen Disney Knight True Seraphim God Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Heavenly Solar Light Cosmic Holy Star Storm Fury Eternal Unbreakable Bonds Disney Prince Next Gen Disney Knight True Seraphim God Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Alright, time to say goodbye.

Max Goof fired chains of light that tied Stryker up, Stryker (two SHIELD agents grab him): One day, someone will finish what I've started, Wolverine! One day!

Me: That'll be the day!

He was sent to The Neptune Cryo-Prison where he was flash frozen and thrown into The Solitary Confinement Wing forever. We cheered as we holstered our weapons and powered down.

Me: That's one less motherfucker we have to worry about.

Nick Fury: You took the words right out of my mouth J.D.!

WE LAUGHED!

Nico: And that's one less racist out in the streets!

Me: Damn right, I thought we were done with that!

Lincoln: Especially with Trask. But, I forgot there's also William Stryker, and I can't believe he murdered his own child and wife because of that hatred!

Qin: You should've also put a curse on him before Max tied him up!

We suddenly heard Stryker's scream!

Lincoln: I think Max already did just that when he tied him up!

Nico: I don't even want to know about that.

Lincoln: Maybe, it's for the best.

Qin: YEAH!

We saw that Agent Zero was knocked out as a result of the whole thing

Me: He'll go into the M.O.E.

Vypra picked him up.

Vypra: He'll be perfect for it too.

Me: Good idea.

Qin: Yep.

Nico: Nice job, Boltund

Vierra Voltic: You did better than Jessie despite her being so old.

BURN BOOM ROASTED!

Jessie: (ENRAGED) WHY YOU LITTLE MONSTER! (GROWLS IN EXTREME RAGE) (SCREAMS IN FURY!)

She went at Vierra and Vierra punched her into the ground hard and Jessie was buried into the ground and her head was the only thing sticking out!

Jessie had a MASSIVE LUMP ON HER HEAD!

Nico: OUCH!

Boltund: But thanks Nico. That was fun and awesome!

Poromon was sleeping.

Me: Poromon wake up. That's your cue.

Me: Ooh! Are we gonna see another room of theh M.O.E.?

Poromon: Not this time. It's a surprise.

Me: Oh. Okay.

Nico: Oh, Time Man, what do you like to do in your free time?

Time Man: I think it's obvious.

He pulled out a beautiful cuckoo clock and it was one that looked like a tavern. It showed a man drinking as 11:00 AM rang.

Me: Oh wow! You make clocks like those of Geppetto.

Nico: Cool!

Ymir: Wow that is so cool!

Me: Geppetto makes all kinds of amazing clocks. We have some of them in our rooms. You wouldn't believe what kinds of clocks he has. He makes all of them by hand and they are amazing.

Pinocchio: They sure are. Father makes great clocks, music boxes and toys.

Nico: It's true.

Qin: Yeah and they are cool.

Nico: Now for the Anothers

Me: Yep.

Lincoln: (Sensed the Anothers) Ah, and The Anothers are coming right on time.

Eli: (Sensed them) Lincoln's right, the Anothers are coming, and one of them is Another Raven.

Lincoln: That means it's Raven's day to shine today. But, that means we're facing...Trigon!

Raven: I knew it was him. I knew it.

Eli: That's not good.

Ymir: Who is Trigon?

Me: I'll explain later.

Eli: Whoa, and one of The Anothers is the Gene-Slammer of Gaia Stream, The Graceful Force.

Lincoln: (LET OUT A LOUD GASP) YOU DAMN PERVERTS BETTER KEEP YOUR EYES COVERED AND TO YOURSELF, OR I SWEAR, IF I SEE ONE OF YOU SO MUCH AS EVEN LOOK AT HER, I'M GONNA CARVE YOU OPEN LIKE A TURKEY, RIP YOUR GUTS OUT AND DEVOUR THEM, GOUGE OUT YOUR EYES, RIP OUT YOUR MUSCLES AND EAT THEM, AND THEN, I'M GONNA CRACK YOUR HEADS OPEN AND EAT YOUR BRAINS!

WE LET OUT A MASSIVE CACOPHONY OF SCREAMS AND DID TONS OF WILD TAKES!

Sebastian Mendez: (DOES WILD TAKES) HOLY FISH PASTE! (TURNS GREEN AND THROWS UP IN A DUMPSTER)

Me: HOLY JUMPING CHILI PEPPERS IN A DORMANT VOLCANO!

William: What the?!

Maria: Oh God, he's serious if he said that! (GULPS) I think you guys better do what he says!

Chantelle Escargot: Oui ze best French Chef in all of France.

Marinette: Awesome to meet a fellow native of Paris.

Chantelle Escargot: Ah you too Marinette.

Chantelle Escargot: Friendly and one of zem is how you say "smells like ze rear end of a nasty moose."

Me: Oh boy. She must really smell awful.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

Arella: My child it's so good to see you again.

Raven: I missed you so much mother.

Arella: I know. Your father is coming back though. So you need to be ready.

Me: Arella we're so sorry about what you went through Arella because of Trigon. But we promise he will be destroyed.

Emily Munroe: I knew it, it's you, Michael!

Me: You know him?

Lincoln: She does, that's her elder brother, Michael Munroe, and just like Emily Munroe, Michael's also The Defender of The World of Disney, he was born with enormous angel wings, excessive tons of godly superhuman strength, excessive tons of godly superhuman speed, excessive tons of godly superhuman agility, excessive tons of godly superhuman reflexes, excessive tons of godly superhuman durability, excessive tons of godly superhuman endurance, immense regeneration, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, Cosmic Photokinesis, and the powers of light, magic, and solar fire, and all the powers of The Disney Heroes, and as Defender of The World of Disney, it was his responsibility to defend the Disney heroes and keep the villains in line, but he knew Maleficent and her gang of irredeemable Disney villains had plotted to plunge the worlds into darkness.

Emily Munroe: Yep, so fifteen years ago, he had all of them banished to The Realm of Darkness and never to return, or so he thought.

Michael Munroe: Yep, that's what I thought, until I found out Xehanort freed them from The Realm of Darkness, and that's what led to Radiant Garden being attacked by The Heartless, and they took over and established their base in Villains' Vale.

WE GASPED!

Nico: So, you were the one who banished Maleficent and the other irredeemable Disney villains into The Realm of Darkness fifteen years ago? Originally, your plan would've worked, but Xehanort had freed them.

Michael Munroe: And I hadn't forgotten that Maleficent and the many other villains are masters of dark magic, so I had a curse put on them: one that prevented them from opening a portal to escape, yet Xehanort did just that. It was my fault for banishing them fifteen years ago, I should've ended them the only way that should've been done: using The Sword of Truth and run them down through their black hearts.

Me: Well, if it makes you feel better, we got rid of Maleficent, Oogie Boogie, Shere Khan, Scar, and Hans for good, the other Disney villains were put in The M.O.E. years ago.

Michael Munroe: I saw and heard the news about it in Spoonerville after you guys gave Brad The Black Abyss last year, and you guys also rid the universe of Xehanort as well, now he's finally gone for good as well. But, the other irredeemable Disney villains, they're still out there.

Nico: We'll get rid of them when the day comes. So, what's the emergency?

Michael Munroe: That mutant pile of hairy flab, Flip, is back, and it's not the one we know and despise.

Time Man: (To Super Brother) It's Flip from your world.

Super Brother: Yep. His name name is Demon Cheapskate, the evil undead Akuma of Flip from my world, he's a greedy, murderous, good-for-nothing cheapskate who only cares about one thing: getting rich and ruining the lives of innocent people for his own financial gain. He was created after he was resurrected by Lord Demonblood after Flip from my world was killed by me after his scheme to defraud the federal and state government was foiled, and he wants revenge on Team Loud Akuma Angel Storm.

Super Brother took out his sketchbook and we saw Demon Cheapskate: he looked like Flip, but the sclera of his eyes were blood red and his eyes were crimson red, and he has black demon wings and he has massive stink lines around him!

WE GASPED!

Me: Great, as if Flip wasn't bad enough, now there's one from your world who's even worse! Where is he at?!

Michael Munroe: He's in the town causing havoc and making a mess of the place.

Then, Super Brother threw another Dagger of St. Michael at Demon Cheapskate, and...!

SHEEN!

IT CLEAVED HIM IN HALF, AND HE BELLOWED AS GAS EXPLODED OUT OF HIM AND HE TURNS TO DUST AND HE WAS SENT TO THE BLACK ABYSS!

We cheered as we holstered our weapons and powered down and the air also was cleansed thanks to Earth Omega's power.

Super Brother: And good riddance forever, Flip. Now, we got to fix the damage he did.

Lincoln and I snapped our fingers and the damage was repaired to the town, and we returned home to The World Tree Estate with Michael Munroe joining us.

Mickey Mouse: Another undead evil Akuma from your world has been destroyed for good.

Super Brother: You said it.

Daisy Duck: You're telling me, that bellowing hairy beast was running around on all fours and made a mess by destroying the buildings and houses of all our friends, and he even made a mess of the garden. Who even does that?

Goofy: Flip would, our Prime Universe version of him.

Me: You're right on that, Goofy.

Lincoln: We also made sure to take photos of the mess he made when he wrecked many buildings and houses, even that alone was enough to warrant another buttkicking when we finally went after him last year.

?: He deserved it after all the trouble he's caused to everyone in Royal Woods over the years!

Then, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, long marine blue hair with marine blue flower in her hair, blue eyes, massive blue angel wings, she has The Ice Barrier Frost Masters of Loyalty symbol on her right arm and the pendant on her necklace, The Ice Barrier Crest on her forehead, and General Raiho of the Ice Barrier on her marine blue skirt, marine blue short-sleeved blouse, ice blue sleeveless midriff top with General

Raiho of the Ice Barrier on it, marine blue bridal gloves, marine blue stockings, marine blue knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, snow, ice, snowflakes, ice crystals, phoenixes, and angels on the coattails, and on the back is General Raiho of the Ice Barrier, and she has an ice greatsword and with her are the four girls.

Lincoln: (Gasps) Edurne Frostine, Avatar and Gene-Slammer of General Raiho of the Ice Barrier.

Edurne Frostine: That's right, and I got the girls to the safety of the castle while that undead Akuma of that cheapskate was running loose.

Super Brother: Thank goodness.

Nico: The castle was the only safe place you thought of.

Me: That's for sure.

Lincoln: That mutant wasn't very smart to realize about the castle, but either way, you got them to safety and we put that cheapskate out of his misery. (To Edurne Frostine) And it's so good to see you again, Edurne.

Edurne Frostine: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Edurne Frostine had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Edurne Frostine was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Edurne Frostine: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Edurne Frostine's waist and hugged her, and Edurne Frostine was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath

his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on his chin, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Edurne Frostine: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 950'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and

999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same true immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Edurne Frostine, Avatar and Gene-Slammer of General Raiho of the Ice Barrier, she's Lincoln's Guardian Angel from New York, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of General Raiho of the Ice Barrier. She's The Ice General of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Edurne Frostine moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of General Raiho of the Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of General Raiho of the Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and Edurne Frostine is also an old friend and classmate of Leela and Peace Salyers, and they frequently hung out at the diner after school, and they've had the same challenges any high school has gone through, and in some of their hangouts at the diner after high school, usually they are not alone, they've also seen Allie Maxwell in the diner as well, and Leela and Peace had seen her in class before, but they'd also heard from their classmates of the tales of the dark tragedies that befell Allie's elder brother, Caleb Maxwell, back in the 1980s, but many of their classmates were the students of LaGuardia High School who hadn't gotten turned into vampires and killed in The LaGuardia Bloodbath in 1984, and many of them still spat hatred at Caleb Maxwell even to this day. But, their arrogance was shattered when a dark shadow showed up and terrorized those bastards and made the other students see the horrors of the living Hell Caleb went through. After that, those who'd seen the truth of Allie's elder brother still treated her as a friend, but as for the surviving LaGuardia High students who'd made Caleb's life a living Hell from 1980 to 1984, their social circles were destroyed, and when this reached the principal, they were immediately expelled, and their parents and relatives cut all ties with them, and Edurne knew who that dark shadow was that did that: Allie's elder brother, Caleb Maxwell, and she found out that after his resurrection, a fragment of his dark shadow was placed there and that dark shadow made sure to keep his enemies in a state of fear.

Me: Amihan told us everything about your story.

Peace Salyers: Ever since we started high school, we'd been hearing the dark legends about Caleb, but when that dark shadow of his showed up and exposed the truth, the students still stayed friends with Allie.

Leela Salyers: while those responsible, the surviving LaGuardia High students who made her elder brother's life a living Hell in the 80s, received a just punishment by being expelled, disowned, and their social circles destroyed. But, to Caleb, that wasn't enough, he wanted their blood spilled.

Lincoln: He still wanted revenge. Even while trying to get his life back together, there was still the shadows of the past that haunted him.

Caleb Maxwell: And I wasn't gonna let that go at all, I still wanted them to pay with their lives.

Tucker Williams: That's why I also saw them among the ghosts I summoned that day, you also killed them in cold blood too.

Denver: Tucker, easy.

Michael: Even if it was as you have said an act of cold blood, would you still say that when I show you this?

The vampire elder showed The Starfire Agency more videos of what those losers did to Caleb in 1980 and in the following three years, and that shocked them!

Racheal: Oh boy...!

Tucker Williams: So, they were just as guilty as back then, and they hadn't repented for their actions before Caleb's shadow killed them.

Lincoln: Caleb knew they had no remorse, and thus, condemned them to eternal suffering. But, your exorcism exposed their regret and they were able to move on, and now that you're here, Edurne.

Lincoln with his massive muscular arms still wrapped around Edurne Frostine's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with

gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Edurne Frostine: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Edurne Frostine with marine blue gems on the gold lightning bolts and marine blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Edurne Frostine: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Edurne Frostine.

Edurne Frostine had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Edurne Frostine's waist, and he leaned down to her face and kissed her on the lips, and with Edurne Frostine's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Edurne Frostine had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Edurne Frostine: (In Heaven) My God. Oh, Lincoln, tell the guys to run to their rooms, the four girls I rescued are...!

Red Savarin and Travis Tackett: GUYS, YOU KNOW THE SIGNAL! MOVE!

Edurne Frostine: HOLD...! (Saw us gone) It!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the four girls, and when Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the four girls are Ophilia Clement, Tressa Colzione, Primrose Azelhart, and H'aanit from Octopath Traveler.

Lincoln: Oh whoa, it's Ophilia Clement, Tressa Colzione, Primrose Azelhart, and H'aanit from Octopath Traveler.

Nicole: Uh oh, I think Red and Travis were right to say that, the girls are cute.

Lincoln: And they also made sure to grab Ataru and Issei and their perverted friends as well, otherwise, we were gonna have problems. Are you girls okay?

Ophilia Clement: Yes, we're okay, thanks to you.

Then, when Ophilia Clement and the other three girls saw who it was that saved them from Demon Cheapskate, their faces turned atomic red and their noses gushed out blood upon seeing the 950'11" tall, handsome heartthrob hulking wolfman with abnormally massive and powerful upper and lower body muscles covered in warm brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle with beard stubble on his jawline and thick brown goatee on his chin, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights with Ophilia Clement: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and

rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Tressa Colzione: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ophilia Clement, Tressa Colzione, Primrose Azelhart, and H'aanit with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: And that's another undead evil Akuma down for good.

May: And sent to The Black Abyss.

Super Brother: I'm finally rid of Flip for good, and Emily from your world was reunited with her elder brother.

Lincoln: Yep, and Michael's glad to also be reunited with Emily. But, this also means...Marcus Munroe will one day return, but we'll be ready for him.

Me: Michael, Emily, who is Marcus?

Emily Munroe: He's whom we call The Disney Villains' Dark Lord, he's not as powerful as us, and Michael outclasses him in everything!

Michael Munroe: He's also a monster who's terrorized our world for too long. After I banished Maleficent and the other irredeemable Disney villains to The Realm of Darkness, I also made sure to imprison Marcus inside the heart of The Realm of Darkness: where even he cannot escape. But, when Xehanort freed them, that also freed Marcus as well, but I fear that fifteen years of being trapped in The Realm of Darkness has made him even worse.

Max Goof: Even worse than Maleficent, and he's only dead set on one thing: destroying us and plunging the worlds into a reign of eternal darkness. But, his power's still weak compared to us.

Donald Duck: You said it.

Mickey Mouse: Still, we cannot underestimate Marcus, he's still as nasty and insane as ever.

Lincoln: Emily never spoke about him, she hated him for everything that he is, and so do we. We'll make sure he pays for his crimes when we banish him from this world forever.

After Lincoln and all of us met Michael Munroe and took down Demon Cheapskate, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Edurne Frostine saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Edurne Frostine: My God, I was right that Lincoln's really grown into a 950'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Edurne, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Edurne Frostine: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian

Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Edurne Frostine: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large rainbow angel wings underneath my enormous rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Then, Marlene Maxwell got out a gold tape.

Marlene Maxwell: Now, this tape I have here, this is from September 2nd, 1985, Caleb got called to the mansion of my sister, Ramona Maxwell, and she needed help. Apparently, four dangerous crime lords were after her, and the bad news: Claw Dane Drake was after them.

WE GASPED!

Me: Wait, what?!

Claw Dane Drake: I think you should see for yourself, this was not only where Caleb triumphed, but Ramona gave our world's New York and its citizens one last gift.

Marlene Maxwell put the golden tape in and it played on the big screen, and it showed New York in September 2nd 1985, and Caleb Maxwell was called to the mansion of his Aunt Ramona Maxwell, it appeared she needed help. He then arrived at a massive mansion.

Past Caleb Maxwell: Made it.

Then, he went in and ran for her study.

Past Caleb Maxwell: Aunt Ramona? Are you here?

Then, a woman with dark brown hair and brown eyes and dressed in a business blazer and suit came out, it was Ramona Maxwell.

Ramona Maxwell: You got here on time, Caleb. Thanks for coming.

Then, he sat in a chair.

Past Caleb Maxwell: Mom told me you've got trouble, what's wrong?

Ramona Maxwell: As you know, as the head of the largest electric power industry, I've made a lot of enemies especially with your ex-father and ex-younger brother, and Drake's sent death threats against me. But, today is different, I told your mom about four guys trying to muscle in and trying to ruin what I built.

Ramona Maxwell got our four photos: they're four white and red Calico male cats with the same red hair and red tails Claw Dane Drake and are dressed in the same clothes as him, but their eyes were different colors: blue, brown, hazel, and amber.

Past Caleb Maxwell: Are these the guys responsible for your trouble?

Ramona Maxwell: Yes, that's them.

Then, Ramona Maxwell took out the photo of Claw Dane Drake.

Past Caleb Maxwell: Who's that?

Ramona Maxwell: That's Claw Dane Drake, he's the leader of The Big Claw Gang, and only your mom and I knew about him, your mom specifically when she was in high school, but Claw Dane Drake is your average bad boy: slick, cool, confident, and charming and charismatic which of course drew many girls to him and many boys sided with him, but not your mom, she couldn't stand that guy, he was trouble, and she hadn't seen him since graduation.

Past Caleb Maxwell: Wait, I remembered hearing from some informants on the streets about this Big Claw Gang, and I didn't know their leader was someone Mom knew from high school.

Ramona Maxwell: She didn't want you dragged into it, Caleb. Now, as for the four identical cats, those guys are his brothers: Nathan Drake, Butch Drake, Michael Drake, and Robby Drake, Dane Drake's brothers, but Dane was more successful than them, he kept his business in the shadows and his gang only strike at night, and you've heard the rumors of them planning the big takedown of The Syndicate, I thought it was bullcrap, but your mom knew Dane was crafty and cunning.

Past Caleb Maxwell: But, he's still a criminal. As for his brothers, I'll take them down for good.

?: Will you now?

Suddenly, Caleb Maxwell turned around and spotted Nathan Drake, Butch Drake, Michael Drake, and Robby Drake, Dane Drake's brothers, at the doorway.

Ramona Maxwell: You! So, you four jerks have shown yourselves! I wonder what'll happen when your elder brother shows up, he'll rip your tails off!

Robby Drake: Hah! After today, we'll be the ones in charge of ruling New York! Remember these?!

Suddenly, they got out four massive cold fusion cannons!

Ramona Maxwell: The Mega Battery Cold Fusion Cannons?! I thought I got rid of those!

Butch Drake: Nope, we kept them after you chased us out! Now, we'll use them to get rid of you!

They used the batteries to suck out her soul and power them up. Then, they turned them towards Caleb Maxwell.

Robby Drake: (To Caleb Maxwell) Sorry, but you've seen too much, so you got to go too.

Suddenly, Caleb's guns reappeared in his hands!

Past Caleb Maxwell: The only thing that's gonna happen are your funeral arrangements! Time to die!

Michael Drake: He's got his guns!

Caleb Maxwell started firing at them, and when the bullets hit the cannons, and they exploded.

Past Caleb Maxwell: Aunt Ramona?! What do I do?!

Suddenly, the batteries began circling around Ramona Maxwell, and her body began glowing until she was brought back, but she looked like a powerful energy being!

Past Caleb Maxwell: Aunt Ramona?! I-is that you?!

But, then, Ramona Maxwell used a Force Choke Hold on Dane Drake's brothers, and Caleb saw she was going to kill them.

Past Caleb Maxwell: Aunt Ramona, stop! You're gonna kill them!

Ramona Maxwell: (Energized Voice) They tried to destroy what I built, just like your younger brother and your father! I will not let them ruin my life's work! I'm going to kill them!

BANG!

CALEB FIRED A SHOT AT HER, BUT THE BULLET TURNED TO ASH, AND THAT FORCED HER TO DROP DANE DRAKE'S BROTHERS, AND SHE TURNED HER FURY AT CALEB!

Past Caleb Maxwell: This isn't you! The Aunt Ramona I know would never try to take another person's life, guilty or not! I hate to do this, but if you won't stop by hearing my words, then I will take you down myself!

Suddenly, Ramona Maxwell teleported herself and Caleb into her own soul: but he saw it, it was truly dark and there was a swirling abyss. Then, she had the massive mega batteries with her and they both engaged in a final boss battle from a video game as Caleb shot the batteries and Ramona tried to swat him away with them only for him to dodge them and fire at them some more shooting down three of them. Finally, he destroyed the last battery with one last barrage of shots, and Ramona fell to the floor.

Ramona Maxwell: Caleb..., I...! This was all my doing that all of this happened. As the head of my company, I am responsible for the events that led to Dane Drake's brothers coming after me, and I sought to control everything, and I almost got close to trying to control everyone around me, but...! But, your mom..., she stopped me from doing so..., back when we were teens like you. We took a walk through New York, and I saw I hadn't been on these streets for years, and I saw for myself how the people have been struggling. That's why I created my company specializing in electricity to help power our city, but even as my company was looking up, I began getting threats from the criminals in the city.

Past Caleb Maxwell: So, you tried to stop them, but that brought in Dane Drake's four brothers who were individual crime lords in their own right, and that also brought in that lowlife, Drake Maxwell, and so you called to me for help.

Ramona Maxwell: Yes, and when I remembered the walk I took with Marlene all those years ago, I finally began to understand that family was and always will be important, that was something I'd forgotten from Mom and Dad. I was so scared of what was going to happen, and I put you in more danger when they showed up, and I'm so sorry, Caleb.

Past Caleb Maxwell: Aunt Ramona...!

Ramona Maxwell: Caleb, I also have something I should tell you and why I told your mom to only send you. You see, I'm getting too old, and I also have Stage 4 Breast Cancer, the doctor told me I have less than a month to live, so I wanted to make sure everything would be fine after I'm gone. I was trying to make sure the city would still run, and the money I'd built up, all of that and the fortune would be yours only. But, I also knew that you were going to die a year later, and I know you were going to give it to Allie. (Smiles Sadly) Your mom really raised you right. Heh, you, the city..., you'll all be just fine even without me.

Past Caleb Maxwell: I do think the city deserves better without my brother and this whole Syndicate running loose, I don't know what Dad was even thinking, those monsters are destroying our city and killing anyone in their way, and something needs to be done about them. That's why I chose my path to go into law enforcement.

Ramona Maxwell: That is true. Caleb, seeing you grow up, you were so happy, but when your brother started doing that to you in 1979, I was worried about you and so was your Mom, and being with you in what appears to be my final hours, it showed me things that I realized a long time ago. So..., let me do something for the sake of our city, our state, and the citizens of New York...one last time. End my suffering..., and let me create a brighter future for you all!

Suddenly, Caleb Maxwell walked up to Ramona Maxwell, and he hugged her as she glowed brighter and the dark abyss was purified and the land they were on formed into a big heart, and Ramona hugged her dear nephew, and we saw they were smiling.

Ramona Maxwell: (Voice Breaking) Oh, Caleb...! Thank you...! Keep doing what you love most, and keep pushing forward. Don't you ever give up!

Suddenly, Ramona Maxwell glowed even brighter, and outside, Dane Drake's brothers saw the orb of energy.

Michael Drake: Those two will soon be gone and the city will soon be ours.

But, then, the orb of energy began bursting even more with power as energy particles began spilling out, and then, it exploded and Caleb Maxwell landed onto the floor and he got back up, and Nathan Drake, Butch Drake, Michael Drake, and Robby Drake were stunned and horrified their plan has failed.

PIPISTRELLO AND THE CURSED YOYO OST: Auntie's Sorrow PLAYS

Nathan Drake: No...! It can't be!

Butch Drake: And these! These shiny objects, they're energy particles!

Outside, everyone in New York saw the energy particles falling and they were in awe.

Past Caleb Maxwell: That's right. Aunt Ramona had another brilliant new idea.

Michael Drake: You mean?! There's no way that she of all people would be willing to sacrifice her own body for this! Dispersing the particles like this was only just a theory! Who knows what'll happen?!

Past Caleb Maxwell: According to her, all of New York will be getting that infinite Mega-Battery energy now.

Nathan Drake: What?! Free energy?!

Past Caleb Maxwell: Aunt Ramona's last gift to the city, now she can finally rest in peace knowing I'm going to be okay along with the rest of our family and all of New York will be okay as well.

Robby Drake: A gift?! Nathan, guys, what do we do?!

Past Caleb Maxwell: I guess this means no one will have need for her electric power company no more, and it's also infinitely charged up the power grids of the city.

Nathan Drake: That old hag! Even as she was close to dying, she was always one step ahead! She still has the upper hand! DAMN HER!

Nathan Drake, Butch Drake, Michael Drake, and Robby Drake ran away, but they didn't know that Claw Dane Drake and his gang were outside and they were captured and taken. But, Caleb was still focusing on that beam of light.

Past Caleb Maxwell: (Sighs) So, this is how it ends. Sure, those assholes are going to be in huge trouble, and the family business is going to fade away into history. Thank you for that one last gesture, Aunt Ramona. You've taught me so much, and we've learned some tricks together, even if it was for one last time. That said, infinite energy for everyone? Can't say I saw that coming.

Suddenly, Caleb felt like he wanted to cry.

Past Caleb Maxwell: I'm sure you wouldn't like it if I kept my head down and spent too much time being sad about it. I know exactly where you want me to be right now. I'd come to appreciate our time together along with this one last time..., I'm gonna miss you. Goodbye, Aunt Ramona.

Caleb Maxwell walked out of the mansion, and the energy particles continued infinitely powering the city: his Aunt Ramona's final gift, but it also spread to the entire nation. Caleb looked on, and he saw his aunt's gift being spread all over New York and the entire nation, and from the distance, Carla Claw, Panther, Sally Gamble, Nekome, and Ichiro saw it along with Claw Dane Drake who came out.

Past Carla Claw: So, she really did it. But, I have a feeling Caleb helped out as well.

Past Claw Dane Drake: This is what Ramona had desired to do: one last thing for the city, but her gift has also spread to the entire United States. (Smirks) Ramona Maxwell, you sly old fox.

Caleb Maxwell continued looking up into the sky.

Past Caleb Maxwell: Aunt Ramona's right, I have to keep doing what I love and just keep pushing forward, and I'm not giving up. Even if my life were to end, I wouldn't stop doing what I love, and where my path will take me, all I can do is just keep moving even as I feel my life's shortened span weigh heavily on me.

The video ends, but we had water works in our eyes!

Maria: (Voice Breaking) That was so beautiful!

May: (Voice Breaking) Caleb, your aunt willingly sacrificed her own body to power your world's New York and your Earth forever, that was...!

Caleb Maxwell: Her final gift to the city.

Marlene Maxwell: I had heard from the others about Ramona's cancer, but I had no idea that it had spread that far to her body, and that was why she told me to send you to her. After you told me of what happened, I saw the tears in your eyes and I hugged you as you cried and you also hugged me as well.

Allie Maxwell: And I also hugged you as well, you never cried in front of us, but I always remembered hearing your cries in your room.

Claw Dane Drake: Your brother suffered that much anguish and suffering, and your aunt's sacrifice to give her final gift to the city and the world hurt him, but he continued on living even with the pain of having to deal with that kind of loss that would haunt him for eternity.

Eli: By the way, what happened to...?

Caleb Maxwell: According to an informant of mine, they were supposed to have been executed by Claw Dane Drake, but they escaped, and Cage and Travis swooped in and drained them dry of blood, and the next day, they were found dead on 5th Avenue.

Claw Dane Drake: I had no idea they were vampires, but when Mad Cat Max mentioned about The Hallowshade Bloodbath that took place in 1985, I suddenly remembered that some innocent people got killed and it looked like someone sucked them dry of blood, and a lot of blood was spilled on that night, and Caleb would join them moments later.

Lincoln: After pushing Cage and Travis out of the way of his unhinged younger brother.

We got a shower, and then, Lincoln, Isla the Hedgehog, Penny the Hedgehog, Brownie the Fox, Carolyn the Nightwolf, Adriana the Cat, Candy the Fox, Pai Chan the Swallow, Nene the Cat, Sprinkle Medley, Foaming Beauty - Champagne, and Nightracer are heading to Kume Island in Japan, and joining them are the rest of his harem.

Lincoln snapped his fingers, and the 950'11", handsome and extremely muscular wolfman had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Isla the Hedgehog, Penny the Hedgehog, Brownie the Fox, Carolyn the Nightwolf, Adriana the Cat, Candy the Fox, Pai Chan the Swallow, Nene the Cat, Sprinkle Medley, Foaming Beauty - Champagne, and Nightracer and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Isla the Hedgehog, Penny the Hedgehog, Brownie the Fox, Carolyn the Nightwolf, Adriana the Cat, Candy the Fox, Pai Chan the Swallow, Nene the Cat, Sprinkle Medley, Foaming Beauty - Champagne, and Nightracer had feelings for Lincoln, and Lincoln also had feelings for them too, and he saved them from a group of musclebound thugs and he sucked out all of their muscle mass, virility, testosterone, strength, and energy which killed them all.

Isla the Hedgehog: Wow, we're here in Kume Island, it's so beautiful.

Lincoln: You said it, Isla, and it's perfect for our first date. Shall we?

Lincoln, Isla the Hedgehog, Penny the Hedgehog, Brownie the Fox, Carolyn the Nightwolf, Adriana the Cat, Candy the Fox, Pai Chan the Swallow, Nene the Cat, Sprinkle Medley, Foaming Beauty - Champagne, and Nightracer and the rest of his harem dived into the waters and they began swimming and they also saw the marine life living there, and then, they came back to the beach, and Isla the Hedgehog, Penny the Hedgehog, Brownie the Fox, Carolyn the Nightwolf, Adriana the Cat, Candy the Fox, Pai Chan the Swallow, Nene the Cat, Sprinkle Medley, Foaming Beauty - Champagne, and Nightracer and the rest of his harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, Lincoln did the same thing giving Isla the Hedgehog, Penny the Hedgehog, Brownie the Fox, Carolyn the

Nightwolf, Adriana the Cat, Candy the Fox, Pai Chan the Swallow, Nene the Cat, Sprinkle Medley, Foaming Beauty - Champagne, and Nightracer and the rest of his harem a deep tissue massage, and when he was done with that, they were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Isla the Hedgehog, Penny the Hedgehog, Brownie the Fox, Carolyn the Nightwolf, Adriana the Cat, Candy the Fox, Pai Chan the Swallow, Nene the Cat, Sprinkle Medley, Foaming Beauty - Champagne, and Nightracer and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his extremely massive muscles.

Lily the Mermaid: (Swooning) My God, Linky's still such a handsome and manly wolfman hunk.

Suddenly, they saw The Chroma Conclave coming after them.

Anna Anyanova: Oh no, Thordak, Raishan, Umbrasyl, Vorugal, and Brimscythe.

Lincoln: What the?! I got them.

Lincoln went after Thordak, Raishan, Umbrasyl, Vorugal, and Brimscythe and he morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the dragons and he began absorbing them and he assimilated Thordak, Raishan, Umbrasyl, Vorugal, and Brimscythe's various powers and abilities, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH! (WOLF ROAR)

Then, when Lincoln was done and the stingers changed back, Lincoln's rainbow, white, golden yellow, and blue energy aura flared up even more with elements around him and Lincoln sucked out the last of their energy and he sent

The Chroma Conclave to The Black Abyss, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and fire exploded out of his massive biceps and muscles and he generated wind gusts from his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and cooled down his harem.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Isla the Hedgehog, Penny the Hedgehog, Brownie the Fox, Carolyn the Nightwolf, Adriana the Cat, Candy the Fox, Pai Chan the Swallow, Nene the Cat, Sprinkle Medley, Foaming Beauty - Champagne, and Nightracer and the rest of his harem and he hugged them in his abnormally massive and powerful muscular arms, and Isla the Hedgehog, Penny the Hedgehog, Brownie the Fox, Carolyn the Nightwolf, Adriana the Cat, Candy the Fox, Pai Chan the Swallow, Nene the Cat, Sprinkle Medley, Foaming Beauty - Champagne, and Nightracer and the rest of his harem placed their hands on Lincoln's massive hairy pecs, but Lincoln wasn't done.

Then, Isla the Hedgehog, Penny the Hedgehog, Brownie the Fox, Carolyn the Nightwolf, Adriana the Cat, Candy the Fox, Pai Chan the Swallow, Nene the Cat, Sprinkle Medley, Foaming Beauty - Champagne, and Nightracer and the rest of his harem were lying down on a massive beach towel with Lincoln on top of Isla the Hedgehog, Penny the Hedgehog, Brownie the Fox, Carolyn the Nightwolf, Adriana the Cat, Candy the Fox, Pai Chan the Swallow, Nene the Cat, Sprinkle Medley, Foaming Beauty - Champagne, and Nightracer and the rest of his harem.

And then, Lincoln shared a passionate and romantic kiss with Isla the Hedgehog, Penny the Hedgehog, Brownie the Fox, Carolyn the Nightwolf, Adriana the Cat, Candy the Fox, Pai Chan the Swallow, Nene the Cat, Sprinkle Medley, Foaming Beauty - Champagne, and Nightracer and the rest of his harem and Lincoln slowly sank his fangs into their right trapeziuses and he began feeding on the blood of Isla the Hedgehog, Penny the Hedgehog, Brownie the Fox, Carolyn the Nightwolf, Adriana the Cat, Candy the Fox, Pai Chan the Swallow, Nene the Cat, Sprinkle Medley, Foaming Beauty - Champagne, and Nightracer and the rest of his harem, and Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the

rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln slowly unlatched his fangs from the right trapeziuses of his harem as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Nico: (Whistles) Wow, it looks like you really had a good time at Kume Island, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, elevem Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Isla the Hedgehog, Penny the Hedgehog, Brownie the Fox, Carolyn the Nightwolf, Adriana the Cat, Candy the Fox, Pai Chan the Swallow, Nene the Cat, Sprinkle Medley, Foaming Beauty - Champagne, and Nightracer with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Thunderbird Chokers of Eternal Love appearing on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Lily the Mermaid: And now, Isla the Hedgehog, Penny the Hedgehog, Brownie the Fox, Carolyn the Nightwolf, Adriana the Cat, Candy the Fox, Pai Chan the Swallow, Nene the

Cat, Sprinkle Medley, Foaming Beauty - Champagne, and Nightracer are in your harem, Linky.

Isla the Hedgehog, Penny the Hedgehog, Brownie the Fox, Carolyn the Nightwolf, Adriana the Cat, Candy the Fox, Pai Chan the Swallow, Nene the Cat, Sprinkle Medley, Foaming Beauty - Champagne, and Nightracer showed the marks on their right trapeziuses Lincoln made.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. The Chroma Conclave came after us!

EVERYONE GASPED!

Nico: Oh shit!

Lincoln: Don't worry, I used my Cell stingers and absorbed them and assimilated all of their various powers and abilities, and I sucked out the last of their energy and sent them to The Black Abyss.

Me: Smart move.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his

enormous angel wings had spread out and they generated a cool breeze cooling us down and fire and wind exploded from his massive biceps and muscles.

Serena Logan: Lincoln really got that confident and bold, we really made him into a really strong and powerful manly wolfman.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know, we made a clone of that mutant.

Lincoln: That's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus

Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Same with Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Lincoln: We don't have long before our final showdown with The Brain and Monsieur Mallah starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

The mascots were hiding and playing hide and seek.

Raven: Wonder where they are now

Me: Hmm.

They were at The Avengers Tower.

The mascots were hiding in plant pots.

They snickered.

Poliwag was looking around.

Poliwag: Ready or not, here I come! Apple, peaches, pumpkin pie, who's not ready holler I.

No one answered.

Poliwag: Good.

He went to look.

There was a fire hydrant there and Eddy popped up out of it.

Eddy: HA! Bet you never thought of looking here did ya! (LAUGHS)

Poliwag: Eddy!? What are you doing here?

Eddy: Just checking what you are doing. Did the same thing in Peach Creek.

Poliwag: Cool.

Eddy: Wait. Is this Avengers tower?!

Poliwag: Yep. We're playing hide and seek here.

Eddy: Boy been a while since we were here.

Poliwag: We were just starting out on the team back then.

Eddy: Yeah.

Back with us...

Raven (DCSHG): Eddy's gone too

Me: Weird.

Eli: (Senses them) Found them. They are all the way over at Avengers Tower.

Me: Oh. Avengers Tower!?

Iron Man: Been a while since we were there.

Me: Boy that's where we first met you and the Avengers, Tony.

Nico: I will never forget that. Lets head over there.

We were off.

Poliwag and Eddy were looking for the others.

Eddy: This is taking way too long. I know what will get them out! (Imitating a woman) HELP ME! HELP! SOMEBODY STOLE MY PURSE! OH SOMEBODY HELP!

They were too smart to fall for that one.

Poliwag: Maybe this will. (Imitating Ed) HEY PLANK YOUR MOTHERS CALLING!

Eddy: Good imitation of Lumpy. But Plank's not here. I've got it!

He pulled out goggles made by Double D and put them on Poliwag.

Eddy: Heat Seeking goggles.

He turned them on and he saw everything in heat!

Poliwag: WHOA! So this is how J.D. sees in heat! Even those invisible! Cool!

We arrived and went in.

Demolishor: Good to be back here, right?

Iron Man: It sure is.

Me: Yep and this is the place where we met the Avengers for the first time and they joined us.

Nico: It was back when we started out on the team. Terrorists from HYDRA were attacking the mall and the Avengers came and helped us deal with them.

Me: Yep and that's when they officially joined us.

Qin: Whoa so that's how the Avengers joined you all.

Ymir: That is so cool!

Me: It sure is. And it caused Kang's plans for me to backfire spectacularly in his face big time.

Ymir: What do you mean by that?

Me: Kang had a really huge plan in store for me. 24 years ago he was fed up with always being defeated by the Avengers and has garnered a huge amount of respect for them. His plan was to replace the Avengers with a more powerful force that is infinitely more powerful than they are. He chose me. He sent Cosmic Radiation to me and it gave me my powers.

Ymir: WHOA! So he picked you!? HOLY CRAP!

Me: I know.

Nico: That was a shocking day for all of us. Everything was all set into motion because of Kang the Conqueror.

Me: But there's one thing that he never expected which caused his plan to completely backfire. He didn't count on me recruiting the Avengers into my team.

Qin: Yep.

Ymir: Whoa man! It REALLY backfired big time.

Camie: It sure did.

Sakura Knudson: We were floored.

Nico: Yep.

Comet Stardust: That is crazy and intense.

Daylight Savings: It sure is.

Poliwag and the Eddy were looking.

Poliwag: Now, where are they?

Poliwag saw something in a plant pot!

Poliwag: HEY!

He pointed like a pointer and Eddy pulled the pot up and found Manaphy!

Eddy: GOTCHA!

Manaphy: Eddy? What are you doing here?

Eddy: Decided to see what Poliwag was doing. And I'm helping him out.

Manaphy: Oh. Okay. Hey nice goggles Poliwag.

Poliwag: These are goggles that Double D made and they can see in heat.

Manaphy: Cool!

They continued. Poliwag was pointing to certain spots

In an airvent Eddy grabbed Poromon!

In a lab cabinet Eddy found Horsea.

Behind a picture frame was Tentacool.

Under a table was Jirachi!

In a bucket of water with a mop was Mevya!

Poliwag and Eddy: YEAH! We're winning! We're winning!

Eddy: Now to find Gatomon!

We found them.

Tailgate: There you guys are!

Poliwag: Hey guys! We just to find Gatomon!

Me: She's making a break for it!

We saw her trying to escape!

Eddy: Sic her Ed!

Ed: CHARGE!

Ed went at her and dogpiled on her!

Poliwag: I WIN!

Eddy: Nice work Poliwag! You're a Brainless Cyclops!

WE LAUGHED!

Edd: Those are the heat seeking goggles I made.

Ed: It's how the monster in the Brainless Cyclops saw his victims!

Me: Those are cool. May I try them on?

Poliwag: Sure.

I looked and saw they were Infrared Goggles.

Me: Cool! Just like how I can see in Infrared. Awesome!

Gatomon pouted

Mevya: Cheer up Gatomon. You still had fun.

Gatomon: Thanks.

SQUIRT!

Mevya squirted Gatomon with DIRTY MOP WATER!

Gatomon: HEY! WHY YOU LITTLE!

Mevya laughed!

Mevya: TAKE THAT STINKY!

Gatomon got out a fork

Mevya: (RASPBERRY)

But just as the chase began they glowed purple and were floating!?

Me: What the!?

Then...

KRABLANG!

They got bashed together!

Me: What the!?

Qin: I think they did it! Look!

We saw 2 Espeon!

Me: Whoa! 2 Espeon!

Mevya: OW!

Gatomon: That hurt!

Me: Our 2 Espeon friends here did it.

Mevya: Oh wow!

Me: One of them must be Dark Gale's work.

Sheena: It is. The one on the right is a girl named Sunny Espera.

Me: Oh wow!

Princess Celestia: She must be a master of the sun like me.

Me: Lets go help her then.

We went over.

Princess Celestia: It's okay Sunny. It'll be okay.

She tried to make Horsea float but she put her clone in front of her

The clone floated and she threw it and it hit Nico on his head!

KRABLAM!

KRASMASH!

Nico was knocked down and had a NASTY LUMP on his head!

Horsea: Better you than me!

Nico: (Dazed and Stupid) Oh but mommy it was Poromon that ate all the cheese in the cookie jar.

Me: Ouch! That really hurt his brain. Okay then.

I snapped my fingers and she reverted back and had neon purple hair and purple eyes and had purple angel wings and had a Sun with Espeon on her forehead and on her arm.

We wrapped her in a blanket and brought her to a chair.

Me: There.

She woke up to see Horsea's smiling face

Sunny Espera: (Groans) Huh? A Horsea?

Horsea: You used your powers on my clone!

Sunny Espera: Oh man you can talk!

Me: Poliwag and many of our mascots can you were turned into an Espeon by Dark Gale.

Sunny Espera: (GASP) Oh man. I was battling these 2 members of Team Rocket. One had blond hair and the other had his name wrong all the time and they had a Raticate with them.

Vierra Voltic: You must mean Butch and Cassidy. They are Jessie and James's rivals.

Qin: Yep.

Me: Well they are in the M.O.E. and they are Manaphy's archenemies.

Manaphy: Yep.

Sunny Espera: I can see that.

Me: Is that Espeon yours?

Sunny Espera: It sure is. Her name is Espi. I raised her as an Eevee and she Evolved during the day and became Espeon.

Me: Cool. Also you hit Nico on his head and gave him a concussion.

Manaphy looked at Nico.

Nico got up and he was better.

Me: Nico are you okay?

Nico: Yeah. OW! Oh my head!

Me: You got hit really hard there.

Lana gave Nico some ice.

Lana: Here Nico.

Nico: Thanks Lana.

Poromon flew on his head

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new purple clothes and a new sword of the sun.

Sunny Espera: I look amazing.

Qin: You sure do.

Me: You guys had fun.

Eddy: We haven't played Hide and Seek like that in a while.

Me: I can tell.

We went back home.

We were watching TV.

Me: That's the 5th member of the Eevee Gene-slammers of Dark Gale that we met. So cool.

Qin: Yep. I hope we meet Umbreon next.

Me: The Moonlight Pokemon next.

Xenia: Nice.

Francis: Good thing you guys didn't damage any important stuff

Me: That is for sure.

Manaphy: I know. But we were careful.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Trigon, and he's on an Alternate Earth which he'd turned into Hell. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: So, you've finally come out of hiding, Trigon.

Eli: It's time.

Lincoln: Yep.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Trigon, and he's on an Alternate Earth which he'd turned into Hell.

EVERYONE GASPED!

May: What the?! But, why hadn't he come here?!

Me: That's because of Earth Omega's power and light surrounding the planet. It's too strong for him to handle.

Raven: He needed a world that was much more vulnerable, and he chose that.

Nico: Figures, but that'll be where he draws his last breath.

Lincoln: And there's also one thing that'll stop him.

Lincoln went to his room and he got out a box, which had the mark of The Order of Azar, and as he opened it, inside the box were twelve daggers crafted from angelic steel and they were glowing with white light.

Me: Whoa, what are those?!

Arella: The Twelve Sacred Daggers of Azarath, the very weapon that can destroy Trigon forever.

FLASHBACK TO MANY CENTURIES AGO ON AZARATH

Arella: (Narrating) Many centuries ago, a huge meteorite landed in Azarath, and when the monks saw the meteorite, they saw that it was actually a chunk of blessed angelic steel, the same kind of metal used to forge the weapons of the Angels and Archangels of Heaven, and at the same time, the monks also had a vision of what'll happen many centuries later: of Trigon the Terrible coming here to Azarath and laying waste to the planet and our city. The Order of Azar took the chunk of blessed angelic steel and they crafted twelve sacred daggers and they were also blessed by our white magic which also enhanced the angelic power of the blessed angelic steel and these daggers are to pierce Trigon's chest and his black heart and end him once and for all.

Me: That's incredible! They're like The Daggers of Tel Megiddo! But, why were they here in Lincoln's room?

Anna Anyanova: Because Arella knowing of Trigon's coming placed the daggers in a special box, and they were sent to Royal Woods and were hidden away deep within the confines of Lincoln's room since he's pure of heart and his power also kept away Trigon's army of demons for so many years without any of us knowing, and when the estate had evolved into The TLPS World Tree Estate, the box containing

The Twelve Sacred Daggers of Azarath were moved into a safe that appeared in his room thanks to The World Tree Estate's powerful magic.

Nico: So, now we hold the one weapon that'll destroy Trigon forever!

Lincoln: And since we're taking the battle to the alternate Earth which Trigon had turned into Hell, once those daggers destroy him forever, all the innocent souls that were killed by him will be freed as heavenly lights shine down from Heaven to free the souls of his victims and guide them to Heaven.

Nico: This should be good. Alright, team, it's time to go. The fate of the universe hangs in the balance!

Lincoln: Trigon's reign of darkness ends here and now, this is where we close the dark chapter of Raven's past for all eternity.

The previous group came.

Skulker: Can me, Mumbo Jumbo, Grizzly, Patty & Selma, Golden Glider, Zzzax, Professor XXXL, Machinedramon, Toad, and Salami Swami go with you guys?

Nico: Yes you can and we're going to need all the help we can get for this one.

Xenia: Yeah. Trigon is back.

THEY GASPED IN SHOCK!

Skulker: Oh man! And I still remember when we fought him the last time.

Mumbo Jumbo: I'll never forget how much of a fight he put up against us.

Me: That was REALLY intense. Trigon is WORSE than the Brotherhood of Evil.

Ymir: Who is Trigon?

Me: He's Raven's father and he is a monster that is REALLY BAD NEWS.

I went over who he is and it was intense!

When it was done everyone that hadn't heard about it was horrified!

Ymir: WHOA MAN! He is really evil!

Shanan: Yes he is and he is one nasty monster.

Nico: Yep.

Runabout: Boss, which Gene Slammer do you think you'll meet next?

Nico: Elemental HERO Steam Healer next.

Me: Scalding hot.

Qin: Yep.

Lincoln: Yeah.

Me: Well the entire universe is in danger. Now we got to go after Trigon.

I looked at where he was. He was on an alternate Earth located near the Galactic Center!

Me: Whoa! Near the Galactic Center.

Lola: Lets get going then.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Sekolah, the shark deity in the Dungeons & Dragons universe, and he's coming to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Uh oh...!

Me: Lincoln, was that...?!

Lincoln: Sekolah, the shark deity in the Dungeons & Dragons universe, and he's coming to destroy us.

Me: Not good.

Lily Malefic: Lincoln, I hope you absorb him.

Lincoln: I will, he's gonna pay for what he's done.

Nico: A monster like that doesn't deserve to live. Alright, team, let's get going to the Alternate Earth.

Lincoln: And end Trigon the Terrible once and for all, and once we're done with him forever, you're next, Sekolah.

Lily Malefic: All the crimes you've committed can never be forgiven, Sekolah, now the time for your hellish judgement is close at hand!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed to the Alternate Earth to finally end Trigon once and for all, and once we get done with him, Lily Malefic and Lincoln are going to take down Sekolah and Lincoln's going to absorb him.

We were off.

We arrived. We teleported to the Alternate Earth.

When we got there we saw the entire planet had gone to hell. The entire sky was red and stormy and full of lightning and the oceans were lava, the buildings and cities were destroyed and all the people and life everywhere was turned to stone and fires were burning all over the place with intense fury.

Me: My god. This whole planet has gone to Hell.

THUNDERCLAP!

Lightning struck in the sky.

Nico: This is horrible.

Patty: What happened here?

Me: Trigon turned the entire planet into a hellish nightmare.

Selma: Let's call Roquefort

Me: Good idea.

We did so and we called the Entire M.O.E.

Vypra: We're here.

Roquefort: My god. What happened here?

Me: The entire planet went to Hell because of Trigon.

Vypra: So Trigon is back. I knew he was coming.

Dark Spicer: This is not good.

THUNDERCLAP!

Lightning struck in the sky.

Ring Man: We'll need a Rainbow Blade

Me: We're going to need more than that Ring Man. This is gonna take all of our combined power just like it did before.

Vypra: I remember that.

Qin: Yeah.

?: J.D. is right.

But then out of the shadows came a figure I thought we would NEVER SEE AGAIN! IT WAS SLADE WILSON!

Me: SLADE!

Shanan: SLADE!

Shanan went at him and punched him so hard in his face that it knocked his mask off!

Zzzax: I thought Waffle Woman killed you!

Eli: Wait! I think this is a different version of him.

He got up.

For the first time, we saw the face behind the black/red-orange mask that has posed such a threat to the Titans and Tara and Shanan. Or rather, what remains of it. There is only a fleshless skull, cracked and stained an ulcerous gray as if it had been buried for years. Its empty right eye socket glares meaninglessly at nothing, while a fleck of red fire shines in the left; the eye we saw on that side was perhaps only a dummy contact lens. Below the missing nose, the exposed teeth are set in a grimace of unchanging, unadulterated fury.

WE GASPED IN SHOCK AND HORROR!

Slade: I'd rather you hadn't seen that.

Me: My god! What the hell happened to you!?

He put the mask back on.

Slade: It's really only a temporary condition.

Robin: What are you?

Shanan: I think I know. Me and Tara. Right? My babysitting adventure? You fell into the lava and we destroyed you as that volcano erupted.

Slade: You are correct Shanan. Both of you left your marks on me.

(Slade began to face us as grating hisses float up from river level. A camera shift shows a forest of arms rising from here; the fire demons are regrouping, it seems. Close-up of Slade, zooming in slowly; on the next line, dissolve a shot of him in his Season Two lair. He stands over the slumped form of Terra, who wears the armored suit he provided for her in "Aftershock." As well as Chapter 504 in Loud House Revamped. When the transition occurs to this flashback, the rest of his line is delivered as a voice over. The scene appears as it would if a soft filter had been installed on the camera lens.)

Slade: It seems my luck with apprentices is most unfortunate.

(The corrupted blonde comes up with glowing eyes and fist, knocking him from their high rock perch amid an explosion. The sound of the blast is greatly muted. Down he goes, plunging toward the lava lake at the bottom of the cavern.)

Slade: (voice over) Terra's betrayal should have been my demise.

(Cut to a point a bit farther up; flames wash up from below, marking his splashdown, and we then see his loose mask slowly engulfed by the rising tide. Snap to black, against which a ring of fire blazes up.)

Slade: (voice over) But I got lucky.

(The light comes up to show him on a patch of rock, kneeling in the ring, and a close-up reveals what is left of him. He has recovered his mask, whose lower half has disintegrated along with his gloves, and all the exposed flesh has burned away; he regards the bare bones incuriously.)

Slade: (voice over) Someone was looking out for me that day.

(On the next line, the camera pulls back and tracks around him to show him cradled in Trigon's immense hand, held at chest level so that his head is out of view. However, Slade is now fully visible from the waist up, revealing that the lower half of his chest is gone to leave only the spine holding him together.)

Trigon: Heed my command, and I will return what you have lost.

(Tilt up to the four-eyed, malevolently smiling face, then cut back to Slade's leftovers. Now a few holes can be seen under the armor plates on the arms. The demon's mark appears on the steel forehead and the ruined body straightens up, glowing white and orange.)

Slade: (voice over) It was a simple arrangement, actually. (Close-up of the arms; they are covered with new armor.) Do a few chores, and I get back my flesh and blood.

(His mask regenerates itself.)

Slade: (voice over) And I must admit... (Zoom in on the eye, through the pupil.) ...the fringe benefits were most enjoyable.

(On the end of this, the gleam within the black spot resolves into a shot of him with Robin, Beast Boy, Cyborg, and Starfire caught up as in "The Prophecy." That is, flaming tendrils extend from his hand to tie up each of them. A wipe past a pillar changes the view to the end of "Birthmark"; he holds the raggedly clothed, heavily inscribed Raven at the edge of a precipice as the full moon blazes behind them. Zoom in on his profile then wipe to a shot of him leading his incendiary troops into battle against the Titans in Part One. Another wipe, and he stands up against a black background with both hands on fire.)

Slade: (voice over) A pity things didn't work out as planned.

(He turns to face into the darkness, in which Trigon's eyes open to give him a hard glare, and is caught up in a shower of red sparks; the energy that stripped him of his powers. Close-up of the right hand, on which can be seen the ring of Azar he gave to the Titans, then zoom in slowly on the frozen face as the mark disappears from its forehead. His eye pops saucer-wide and his entire image disintegrates to leave the screen black. We now know what experience he was referring to when he gave the ring to Starfire.)

Slade: (voice over) The moral of this story?

(Fade in to him and us)

Slade: Never make a deal with an inter-dimensional demon without a little protection.

Shanan: So you made a deal with the Devil all just to get your life back.

Nico: Funny how Karma Works.

Me: Trigon double-crossed you. Can't say you had it coming

Shanan grabbed Slade.

Shanan: Slade you don't know how much I hate you for everything you did not just to the Titans but to Tara and to me! When you made Tara sacrifice herself you took away someone who is like a sister to me. I swore I would never forgive you for everything you did and I vowed to destroy you. But seeing you like this made me have a change of heart. I'm not going to kill you. Not in this state. Because you are not that much of a threat. I would call this fate for you a fate worse than death. So killing you right now would be too easy. So instead, I'm going to put you in a special prison cell. You deserve this after all the pain you caused. Welcome to Limbo on Earth. But first, you're going to help us fight Trigon. And then we'll let you be put into prison in the M.O.E. or at the Estate. Your choice. But if you try anything funny, Robin is going to finish you for good. So do we have a deal?

Slade thought about it.

Shanan's eyes showed that she was not fucking around.

Slade: You have a deal. And you have my word.

She let him go and They shook hands.

Shanan: Good. We're holding you to it.

Papillon: I'd say thanks for joining us for this. But that would imply that you're being selfless.

Slade: Oh, don't be like that. The enemy of my enemy is…

Nico: We're not friends. Our interests temporarily align. Nothing more.

Me: Believe me I don't like it either Nico. But in this kind of situation we'll make an exception.

Lola: He's right.

Machinedramon: Don't worry. We'll make sure he doesn't try anything

Me: Good. And Slade you should consider yourself lucky that we're not going to kill you again. One version of you is more than enough. Also in this state you're in right now, I would call this a fate worse than death.

Chop Shop: Emphasis on Death

Me: We better be ready for anything though.

THUNDERCLAP!

Lightning struck across the sky.

Qin: Scary place.

Me: I know.

Salami Swami: Why didn't Trigon attack Earth Omega?

Me: Probably because of all the power and light and magic that is surrounding the planet. It's too strong for him to handle.

Nico: That could be it.

Me: He needed a world that was much more vulnerable.

Camie: How did Trigon come to the world before?

Me: Well... Only one person here can answer that

We looked at Raven.

Raven: Because of me.

THUNDERCLAP!

Lightning struck in the sky

Camie: What?

Raven: The way he got here was through me. I'm not just a person. I'm a portal. The monks of Azarath imprisoned my father inside me. On the night of my birth, I was to bring about this terrible prophecy that was to bring Trigon to Earth.

Ymir: What is this prophecy.

Me: It went like this. "The gem was born of evil's fire. The gem shall be his portal. He comes to claim. He comes to sire. The end of all things mortal."

THUNDERCLAP!

Lightning struck in the sky.

Camie: Scary!

Ymir: No kidding!

Robin: It's true. This was Raven's destiny before.

Me: This was a terrible secret she had hidden away. A dark birthmark if you will. And it's why she didn't want to celebrate her birthday. No offense Rachel.

Raven: None taken J.D.

Gira: Raven, none of this is on you.

Raven: I know. But I realize now that you all are my family and my true friends.

Nicole: Just like you said.

Me: Yep. Trigon was never your father. Arella is your only parent you have.

Arella: That is right my daughter. You are always my family.

Poromon: I'm not enjoying our visit to Hell.

Me: We're not in Hell, Poromon. This is Earth turned into Hell because of Trigon.

Poromon: Oh. Sorry.

We heard a Crow caw.

THUNDERCLAP!

In the sky with lightning striking we saw a black three legged crow with piercing Red Eyes and it had 4 eyes on its wings.

Me: Whoa is that the Legendary Yatagarasu!?

Qin: The Three-Legged Crow of Japanese Myth!? Wow!

Lincoln: Wait that's not Yatagarasu! That's Raven's Akuma, Nevermore! The Hypothetical Akuma of Raven and she is a three-legged raven and a powerful master of darkness and shadow. She is also impervious to all the powers of Trigon. She was made because of Trigon coming to destroy everything and vowed to destroy him no matter what.

WE GASPED!

Me: Whoa! Her name is like the famous quote of the great book of Edgar Allen Poe, The Raven.

Brittney: One of my favorites. "Take thy beak from out my heart, and take thy form from off my door!" Quoth the Raven "Nevermore."

Nico: Whoa.

Fire Man: I don't think she likes this place either

Me: I wouldn't either.

She landed in front of us and her piercing red eyes looked at us.

Brittney: "Deep into that darkness peering, long I stood there, wondering, fearing, doubting, dreaming dreams no mortal ever dared to dream before." ... "Quoth the Raven, "Nevermore."

Nevermore: Amazing you know that poem Brittney.

Brittney: Its been my favorite for years. And you would get along great with Morpheus here. He and his crow Thorn would get along great with you.

Morpheus: Indeed.

Nevermore: I can tell.

Me: Is blue still your favorite color and do you think Beast Boy is still not funny?

Nevermore: Yes it's still my favorite color and Beast Boy will always never be funny.

Me: Yep that's you alright.

Toad: Raven? Is that you?

Me: I think we confirmed it's her. She still thinks Beast Boy's Jokes aren't funny.

Beast Boy: (Offended) HEY!

Me: Come on Garfield that Gorilla Kabob Joke you said yesterday was still funny to me.

Beast Boy: Well you're the only one that thinks so.

Roquefort: You need to calm down

Nevermore: I'm afraid I can't do that. My father needs to pay first.

Me: Believe me we all want him to pay. But he's right there.

I pointed and saw him sitting on Titan's Tower and he was using it like a throne. It was 5 miles away.

Me: There's the battle. But we'll face him shortly. Lets do this.

I fired waves of energy and blasted her all over the place.

Roquefort sent cheese ninjas and they slashed her.

Nevermore: Nevermore.

She fired waves of darkness and I deflected the blast and blasted her down and knocked her out.

Reflector: Quoth the Raven

Brittney: Nevermore.

Me: Now it's time to destroy Trigon.

Nico: Right.

Raven: I have something to say though.

Me: Okay.

Raven: All my life, I thought I was alone. And then, I met you guys. I know I might not say this often. But thank you for being my friends.

Professor XXXL: You're welcome!

Me: We will always be there for you Rachel.

Lola: That's right.

Slade: (Gags)

Shanan looks at him with disgust.

Shanan: (GROWLS)

Me: Now lets go get him.

Lincoln pulled up a hologram of the Alternate Earth, and he zoomed in on our target.

Lincoln: Now, as we already figured out, our main target is Trigon, the very monster responsible for Raven's nightmares.

Suddenly, the spirits of The Teen Titans and the Angels and Archangels of Heaven appeared and they attacked Trigon with fury along with sudden blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels from Alexander Avalon, then, the spirits converged and a massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, Tiger Roar, and Phoenix Cry was heard, and we appeared and that angered Trigon even more.

Trigon: So, you have come at last.

Nico: But, this is where it ends for you, Trigon.

Me: You have lived for far too long, and threatened the lives of too many innocent people for the last time.

Lincoln: (Beastly Gruff Manlier Voice) Now, we'll make sure your reign of terror ends forever.

Caleb Maxwell: Let's start by chopping off your Achilles tendons!

SLASH! SCREAMS!

CALEB MAXWELL SEVERED TRIGON'S ACHILLES TENDONS WITH A KNIFE AND HE SLASHED AT HIM!

Trigon: You pathetic mortal! Who do you think you...?!

Suddenly, the sound of organ music plays as the skies turned a sickening blood red.

Caleb Maxwell: I've been called much worse: lunatic, demon, devil, and psychopath, one born from years of absolute pain and suffering I've had to endure at the hands of a bastard younger brother and many others who'd wanted me dead, and all that led to my innocent heart turning black with darkness and twisted by hatred and revenge, and my mind became so twisted with insanity and madness, I'd let it turn me from an innocent young man into a demonic twisted dark angel out for revenge! And I'm far worse than even you!

Trigon glared at Caleb Maxwell with absolute hatred, but the demonic dark angel then trapped Trigon in a nearby abandoned building, and he summoned a bush full of blood red roses and blood red flowers.

Brittney: Oh my God, I never figured he'd summon The Blood Roses and Blood Flowers of Hell again!

Then, he set them on fire.

Caleb Maxwell: Enjoy...!

Then, he closed the door, and we saw on an ethereal viewing mirror Trigon starting to suffer from the plants' effects as Trigon started coughing violently.

Caleb Maxwell: Here we go. Even if he's a powerful interdimensional demon, no one can resist the effects of

The Blood Roses and Blood Flowers of Hell.

But, then, Trigon came out!

Me: BIG BANG KAMEHAMEHA!

Trigon: Welcome to Hell, Team Loud Phoenix Storm. I hope you're enjoying your stay.

Plug Man: Fuck no!

Me: Lets just skip right to the theatrics and get to the part where we kill you!

Trigon: Your world is ended! Your time is-

(Two simultaneous occurrences combine to cut off that sentence. The first is a cloud-ripping stroke of lightning)

THUNDERCLAP!

(the second is a primal yell from Slade, who sails into view over Trigon's head from behind, warms up his stolen weapon he found earlier, and delivers a superhuman swing. A huge flash marks its impact, after which the camera pulls back to a longer shot of the area. Slade hurtles past Trigon's face, the newly severed left antler tumbling away like so much deadwood, as the Titans begin to descend. The demon roars in pain and claps a hand to the stump; finally, Slade touches down, the antler only a moment behind. Not long after this, the four Titans hit the pavement, Beast Boy now a tiger and Starfire ready to let her hands do the talking.)

Robin: Titans! GO!

Grizzly: I remember that I was first recruited against you!

Me: I remember that!

Qin: Me too.

Trigon: Well you do have good memory. Also I have someone here who is looking forward for some payback.

Me: One of our teammates enemies. Come on out then!

?: I WILL KILL YOU RIKKI!

Rikki Vega: (GASP) Not her!

Out came a woman with blond hair and blue eyes and she had an orange prison jumpsuit!

Rikki Vega: Leanne Platter!

Golden Glider: Wait a minute! I've seen you before! I remember watching you on TV on that show King of The Hill! You're that violent alcoholic bitch that tried to kill her husband! You wound up in jail for it!

Rikki Vega: And she killed my father! She stabbed him in the heart with a fork and I sent her to jail for life!

WE GASPED IN SHOCK!

Slade: Whoa she has serious issues.

Me: Boy you're telling me.

Fuzzy Lumpkins: To quote Hank Hill, we're gonna kick your ass!

Dark Spicer: And it's going to be kicked really good!

Golden Glider: And Dale is right about this bitch! She is a menace to society!

Me: You know Leanne, you remind me of infamous serial killer Aileen Wuornos! She killed 7 men because she hated them! She got sent to death and is now burning in hell! LIKE YOU SHOULD BITCH!

SMASH!

She threw a beer bottle and it hit me and smashed me on my head!

Me: OW! YOU FUCKING BITCH!

Poromon: At least when I drink beer, it's funny!

Rikki Vega: When she drinks beer she hurts and kills people!

Golden Glider: No wonder why your daughter hates your fucking guts!

SHE ROARED AND WENT AT GOLDEN GLIDER!

Rikki punched her face in and kicked her down!

Me: I'll hold off Trigon! You focus on her!

I punched Trigon!

Rikki Vega: This is for my father!

Fire (DC): (Spanish Accent) I will help you Rikki!

Ice (DC): (Norwegian Accent) Count me in too!

Dr. Light (JL): Me too!

Leanne Platter: YOU WILL DIE!

She turned into a black version of an adult version of Stonebiter! It was ANTI-STONEBITER B!

Golden Glider: And you know what? You remind me of my father just now!

Rikki Vega: THIS IS FOR MY FATHER!

They went and blasted her with fire, light and ice and blasted Anti-Stonebiter B.

I fired a wave of energy and separated her. We scanned her and banished Anti-Stonebiter B to the Black Abyss.

Leanne was really pissed! She went at Rikki and pulled out a fork!

Rikki kicked the fork out and knocked her out by giving her a deadly kick to her face!

We tied her up!

Me: Back to prison she will go.

Horsea: Out of the 3 who helped you, who do you feel is your sibling

Rikki Vega: Ice and Fire. I also discovered I can do this.

She fired blasts of fire and ice and the blasts hit Trigon!

Me: WHOA!

Ice: We can gladly teach you how to do more with your powers too.

Fire: That is for sure.

Rikki Vega: Thank you!

Sunny Espera: Lets do it!

Sunny and Princess Celestia: SOLAR FLARE BLAST!

They fired a massive blast of solar fire and blasted Trigon all over.

Me: YEAH!

Mumbo: I never did like you!

Gizmo: Me neither!

Me: Yeah!

Trigon: You insignificant little pest!

All of TLPS and The MOE: You did it this time, Caleb! Now, you're in massive trouble!

Caleb Maxwell: You pathetic piece of shit! I should've known you'd survive, or did you? You started coughing up blood, I knew right then and there that not even a powerful interdimensional demon like you could survive that since those roses and flowers were born from Hell, and the darkness in my heart made them even more powerful than ever, but it at least weakened you. And don't even bother trying to beg for mercy.

We knew it was too late.

Caleb Maxwell: You have destroyed too many innocent lives for the last time in your desire to conquer the universe, and you've shown zero remorse for any of your crimes. Just like many heroes, I want to make the world a better place. (Menacing Voice Almost Turning Psychotic) And everyone in the universe will be much better off without you in it!

Then, he covered the blade of his massive greatsword in remnants of the toxicity and darkness that long haunted him and he stabbed it into Trigon's leg!

Trigon: (SCREAM OF PAIN)

We saw it for ourselves: Caleb Maxwell had a psychotic smile on his face and a psychotic look in his eyes and he had blood running down from the corner of his eyes and mouth! HE WAS COMPLETELY CRAZY!

Caleb Maxwell: (Psychotic Voice) Breathe it in! Rot in Hell!

Nico: Jesus, he's gone completely mad!

Caleb Maxwell: (Psychotic Voice) I started doing this to get rid of guys like you!

Trigon: (SCREAMS)

Caleb Maxwell: (Psychotic Voice) That's it, squirm in pain, you filthy maggot! I love watching monsters like you suffer!

Trigon screamed even more in pain as he twisted his massive greatsword and Trigon began feeling even more pain as the dark toxicity that haunted Caleb affected Trigon even more!

Lincoln, Nico, and Me: NOW, DIE AND GO TO HELL FOR ALL ETERNITY, YOU BASTARD!

Lincoln, Nico, and I attacked Trigon with a last and powerful downward swing of our massive greatswords and that caused a massive explosion to erupt and the chains broke and Trigon was on his last legs as Lincoln, Nico, and I landed in front of the team, and it also exposed Sekolah, the shark deity from Dungeons and Dragons, our secondary target who was then put into suspended animation until later.

Ed Cowart fired a massive tidal wave of holy water at Trigon, then he fired holy light spears at Trigon's legs, then he fired holy light arrows at Trigon, then he sliced Trigon's horns off with a holy sword, then he fired holy light energy blasts at Trigon leaving him really wounded, then he finished by bringing down the wrath of Heaven as the Heavens fired everything holy light at Trigon.

Ed Cowart: Now for the holy strike! HOLY NUTSHOT FINAL SMASH: HOLY CASTRATION!

Ed Cowart charged his kick with holy light energy, and when he kicked Trigon's crotch, the holy light energy explodes instantly destroying Trigon's crotch making Trigon sounding like a chipmunk and in extreme pain.

Sunny Espera yelled in surprise as she started twitching and her body was expanding.

Same with Freddie and Aria.

Aria Lorelai: NO! We control the power. It doesn't control us!

They concentrated and reigned in the powers of Kingdra and Espeon. They transformed and fired waves of energy and water and blasted Trigon!

Me: Take that!

Slade jumped and looked at Trigon!

Slade: For the record, I am nobody's servant.

He jumped and slashed the second antler off!

THUNDERCLAP!

Lightning struck more!

Slade: All I wanted was my flesh and blood as well as to avenge my previous defeat!

Trigon: (sarcastically) And I'm sorry for your loss. (Backhands Slade)

I grabbed his hand as he was about to hit him and Trigon saw that I was Giant!

Me: Don't you have ANY respect for the dead!?

POW!

I punched Trigon!

I fired an energy blast and bashed and kicked him!

I fired waves of energy and blasted him.

He fired an energy blast from his eyes.

I fired a wave of energy and the blasts collided and exploded!

I teleported and kicked him down.

Slade: I guess that makes us...

Me: Yes we're even.

Trigon: You would defend him? After everything he caused?

Nico: We're not his biggest fans. But he's been punished enough!

Me: And you are the true cause of his punishment.

Tara: I condemned him and you made it worse!

I fired waves of energy and blasted him all over.

Qin fired waves of fire.

Laney fired waves of energy.

We blasted him intensely.

Raven: AZARATH METRION ZINTHOS!

She fired a massive blast of intense darkness and blasted him in his face!

Trigon: You dare strike your own father?!

Nico: Some father you are!

Qin: Yeah!

Corvisquire charged at him and blasted him with shadow energy.

Me: Take that!

Qin: Yeah!

I fired waves of energy and intensely blasted him.

Me: Now time for some fun! I'll hold him off.

Vypra: Okay! Guys you're up.

Then Firefly, Plastique, Whiteout, Ghost, Gearhead, Molten Man, Cad Bane, Vortex, Killer Shrike, and Wolf came.

Nico: Firefly, Plastique, Whiteout, Ghost, Gearhead, Molten Man, Cad Bane, Vortex, Killer Shrike, and Wolf.

POW!

I punched Trigon and smashed him into the lava.

Molten Man: Geez, Hell really came to this Earth.

Cad Bane: That's Trigon for you.

Nico: Yep.

Vortex: He picked this one because it was powerless!

Nico: That's right.

Killer Shrike: (to me) We heard you fought William Stryker.

Nico: We sure did.

Wolf: (to Jack) You should take care of that Growlithe and that Boltund.

Jack Landors: I will.

?: Awesome.

A figure came out and it was SUMOTRON from episode 33 of Zyuohgers!

Azald sends out Sumotron to bring mayhem on Planet Earth where Sumotron used his combo move, Combo Doskoi! (どすこぉい！ Dosukoi!), to create a Sumo Zone to challenge anyone in sumo wrestling which got him promoted to Komusubi. However, the Zyuohgers appeared, so he used his Combo Doskoi! and challenge them to a game of Sumo Wrestling including the unwilling Moeba where he used it as a demonstration. Sumotron managed to beat the 4 of the Zyuohgers, promoting him to Sekiwake and then Ozeki before he retreated.

Later, he was finding another opponent to make him reach Yokozuna, so Leo (after has some Sumo training) challenged Sumotron to a Sumo match and he agrees to it as he used his Combo Doskoi! to create an arena for him and Leo to wrestle in. Unfortunatly, Leo was no match for Sumotron even though Leo won the first round and this promotes Sumotron to the Deathgalien Yokozuna Mawashi.

So Amu challenged Sumotron to a third and final match of Sumo Wrestling to which she succeeds by using the White Tiger Swing and thus, breaking the spell.

After that, he battles the group outside the ring using his Cheating Spear, only to be defeated by Zyuoh Final, Zyuoh Shoot and Zyuoh the Burst. However, Naria enlarging Sumotron, only for him to be defeated by Wild Tousai King's Zyuoh Direct Shot.

Yamato: Sumotron!

Sumotron: Been a while!

Nico: I remember you and I'm sure J.D. does. Your blood game was to creat a Sumo Zone and force people into Sumo Wrestle!

Sumotron: That's true. Good memory like J.D.

Nico: Yep.

Sumotron: Geez, that world probably saw better days

Nico: Soon it will be back to normal.

Qin: Yeah.

Nico: LETS GET IT ON!

Maria: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

Daylight Savings: That is for sure!

Stellar Sparkle: No kidding there and he deserves to go to jail!

Harmony Sparkle: I agree there on that!

Twilight Sparkle (G5): We told him that humans and mutants don't hate each other anymore but his hatred completely destroyed his mind.

Cosmic Nebula Sparkle: What a monster there!

Starshine Sparkle: You got that right. He'll have all the time in the world to think about all that in prison.

Spyro: You got that right.

Firefly: What a jerk! What a monster! He deserves to be in prison. Lets do this!

And like Emily, he's also The Defender of The World of Disney, he was born with enormous angel wings, excessive tons of godly superhuman strength, excessive tons of godly superhuman speed, excessive tons of godly superhuman agility, excessive tons of godly superhuman reflexes, excessive tons of godly superhuman durability, excessive tons of godly superhuman endurance, immense regeneration, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, Cosmic Photokinesis, and the powers of light, magic, and solar fire, and as Defender of The World of Disney, it was his responsibility to defend the Disney heroes and keep the villains in line, but he knew Maleficent and her gang of irredeemable Disney villains plotted to plunge the worlds into darkness, so fifteen years ago, he had all of them banished to The Realm of Darkness never to return, or so he thought. Chie Satonaka: HOLY WIND STYLE: LUMINOUS TORNADO!

Sari Sumdac: HOLY LIGHTNING STYLE: LUSTER THUNDERBOLT!

Lincoln, Yuna, and Julie formed a holy rainbow blade, holy earth hammer, and holy trident and attacked Trigon, and the other girls fired waves of energy and elements and holy energy that hit Trigon and exploded!

Lincoln and his harem: Now, for the grand finale! We've had it up to hear with you, Trigon, and now, this is where you finally die here and now! HOLY FINAL SMASH: SHINING HOLY LASER!

Lincoln and his harem fired a massive holy laser which instantly hit Trigon and exploded with intense and incredible power!

Roquefort: (smirks) Cheese Ninjas...make sure Trigon's death is painful

They went at Trigon and slashed and blasted him.

Me: Raven should also have the honor to finish him

Raven stood before him.

Trigon: You and your wretched friends can never defeat me! But you are still no threat to me, little girl. Haven't you forgotten? I am your creator, your master. You exist only to serve me. You survive only because I allow it. What hope can a mere child have of defeating her all-powerful father?

(The thin eyebrows on either side of the gem set in Raven's forehead suddenly lower as he mouth twists down into a grimace of the purest anger. Finally making up her mind after a long hesitation, she opens her eyes to stare her father full on. White light pours from the sockets, the same that emerged during the flashback of Trigon's arrival in the prologue.)

Raven: (standing up, with a light shining around her head) You may have created me...

(The halo expands to fill the entire screen and subsides to give an overhead shot of the shoreline. As Trigon backs up a bit in genuine fear, the blinding sphere grows again and detonates in a terrific flash. When the view clears, the camera has cut to a close-up of her feet, but the style of the white boots has changed to match those worn by Raven at her normal age. Tilt up to frame all of her; she is now fully herself again, but her hair has grown out very long as it did in the climax of "Birthmark." The white light from her eyes has shifted to her hands.)

Raven: ...but you were never my father.

(Without even a trace of effort, she puts her hands together and fires a broad beam directly into Trigon's solar plexus, driving him back toward the shore. Ground level: Robin begins to pry himself up from the pavement, and the others do likewise as Raven's feet pound past them. Slow pan across the four, now getting to their feet and thoroughly perplexed, then pull back to frame the six combatants in an overhead shot. Trigon has turned away from the reunited Titans, but now swivels to face the approaching Raven with a look of the clearest hate.)

Trigon: Wretched, insignificant-

(She blasts him back again and continues forward, steadily, unstoppably, shooing after each sentence in the following line.)

Raven: Fathers are kind! Fathers protect you! Fathers raise you!

(The last shot leaves him immobilized and straining against the crackling energy that has begun to run up and down his body. Close-up of her.)

Raven: I was protected by the monks of Azarath. (Pull back; the other Titans are behind her.) I was raised by my friends.

(He screams and drops to his knees. Now the same power is coursing through her as well as the others gather closer.)

Raven: They are my family. (It spreads briefly to them...) This is my home. (...then retracts back to her.) And you are not welcome here!

(She rises into the air on the end of this line, the camera tilting up to follow her as white bolts flash down from her spread arms and her gem flares the same color.)

Then, we threw The Twelve Sacred Daggers of Azarath which hit Trigon hard in the chest and pierced his black heart, and beams of light exploded out of him,

Raven: Azarath Metrion Zinthos!

(The light fills the screen and forms into her "soul-self"; pure white rather than black, rearing up in Trigon's face and growing so large that it dwarfs even him. He is slowly and steadily swallowed up by the blinding radiance, finally voicing a scream more agonized than any he has ever been able to force from the throats of his victims as as he was destroyed forever and was erased forever by The Black Fire Vortex of Neverending Oblivion.. The light forms into a wide column that rapidly spreads outward over the city and the Titans, and when it clears away, the urban center has been restored to its proper, un-ravaged condition. Clear blue sky, buildings and streets as they should be, the team's favorite pizza joint standing in all its angular glory behind them.)

(The wave passes elsewhere in the city, reviving the petrified bystanders Robin found early in Part Two, and one final burst restores the bay and the Tower. Now all of Jump City is back together, and no trace of Trigon or Raven's white "soul-self" is present over the skyline. As in Part One, Act One, it is a beautiful day.)

(Cut to Raven, still in midair and ringed by that brilliant white corona; tilt down to follow her descent as it fades away. Each speaker moves up in turn.)

Me: That was incredible!

Starfire: Raven...that was...

Cyborg: ...Unbelievable.

Tara: Yeah!

Raven: No. (smiles) It wasn't.

(As soon as I walked up, he gets two white-clad arms around my neck and the sort of hug Raven has not given to anyone since the end of "Spellbound.")

Raven: Somebody believed.

Me: We're just glad it's all over.

Suddenly, heavenly lights shined down and we saw the souls of all those killed by Trigon on the Alternate Earth, and they ascended to Heaven to finally rest in peace. We cheered as we holstered our weapons and powered down

Nico: And that is the end of Trigon the Terrible.

Me: And those Twelve Sacred Daggers of Azarath really did the job!

Lincoln: Just as Arella said, but we also supercharged them with The Elements of Harmony when we said our declarations as well, but either way, Trigon is finally dead. Now, there's one last thing to do and one last loose end to tie up: Sekolah, the shark deity.

We turned our attention to Sekolah, the shark deity, who tried to get out, but he couldn't.

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, Sekolah began growing weaker as all his powers were being sucked out of him one at a time and was pumped into Lincoln, and he roared in pain.

Then, when Lincoln was done and the stingers changed back, nothing was left of Sekolah, and Lincoln sucked out all of the remaining energy in Sekolah and banished Sekolah to The Black Abyss and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and Lily Malefic's new body, clothes, weapons, jewelry, Third Eye, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long golden yellow wolf tails, large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold crescent moon ring-shaped frame around it with embedded red gems behind the gold halo with four large orbiting gold rings on each corner and four large Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold crescent moon ring-shaped frames around them with embedded red gems behind the gold rings behind her head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large black and red planets orbiting around her legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,9

Lily Malefic: This where it ends for you, Sekolah, and this is goodbye and good riddance. Thanks for helping me get rid of Sekolah, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Lily.

Me and Nico: Our pleasure, Lily.

Suddenly, Lily Malefic wrapped her arms around Lincoln's waist as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Lily Malefic's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Lily Malefic sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: And that's it for Sekolah, serves him right.

Me: Sekolah got what he deserved in the end. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Ice Barrier Frost Masters of Loyalty and General Wayne of the Ice Barrier appear in the sky.

Lincoln: (GASPS) The symbol of The Ice Barrier and General Wayne of the Ice Barrier!

Me: Who would fit that?

Amihan Frostine: That would be Carol Frostine, Avatar and Gene-Slammer of General Wayne of the Ice Barrier, and you guys are gonna like meeting her and she's from the past of Marlene Maxwell, Carol Frostine, Avatar and Gene-Slammer of General Wayne of the Ice Barrier, is Lincoln's Guardian Angel from New York, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of General Wayne of the Ice Barrier. She's The Ice General of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Carol Frostine moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of General Wayne of the Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of General Wayne of the Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and Carol Frostine is also a friend of Marlene Maxwell, and that's how Carol knew about her kids, and she like many of us also felt the cold black chill running down her spine when Caleb Maxwell returned from the dead in 1993, and we feared a bloodbath was going to occur in New York, but it would be three years later when that happens.

WE GASPED!

Allie Maxwell: I remembered Mom mentioning about Carol, and we'd seen her before in the 80s when she came over to babysit while Caleb was out along with Mom.

Marlene Maxwell: That's only for when I go meet with my friends, your brother, well, we know that situation all too well. But, when Caleb returned to New York in 1996, that was when the bloodbath began: the slaughtering of many crime lords, thugs, and gangs who'd come back from the dead and terrorize everyone after your brother drained them of their lifeforce.

Lincoln: Due to Dark Sebastian's curse that turned him into a monstrous demon. But, that curse was brought to an end.

Allie Maxwell: After Mad Cat Max fought him, and we survived until sunrise which destroyed the evil demon and the curse that turned Caleb into that thing, and once that monster was gone, that allowed the dead to rest in peace.

Caleb Maxwell: That may be true, but you also know Carol and her sisters were never gonna forgive me for that in 1996, cursed or not.

Shroud: Well, you did murder and slaughter many crime lords, thugs, and gangs who'd come back from the dead and terrorize everyone after you drained them of their lifeforce.

Caleb Maxwell: Shut it, Shovel Face.

Firefly: (to Slade) Now, where does this leave us.

Slade approached us as we got ready for another fight. To our surprise, he simply held his arms out.

Slade: A deal's a deal. Trigon's been dealt with. So now, I go back to prison.

Plastique: Well, at least you kept your end of our bargain.

Slade: There's really nothing I can do right now in my current state and with my resources depleted. And at least Trigon's out of the way.

Whiteout: That's true.

Ghost: Looks like it's the end of two chapters in the Titans' lives.

Gearhead: You really thinkin he'll learn anything in prison?

Nico: Only time will tell

I put the cuffs on him.

CLICK.

Me: This will give you time to reflect on your actions.

Shanan: I will always hate you for everything you did Slade. But like my dad said, killing only one of you is more than enough.

Nico: Great job today everyone! We have all the primary members of the Titans days done.

Me: All that's left is Kole.

Raven: (To the Viewers) Now we've seen the last of my father.

Me: Yep.

We went back home and had good pizza too.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We finally did it, we got rid of Trigon forever.

Anna Anyanova: You said it, that guy was nothing more than a monster!

?: (Beastly Gruff Manlier Voice) And we never forgot what he did to Raven long ago.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in the hot waters, but they also saw his towel was on the rack along with his orange speedo, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Girl Jordan: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fessterox's Perfect Gene-Slammer serum and Perfect God serum and Savage Serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his towel around his waist about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Beastly Gruff Manlier Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

See you all next time.

CRYSTAL RACING ON CASCAREAU

Kole's day to shine

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a mysterious and thundering realm covered in ancient ruins, one-eyed colossi, and shattered observatories built to channel the secrets of the universe, and protected by a race of powerful omnipotent Cyclopian warrior angels known for their immense strength and piercing vision who'd spent their lives fighting, and the males proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters born for strength and war, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of ocular sight, celestial sight, psychic force blasts, and vision so precise she could see across time and destiny, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility.

Lincoln woke up.

Lincoln: Holy moly, what on Earth Omega was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was Cyclopsaira, a mysterious and thundering realm covered in ancient ruins, one-eyed colossi, and shattered observatories built to channel the secrets of the universe, and protected by a race of powerful omnipotent Cyclopian warrior angels known for their immense strength and piercing vision who'd spent their lives fighting, and the males proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters born for strength and war, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of ocular sight, celestial sight, psychic force blasts, and vision so precise she could see across time and destiny, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility.

Lincoln: I haven't been back to Cyclopsaira in eight years, and that place was really intense.

Lincoln got up and got dressed, and he left a note explaining it, and he headed to Cyclopsaira.

Lincoln landed on Planet Centauraira, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: I'm back on Planet Cyclopsaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as intense as ever.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw an extremely strong-looking male Cyclops who's really tall at 950'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a green sun and moon on his chest, he has long brown hair going down to his shoulders, green eyes, massive brown angel wings, and he has on a brown loincloth, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Odysseus Cyclopsaira, King of the Cyclopsairans of Planet Cyclopsaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?

Lincoln: I do, he's the father of my Guardian Angel, Odyssara Cyclopsaira, Queen of the Cyclopsairans of Planet Cyclopsaira, and I know she's right...here!

Suddenly, Lincoln turned around and saw a beautiful female Cyclops who was tall at 690'11" in height, she has the strong physique and voluptuous body of a goddess and large breasts, long silky dark brown hair, a single radiant eye of divine fire, immense glorious angel wings, she has on a long white sleeveless toga with carved armor fused with forgotten technology, and she has a divine staff with a burning golden eye at its core pulsing with her people's spirit.

Lincoln: (Smirks) I knew that was you, Odyssara Cyclopsaira, Queen of the Cyclopsairans of Planet

Cyclopsaira.

Odyssara Cyclopsaira: You were always that quick to spot me, guess that training's really paid off.

Then, all of the other Googol of Vigintillions of male Cyclopsairans came to Lincoln.

Odysseus Cyclopsaira: That's correct, and this was something Odyssara wanted to do. (Smiles) And just as we saw, you've indeed grown that much stronger and much taller, you're now as tall as me, and you're also even more buffer and muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln: Yes, that's indeed correct, sir, and there's something I need to tell you.

Odysseus Cyclopsaira: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Odysseus Cyclopsaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Odysseus Cyclopsaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Odysseus Cyclopsaira and the other Googol of Vigintillions of male Cyclopsairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of ocular sight, celestial sight, psychic force blasts, and vision so precise she could see across time and destiny, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,9

99,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH! (WOLF ROAR)

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has an additional white aura with sunlight and stars surrounding him and overflowing with such infinite primal power and ferocity as he pounded his chest like a gorilla.

Lincoln: Whoa...! (GROWLS) This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Odysseus Cyclopsaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Odyssara Cyclopsaira: But, before he absorbs our planet, the Planet-Eye's Core, the Observatory Star Cradle, and Cyclopsaira's twin Suns into his body, it's been two years since we last had an intimate moment.

Suddenly, Odyssara Cyclopsaira went up to Lincoln and she placed her hands on his massive hairy pecs and he sat on the ground and they kissed with an intense passion and he wrapped his arms around her waist and he deepened the kiss even more: they were engaging in a heated and intense make-out session as they kissed deeply and passionately, and Odyssara Cyclopsaira also kissed Lincoln on the right trapezius, and when she slowly removed her lips and licked the love mark, it glowed with intense light and Lincoln was also glowing as his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails were wagging.

Lincoln: (GROWLS)(Smirks) It's been a while since you last left any love marks on me. Now, it's my turn.

Suddenly, Lincoln pinned Odyssara Cyclopsaira to the ground and wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her again on the lips with intense passion which she returned as she still had her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Odyssara Cyclopsaira with white gems on the gold lightning bolts and white crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

He then helped her up and he kept her close to his body as she took the time to rub his massive muscles and massive hairy pecs.

Suddenly, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Suddenly, Lincoln's deep sapphire eyes turned neon glowing deep sapphire blue along with the visible veins on his upper and lower body, and then...!

Lincoln: (GROWLS)(WOLF ROAR)

RIPS!

The sudden surge of power caused Lincoln's white shorts and loincloth to tear to shreds leaving him in the nude, but it led to Odyssara Cyclopsaira to pounce on Lincoln, and they had an intense and deep lovemaking fest which ended hours later with Lincoln letting out a loud roar of dominance, and Odyssara Cyclopsaira sleeping and feeling pleasured.

Odyssara Cyclopsaira: (In Heaven) What...a...primal...virile, and manly beast you've become.

Lincoln's white and gold trimmed shorts reappeared and his orange loincloth reappeared around his waist and he beamed Odyssara Cyclopsaira to his room and he flew deeper and deeper into the planet, and he found the Planet-Eye's Core, the core of Cyclopsaira, the inner and outer core of the planet consisted primarily of iron and nickel and are extremely infernally hot with a temperature at more than 1,000,000,000,000,000,000,000,000,000,000,000,000,000, 000,000,000,000,000,000,000,000 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat., and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Cyclopsaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself and its Observatory Star Cradle, along with its World-Eye Temple and the purified Prophecy Engines into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH! (WOLF ROAR)

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Cyclopsaira's twin Suns and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH! (WOLF ROAR)

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became

even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln, his harem, and his kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: This was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Cyclopsaira, a mysterious and thundering realm covered in ancient ruins, one-eyed colossi, and shattered observatories built to channel the secrets of the universe, and protected by a race of powerful omnipotent Cyclopian warrior angels known for their immense strength and piercing vision who'd spent their lives fighting, and the males proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters born for strength and war, but they also had vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, immense superhuman durability, immense superhuman senses, immense superhuman speed, immense superhuman endurance, immense omnipotent powers of ocular sight, celestial sight, psychic force blasts, and vision so precise she could see across time and destiny, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility.

He finished and returned the book to Lincoln's room.

Me: Whoa! A planet based on the legends of The Cyclops from Greek myth?! Intense!

Nico: You said it. I heard legends about Cyclopsaira, that place is one of the most mysterious realms ever covered in ancient ruins, one-eyed colossi, and shattered observatories built to channel the secrets of the universe, but when I heard of what The Infernairans did in shattering their World-Eye Temple and corrupted the Prophecy Engines of the planet, that pissed me off.

Lincoln: When I absorbed Cyclopsaira and its Planet-Eye's core, my power repaired The World-Eye Temple, observatories, purified the Prophecy Engines. Now, their legacy and massive wealth of knowledge and prophecy is now preserved.

Nico: That was really awesome of you.

Just then, we saw Odyssara Cyclopsaira enter and she sat with Lincoln.

Me: And who's the female Cyclops?

Anna Anyanova: This is Odyssara Cyclopsaira, Queen of the Cyclopsairans of Planet Cyclopsaira, she's Lincoln's Guardian Angel from Planet Cyclopsaira, a mysterious and thundering realm covered in ancient ruins, one-eyed colossi, and shattered observatories built to channel the secrets of the universe. She's The Queen of the towering Cyclopsairans known for their immense strength and piercing vision, yet Odyssara stood beyond them all: a brilliant battle sorceress, a juggernaut oracle, and the ultimate Seer of Doom. She possessed devastating ocular power, celestial sight, psychic force blasts, and vision so precise she could see across time and destiny, and with each battle, her strength magnified tenfold. Born with a single radiant eye of divine fire, massive angel wings, and carved armor fused with forgotten technology, Odyssara Cyclopsaira wielded command over all light, gravitational pulses, reality fractures, and ancient cosmic lenses once used by her people to map the stars and split worlds, and she was also born with immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people multiplied by infinity. When the Infernairans shattered her World-Eye Temple and they corrupted the Prophecy Engines of her planet, she vanished into the Forbidden Zone, swearing to return with vengeance brighter than a thousand suns. Odyssara Cyclopsaira descended to Earth and Royal Woods, where she encountered Lincoln instantly recognizing him as the one fated in the Cyclopsairans' oldest prophecy, and she vowed to protect him from all enemies and trained him in the Way of the One-Eyed Flame bestowing upon him mastery over ocular blasts, star-sight, fate manipulation, and psychic storm techniques, and over time, Lincoln gained the powers of the Cyclopsairans, including piercing insight, planetary energy fusion, and precision vision strong enough to rewrite reality itself, and Lincoln was already been born with immortality and invincibility, and she knew with absolute certainty that

Lincoln was a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid, a being of limitless power, cosmic beauty, and primal force, and she fell hard for him. More than once, she kissed him passionately and made out with him under the full moon, leaving him glowing with power and his tails wagging like galaxies in motion and She adored him even more with every encounter. She helped him refine his vision, expand his third-eye powers, and granted him sacred lenses from the Seer Lords of Cyclopsaira that allowed him to view the truths of the Multiverse, and she trained him in starforging and gave him access to knowledge stored in her planet's psychic archives. Lincoln eventually absorbed the Googol of Vigintillions of her people, The Cyclopsairans, the Planet-Eye's Core, the Observatory Star Cradle, and Cyclopsaira's twin Suns preserving their legacy within him, and he forged for her a divine staff with a burning golden eye at its core pulsing with her people's spirit. To thank him, Odyssara Cyclopsaira kissed Lincoln on the lips with deep emotion and explosive power, which he returned with heat and affection, and he swore to marry her when he came of age, along with the rest of his cosmic brides, and as for Lincoln's enemies, she has seen their entire existence..., and she swore to burn their destiny down to ashes and trap their souls in a prison of blinding visions for all eternity.

Nico: (GASPS) I remembered hearing about her, she's a brilliant battle sorceress, a juggernaut oracle, and she's also the ultimate Seer of Doom who possessed devastating ocular power, celestial sight, psychic force blasts, and vision so precise she could see across time and destiny, and with each battle, her strength magnified tenfold who was born with a single radiant eye of divine fire, massive angel wings, and carved armor fused with forgotten technology, and she wielded command over all light, gravitational pulses, reality fractures, and ancient cosmic lenses once used by her people to map the stars and split worlds, and she's also born with immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people multiplied by infinity. I remembered hearing of the Cyclopsairans' ancient prophecy, but I had no idea that the person mentioned in their prophecy was you.

Lincoln: That's right. I was the one mentioned in their ancient prophecy that I would absorb their people, their planet, the Planet-Eye's Core, the Observatory Star Cradle, and Cyclopsaira's twin Suns into my body preserving their legacy.

Nico: And you were also trained by her in The Way of the One-Eyed Flame bestowing upon you the mastery over ocular blasts, star-sight, fate manipulation, and psychic storm techniques, and over time, you not only gained all the powers of the Cyclopsairans multiplied by infinity, but you also gained piercing insight, planetary energy fusion, and precision vision strong enough to rewrite reality itself, that's really incredible.

Fasha: And my sisters told me that she helped him refine his vision, expand his third-eye powers, and granted him sacred lenses from the Seer Lords of Cyclopsaira that allowed him to view the truths of the Multiverse, and she even trained him in starforging and gave him access to knowledge stored in her planet's psychic archives, that alone would make even Frieza tremble in fear. Say, when Chandler tried to hurt you, did you make him piss his pants?

Lincoln: He did when I told him that he would one day pay a far greater price for the wrongs that he had committed against me, my family, my friends, and all of Royal Woods, and my eyes glowed with burning blue energy and divine fire as he looked into my eyes and he saw his fate, and it came true when Laney got her powers from Gaia and Riley also got her plant powers and ended Chandler years ago.

Me: Whoa, and prophecies are known to be very powerful, and they've been part of the many stories from ancient times, and prophecies played a major role especially in Greek mythology.

Odyssara Cyclopsaira: That is correct, and all that hard training I'd put you through really sharpened you into the very warrior you've become and even going to my planet also helped greatly, Lincoln, and we also had known Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever, and last night, after he fed on my blood and marked me, he gained Cyclopsaira's Blessing of Divine Prophetic Cyclops Power Justice, and each Forbidden Zone Planet Queen have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 950'11" extremely tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs with enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Odyssa Cyclopsaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well, not to mention you were quite the wild untamed beast last night.

Caleb Maxwell, Allie Maxwell, Tyler Maxwell, Alexander Maxwell, Marlene Maxwell, and The NYPD Nightshift: Get a room, you two!

Kole woke up to see Carbink staring at her

Kole: (Yawns) Oh morning Carbink.

Carbink: Morning Kole! Time for breakfast!

Kole: Be right down.

She went and got dressed and went to the table.

Me: Morning Kole! Made your favorite.

I gave her a stack of pink pancakes.

Me: Cotton candy pancakes with rock candy and sprinkles.

Kole: YUMMY!

She ate them.

Eli: (SENSES SOMETHING) (GASP) BRO! Your eggs are hatching!

We went to my room! We saw the 3 eggs glowing.

Me: Whoa! This is gonna be awesome!

We then saw them crack!

Then...

SMASH!

OUT OF INTENSE BURSTS OF FIRE, ICE AND LIGHTNING CAME THE 3 LEGENDARY BIRDS THEMSELVES - MOLTRES, ARTICUNO AND ZAPDOS!

WE GASPED!

Me: WOW!

All of us: WOW!

Me: The three legendary birds!

Eli: Amazing!

They saw me and knew I hatched them.

Me: You guys are amazing and beautiful.

Solgaleo: That means we have them with us too.

Me: Yep.

I pet them and they were amazing in terms of power

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it in the center and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras

flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was clones of the Akumas, Frozor and Glaciator, and they're at Mount Aconcagua in South America.

Nico: Oh crud, clones of Frozor and Glaciator, has Banno struck already?!

Lincoln: I'm gonna go with yes. But, this proved to be good timing, since in the future when we face Cerise Bianca, we'll also be facing clones of The Akumas that lunatic's created, and I'll be absorbing them, and I'll be starting with the clones of Frozor and Glaciator.

There's a knock at the door.

Lizzy Pom-Rose: (Happily gasps) My friends! (runs up to door)

Lincoln: Your friends?

Lizzy Pom-Rose opens the door to reveal her friends; Moth Blaze, a slim-figured humanoid female Moth with grayish-lavender skin, light pink moth eyes with an X-shape pupil on her left eye and a button-shape pupil on her right eye, and long knee-length grayish-white hair with red tips and a red-pink hairbow. She also has moth-like angel wings and noticeable dark and moderate crimson horn. She wears a red-pink blouse with white peter-pan collar, white trimming on the sleeves, and two white buttons down the front, fingerless blue opera gloves, darker blue with a thick pale pink waistband, blue thigh-high stockings, and white flats. She wields a spear.

Scaly, a tall and slim young female demon with red skin, green eyes with yellow irises, small red horns atop her head, and pale green spiky tied into downward pigtails. She wears murky green turtleneck crop-top, dark blue jean-shorts with a black belt, black fingerless gloves, long white over-the-knee stockings, and white sneakers with blue stripes.

Sassypants, a tall and thin young female demon with red skin, yellow eyes with green irises, red single horn on her upper forehead, and long baby blue hair fading to blue tied in a ponytail with a noticeable black tiara. She wears a long white lab coat with a light pink sash, pink turtleneck, long pink gloves, pink tights, and black pumps.

And Task Kong, a taller, thinner, slimmer and in better shape and even leaner young male Monkey with tan skin and dark brown fur, blue eyes, and a long monkey tail. He also has purple war face paint around his eyes and a noticeable feather on his head. He wears a reddish-brown cape.

Lizzy Pom-Rose: Moth Blaze! Scaly! Sassypants! Task Kong! You guys are here!

Lincoln: Alright, now then, let's finish breakfast and head to South America to take down those Akuma clones.

Nico: So, that you can absorb them and piss off Banno.

We finished breakfast and we headed to South America to help Nico unlock his Rainbow Power and take down the clones of Frozor and Glaciator, so that Lincoln can absorb them.

Me: Hold on Miyamoto.

Jessie: We're coming mom.

Qin: Jessie I know you are worried but we'll get her back.

Vierra Voltic: And I think today I'm going to lay off roasting you for this. You need all the time you can to catch up with your mother.

Jessie: I appreciate that Vierra.

Nico: Good call there Vierra.

Rainy Turtoid: Having to survive in a cave like that for almost 20 years? That is rough.

Xenia: It sure is.

Nico: Rainy Turtloid, I want to thank you, Rain, and your teams for coming

Rainy Turtloid: No problem Nico. This will be fun and cool.

Me: And the coolest part about that team is all the Legendary Pokemon of the Johto Region are in that team with you.

Rainy Turtloid: That is so awesome!

Lugia: We'r'e excited for this one.

Suicune: We sure are. Aren't we Aqua?

Aqua: We sure are.

Nico: Lugia, who's your trainer?

Lugia: I have picked Vierra Shindai as my trainer.

Vierra Shindai: Because I am the gene-slammer of Mega Lugia. It's fitting for me.

Me: It sure is. I agree there.

Nico: I can agree on that too. That is cool.

Lugia: It sure is and me and Vierra have done it all together.

Nico: Good choice.

Vierra Shindai: It certainly is.

Qin: Yep.

Lola: Yep.

Laney: Wow! J.D. that is so cool that your eggs hatched! Now you have all 3 of the Legendary birds.

Nico: That is so cool!

Me: It sure is. Not every day we get to see Pokemon Eggs hatch.

Poromon: I know!

Manaphy: Wow! It sure was awesome!

May: I witnessed Manaphy hatching from an egg.

Misty: Me too with Togepi.

Lillie: And me with Snowy.

Me: And I think Ash hatched a Phanpy from what I heard.

Ash: I sure did.

Me: Wow! But we've never seen a Legendary Pokemon hatching before so this is a VERY rare moment for us.

Nico: But it probably won't be the last for us.

Me: Yep. Also I made these for this.

I showed a Phoenix Pokeball, An Icebird Pokeball and Thunderbird Pokeball.

Me: These are my special pokeballs I made for them. A Valor Ball for Moltres, The Instinct Ball for Zapdos and the Mystic Ball for Articuno.

Nico: Wow! Those are great!

Qin: Yeah!

Nico: Fitting too.

Me: Yep.

Nico: Well congratulations J.D. Solrock and Lunatone and Lunala are both gonna have awesome friends too.

Me: Yep. And don't forget Celebi too. I rescued her from the G.S. Ball.

Nico: Oh yeah!

Poromon: We're happy for you

Me: Yep.

I looked at Raven.

Me: Raven are you happy you don't have to deal with your so-called dad again?

Raven: To be honest, yes I am. I may not show emotions that much but yes I am happy.

Me: But that version of Earth was a nasty apocalyptic nightmare.

Nico: It was like going to Hell. Literally!

Qin: YEAH!

Me: That was scary!

Shanan: Also I was not expecting Slade to be back there! I wanted NOTHING MORE than to kill him for hurting me and Tara! But after seeing how he was tormented greatly by Trigon, that changed things.

Lincoln: (sighs) First that and Kip getting away from us. Are we losing our touch?

Nico: Lincoln no we aren't. We are just getting warmed up for this. Besides, Aqua and Suicune and Skulker got some shots in on Kip so that proved to be a good warmup for it.

Lincoln: You're right. Jack's day must be close.

Qin: Yeah.

Shanan: Also Lincoln that was the version of Slade that we killed during my babysitting adventure. Remember?

Lincoln: Oh yeah! That was cool.

Ymir: Why do you hate Slade that much Shanan?

Shanan: Oh right you haven't been told about this. It was back during my babysitting adventure.

FLASHBACK - CHAPTER 504 OF LOUD HOUSE REVAMPED

Shanan: (VOICEOVER) Terra betrayed Slade and gave him a really big piece of her mind.

Terra: YOU... CAN'T... CONTROL... ME... ANYMORE!

She released her power and in a huge explosion it killed Slade in an instant.

KRABOOOOOOOOOOMMMMMM!

Shanan: Go to Hell Slade!

Terra was exhausted. Suddenly without warning massive geysers of lava erupted out of the cave floor and the ground was shaking violently.

Shanan: (VoiceoveR) That was when Terra decided to end it all to atone for her deeds.

Robin: Terra's power! It's triggered a Volcano!

Cyborg looked at his analyzer.

Cyborg: Big enough to take out the whole city and way too big to stop!

Raven: We have to get out off here!

The Titans left.

Beast Boy: Terra! Come on we got to go!

Terra: I have to stay.

Shanan: (Gasp) No you can't! It's too dangerous!

Lincoln: Yeah we have to go!

Terra: I'm the only one that can stop it.

Janeen: That's crazy Terra.

Beast Boy: Please Terra you can't! It's too late.

Terra: It's never too late.

They embraced for one last hug and she cried.

Terra: You're the best friend I've ever had.

Terra got them out of there and the volcano was getting worse.

(Terra's Theme Song plays)

Terra built up her power to an incredible degree. Slade's mask of evil was consumed by the lava. Shanan, Lincoln and Janeen watched on in sheer horror as Terra released the full potential of her power and stop the volcano!

Terra: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHHHHHHHHHH!

Shanan: Terra.

The explosion of power she released was so powerful and so devastating that it was unbelievable.

Shanan: (SCREAMING) TEEEEEERRRRRRRRRRAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!

Lincoln and Janeen were gasping at the sheer magnitude and ferocity of the level of power being released.

Lincoln: Has Terra lost her mind or what!? It's too much! She could die!

The level of power Terra released was unbelievable.

Lincoln: What has she done!?

Janeen: Terra! I can't let her do this!

Lincoln: Janeen wait! You know as well as I do she can't survive a blast like that. She's doing this to redeem herself and save people from destruction. She's risking her own life for the sake and love of her friends! Let her finish what she started.

The power of the earth was incredible.

DBZ Narrator: AND SO ONE OF THE EARTH'S MIGHTIEST SUPERHEROES HAS VANISHED IN A BLINDING FLASH OF LIGHT, HAVING MADE THE ULTIMATE SACRIFICE FOR THE

LOVE AND SAFETY OF HER FRIENDS. HER NAME WAS TARA MARKOV A.K.A. TERRA, A PRINCESS, A TRUE HERO, AND A BRAVE... TEEN... TITAN.

* * *

When the smoke cleared Terra's power had ultimately done the trick. But with a heavy price. Terra was now a stone statue frozen in time for all eternity.

Shanan: (Voiceover) Terra made the ultimate sacrifice to save all her friends and the city from ultimate doom. And in doing so, she was turned into a statue... Forever.

Shanan, Lincoln and Janeen saw the statue and Shanan was overtaken with grief.

Janeen: Are you sensing what I'm sensing Lincoln?

Lincoln: Yes. Terra's energy signal has completely disappeared. She's gone.

She walked up to the statue and broke down crying.

Shanan: (Crying hard) It's all my fault! It's all my fault!

She punched the ground and cracked it.

Lincoln: Shanan, no it's not.

Shanan: I should've stopped it! (Crying) I should've stopped her from doing this! TERRA! WHY!? WHY!?

Janeen came and comforted her.

Janeen: I'm so sorry Shanan.

Shanan's sadness quickly turned into extreme hatred and rage. She got up and flared up her power.

Shanan: SLADE! THIS IS ALL YOUR FAULT! IF YOU EVER COME BACK, I SWEAR THAT I WILL KILL YOU! I WILL NEVER FORGIVE YOU FOR ANY OF YOUR CRIMES SLADE! AS LONG AS I HAVE MY FRIENDS AND LOVED ONES BY MY SIDE, I... WILL... HAVE... MY... REVENGE!

Shanan had sworn to get Vengeance on Slade Wilson and she will make sure that he pays for everything he has done. He will pay far beyond the Ultimate Price for everything he has done. Not just to the Teen Titans, but to Terra and to the world.

FLASHBACK ENDS

Shanan: Ever since then I've harbored an intensly massive and powerful burning hatred towards Slade. All Versions of Slade actually. Like my father who vowed to kill all versions of the Shredder, I vowed to end all versions of certain versions of Slade! TTG Slade and Universe 666 Slade are exceptions.

Ymir: That is awful. I'm sorry Shanan.

Shanan: Yeah. I still hurt from that experience every single day. My heart still aches.

Me: Oh Shanan.

Tara: And is it true Shanan, that you think of me like that?

Shanan: I meant every single word of it Tara.

Tara: Thank you so much.

Robin: But now, me and your crusades against Slade end. I'm done being obsessed over it now

Me: Thank goodness.

Shanan: That's true. One version of Slade can die. But the one we caught can rot in prison forever.

Me: Good call.

Brittney: But Raven's Akuma was cool. She looked like the legendary Yatagarasu from Japanese myth.

Ymir: What is Yatagarasu?

Me: The legendary Three-Legged Crow from Japanese myth. It is a symbol specifically of guidance. This great crow was sent from heaven by Takamimusubi as a guide for legendary Emperor Jimmu on his initial journey from the region which would become Kumano to what would become Yamato (Yoshino and then Kashihara). It is generally accepted that Yatagarasu is an incarnation of Kamotaketsunumi no Mikoto, but none of the early surviving documentary records are quite so specific.

Ymir: I see. Wow! That is amazing.

Brittney: That Akuma reminded me of The Raven by the great Father of the Macabre, Edgar Allen Poe. That has always been one of my favorite poems back from when I was a little girl.

Me: I can see why.

Brittney: It was the very poem that helped me embrace the Gothic Subculture.

Lucy Loud: That is really amazing.

Deadpool: (to the viewers) I hope you folks like the Bonding times between Core members and their mascots. They're like short stories in between missions

Jamesdean5842: We do like them and they are fun to see and do.

Me: That is cool!

We landed at the foot of Mount Aconcagua. We had our warmest fur coats on.

Me: Wow it sure is cold.

Nico: Lots of Snow here.

Me: Yep.

Eli: This is the spot where I saw the Avalanche thru the Force.

Me: You sure?

Eli: Positive. Let me do my stuff.

Eli concentrated and used the Force and blew the snow from the Avalanche away!

WHOOSH!

The snow formed a path and it lead to a cave and it went down into the mountain!

Me: WHOA! Nice work Eli.

Eli: Thanks!

Poliwag was about to lick some ice

Me: Poliwag I don't think you should lick the ice here.

Poliwag: Oh.

Nico: Lets get going.

We went into the cave and it was really dark.

Me: Boy it sure is dark. I can't see a thing.

But then a light shined at us and it was a neon blue light!

Me: WHOA! That is bright!

?: Maybe I can lend a hand.

We saw a Lantern Shark Girl and she had blue pants and black shoes. She was shining blue light from her eyes!

Me: Whoa how illuminating!

(RIMSHOT)

Luan: (LAUGHS) Good one J.D.

Eddy: (LAUGHS) That was a good one!

Me: Thanks!

Nancy Philly: I'm Nancy Philly A.K.A. Neonette.

Me: Wow! Pleasure to meet you and you're half Lantern Shark. Cool!

Heidi: Those are Deep Sea Sharks that live down at around 9,800 feet.

Me: Wow! Almost in pitch black water darkness.

Nancy Philly: Yep. I'm the Tech Support of the Tidal Fangs and I make gadgets for the team to help bring down many of Paradigm's devices. I make weapons and devices for any environment.

Me: Wow!

Clemont: Think you can give me some pointers? I make gadgets and devices like that. But sometimes mine fall apart.

Nancy Philly: I'm sure I can do that.

Bonnie: It's true!

Nancy Philly: I can tell he's having trouble. But sure thing.

Me: Awesome. What were you doing when you got gene-slammed?

Nancy Philly: Well I was working on getting materials for making blasters. I needed to get crystals similar to Kyber Crystals for Lightsabers in a cave. But the cave was pitch black dark.

Nancy was looking around in the cave and it was so dark she couldn't see a thing. She injected herself with Lantern Shark DNA and in an excruciatingly painful transformation she turned into NEONETTE!

She used her eyes as flashlights to help and they did the trick!

FLASHBACK ENDS

Nancy Philly: It worked. Using Lantern Shark DNA really did the trick. Here's what I made.

She showed us a blaster that looked very similar to an E-12 Blaster.

She fired it at a stalactite and it fired a purple laser beam and it broke the stalactite off!

Me: WHOA! That is cool!

Nancy Philly: I call it Lightblasters. Like how Lightsabers are made, I use Kyber Crystals of Each Color to make Lightblasters.

Me: Wow!

Anakin: That is very interesting.

I ignited my Lightsaber.

Me: Very similar in design but fires beams of energy for great distances.

Nancy Philly: Exactly.

Me: It works perfectly.

Nancy Philly: It sure does.

Horsea: Your hobbies?

Nancy Philly: I like gardening. It's good to grow plants.

Me: It sure is. How about we revert you back.

Nancy Philly: I would like that.

Me: Okay but it's gonna be painful.

I formed a floating ball of energy and it lit the cave.

I put on my blind man glasses.

Lincoln: EYES TO YOURSELVES PERVERTS!

Nicole: Aw Lincoln! I was gonna say that!

Lincoln: Sorry Nicole. (LAUGHS)

She handed me her blaster for safety.

Me: Here we go. (SNAPS FINGERS)

She doubled over in pain and reverted back and had Neon purple hair and blue eyes and had a Lantern Shark on her forehead and on her Tidal Fangs mark was a pair of gears.

We wrapped her in a blanket and brought her over. Her pants and shoes fell off.

Camie: Her clothes are too big for her now.

She felt her hair and saw her hands and feet and body.

I formed a mirror and she gasped!

Nancy Philly: Wow! I'm normal!

Me: Yep. But you have your powers as Neonette too.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her purple clothes and a Light Sword and a Flashlight Magisword.

Nancy Philly: I look amazing. (SCREAMS) Whoa why does my back feel so heavy?

Me: Your wings came in.

She saw purple angel wings!

Nancy Philly: Wow! I have wings!

Me: Yep. We are actually here to help find Jessie's mother. Eli used the Force to find her. She was said to be living in this cave for over 15 years.

Nancy Philly: I think I remember seeing her. Follow me.

She used her eyes and formed beams of light from them that acted light flashlights!

Me: Wow! Who needs flashlights when you can do that.

We followed her.

Nico: Where did you see her?

Nancy Philly: I met her when I was getting materials for my next blaster. But 3 days ago a tremendous blizzard rolled in and I was trapped with her. But she is right down here.

We walked and saw a light coming from a tunnel.

Nancy Philly: It's down there.

We went to the tunnel and we saw an amazing sight! We saw an UNDERGROUND OASIS! It was a crystal grotto with waterfalls, plants and fruit trees, a lake and more. There were even all kinds of animals too.

Me: WHOA!

Nico: Wow! An underground oasis.

Qin: Amazing! Under the foot of Mount Aconcagua!

Nancy Philly: She lives in there.

We saw a cabin there.

Me: There's a cabin. Lets go see.

We went over. I knocked on the door.

Me: Hello? Anyone home?

Answering the door was a woman with longer red hair and green eyes and her clothes were all torn and tattered.

Miyamoto: Oh hello there.

Me: Are you Miyamoto?

Miyamoto: I sure am. Miyamoto, Elite Member of Team Rocket.

Me: Pleasure to meet you. We have been looking for you. And we need to talk to you about certain things.

We went and sat down.

Me: First we just want to say that we are glad you're alright. Also...

I looked at Jessie.

Jessie saw her mother for the first time in a long time!

Miyamoto: (GASP) Jessie?

Jessie: MOM!

She and Jessie hugged and were so happy to be together again.

Jessie: (CRYING) I'm so glad you're okay!

Miyamoto: Me too! How did you all find me?

Me: Eli here. He used the Force and found you. Jessie told us what happened and how it was because you were sent to find Mew.

Miyamoto: That's right. It was because of a project for Giovanni.

Me: Yep. The result was Mewtwo.

Mewtwo showed himself.

Mewtwo: It was because I was made from it.

Me: Yep. Long and horrible story there.

Nico: Heard from Giovanni lately?

Miyamoto: No. I've been stuck here for 15 years. I couldn't get out because of all the blizzards and avalanches.

Me: Well long story short, back in 2019 we battled Team Rocket outside of Pallet Town and destroyed them and killed Giovanni.

We told her what happened and it was intense.

Miyamoto: Oh no. Team Rocket is gone.

Me: Well not all of it. Jessie, James and Meowth got canned before we destroyed them. Also if it makes you better they had the worst performance record of them all.

Eli: They caught Zero Pokemon for them.

Meowth: And we always got blasted off into the stratosphere because of Ash and friends.

Miyamoto: Oh wow. Wait I never saw a Meowth that could talk?

Me: Meowth learned how to talk all on his own.

Meowth: But now, I'm not that special

Poliwag: Many of us can talk.

Manaphy: It's true.

Me: The Team Loud Phoenix Storm mascots can talk because they learned from us.

Miyamoto: I can see that. That is incredible.

Me: Yep our mascots are that special. But it's just absolutely miraculous that you have been living in this amazing underground oasis for all this time.

Miyamoto: I had to do what I could to survive.

Me: And it paid off.

Poliwag: Beer?

Miyamoto: Oh thank you.

She took it and drank it.

Me: Our mascots are some of the only Pokemon, Digimon and Fish that drink beer.

Poromon: Yeah it's true. And we like it.

Manaphy: Yeah.

BELCH.

Me: Excuse you.

Miyamoto: Sorry. I missed drinking beer.

Me: Well we might as well head to Buenos Aires to get you some food. I can tell you have been eating only fruit down here.

Miyamoto: Yes I sure have. I'm sick of it.

Me: I can tell. If I was only eating fruit I would be too. No offense Jared.

Jared: None taken dad.

Rarity: Perhaps we should get you cleaned up and given new clothes too darling.

Miyamoto: I would like that.

Poromon: You accepted beer without hesitation.

Nico: Poromon shes been stuck here for 15 years and had only fruit to eat. She had to.

Poromon: I can see why.

The Fashion Brigade got her cleaned up and then gave her a new Team Rocket Outfit to replace the one she had on and she got a haircut and her hair was back to normal length.

Rarity: And done.

Miyamoto: I look great.

Me: You sure do.

Nico: Lets get going too. We have a job to do as well.

Lincoln: Okay, guys, we are in for one fierce battle, we're here in South America to help Nico unlock his Rainbow Power and take down the clones of Frozor and Glaciator, so that I can absorb them.

Me: Along with pissing off Banno who's watching from the shadows, and we reunited Jessie with her mom who went missing fifteen years ago.

Nico: And she was in a cave under Mount Aconcagua while looking for Mew, so that was a bonus for us.

Me: Yep.

We went to Buenos Aires, Argentina.

Eli: Those two, I don't understand why they have to be violent, and Caleb's back to being violent.

In the park of Buenos Aires, Miyamoto was eating over 30 plates full of Asado, Argentinian Barbecue. She ate them normally.

Me: Man she is hungry.

Qin: Being stuck in a cave for that long? I would be too.

Me: I don't blame her.

Vierra Voltic: I know.

Jessie: I'm just glad I have my mom back.

Me: We are too Jessie.

Green Lantern heard a Pokémon cry.

Green Lantern: Look guys.

We saw a Staryu.

Me: Cool a Staryu!

Misty: Oh wow! That was one of my first Pokemon.

Me: I remember.

Nico: Hey there.

Staryu: Awesome to meet you.

Green Lantern: Here.

He gave it food.

Staryu: Thank you.

He ate it and he was hungry.

Green Lantern: Want to come with us?

Staryu: I would be honored.

Me: Awesome.

But then...

ZZZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAPPPPPPPPPP!

ASH GOT ELECTROCUTED WITH EXTREME ELECTRICITY!

HE SCREAMED IN AGONY!

Ed: Zappity Zap Zap.

Ash: OW! Pikachu! Why did you do that!?

Pikachu: Hey it wasn't me!

Nico: Then who was it?

Lola: Look there!

We saw another Pikachu and with it was a Ninetales!

Me: Cool! A Pikachu with a Ninetales!

Pikachu: One of my kind.

Nico: Where did they come from?

Me: Must be one of Dark Gale's work.

Pikachu went over to the 2nd Pikachu.

Pikachu: Pika pika pika?

2nd Pikachu: Pika pi pikachu.

HE GASPED!

Pikachu: Ash this Pikachu here is your sister Abigail.

WE GASPED!

Dahlia Ketchum: Oh my gosh! I wondered what happened to her.

Ash: She was turned into a Pikachu by Dark Gale! Whoa!

Me: Very crazy and sort of iconic in a way. Ash has Pikachu so it's fitting.

Sheena: Yeah and that Ninetales is her partner too.

Me: Really? Wow! Lets go help them.

We went over.

Ash: Abby it's okay. It's me Ash.

2nd Pikachu: Pika CCCCCHUUUUUUUUUUUUU!

She tried using Thunderbolt on Horsea but she put her clone in front of her

ZZZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPPPPPPP!

Ed: Zappity Zap Zap!

The clone got electrocuted big time

OUCH!

Me: WOW! Just as powerful as Ash's Pikachu.

Ash: No kidding.

I snapped my fingers and she reverted back. She was a girl with blond hair and black highlights and had yellow eyes and had yellow angel wings and had Pikachu's tail and she had Pikachu on her forehead and had the Lightning Z-Move symbol and the 8 Kanto Badges in an Octagon around it on her arm as a cutie mark.

We wrapped her in a blanket and brought her over.

Me: Wow. Shocking.

She woke up to see Horsea's smiling face.

Abigail Ketchum: (Groans) Huh? A Horsea?

Horsea: You hit my clone!

Abigail Ketchum: Whoa you talk too!? I thought Meowth was like that.

Me: Wait you met Meowth before?

Abigail Ketchum: I sure have and Jessie and James came after me years ago when my Ninetales was a Vulpix.

Me: Oh man!

Ash: Hey sis.

Dahlia Ketchum: Hey sis. Been a while.

Abigail Ketchum: Ash! Dahla!

She hugged them.

Ash: Good to see you sis.

Pikachu: No hug for me?

She hugged Pikachu too.

Me: Boy the Ketchum Family is back together.

Abigail Ketchum: Ash I am so proud of you. I saw you win the World Championship on TV and I couldn't be anymore prouder of you. I even saw you win the Alola Championship. You made me so proud. Even Ninetales is proud of you.

Ninetales nodded.

Ash: It took a long time but I did it. Also I have the girl of my dreams that helped me come so far too.

Serena came.

Abigail Ketchum: Serena! Oh my gosh. Last time I saw you, you were just a little one. You grew so fast.

Serena: It has been a while Abby.

Poliwag: Beer?

Abigail Ketchum: Oh no thanks. Mom will kill me.

Me: Here.

I gave her root beer.

Abigail Ketchum: Oh thanks.

Me: Also you were turned into a Pikachu by Dark Gale.

Abigail Ketchum: Oh man! I just battled a jerk named Damien.

Me: Damien? Wait wasn't he that jerk that abandoned his Charmander and Ash found it?

Ash: Yeah he was a disgrace!

Me: Geez!

Nico: I have a feeling we're gonna see him later

Me: Yeah.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new yellow clothes and had a Zapdos Sword.

Abigail Ketchum: I look awesome.

Me: You sure do.

Nico: And Pikachu still loves ketchup.

Me: Yes he does.

Qin: Yep.

Varie: It's true.

Abigail Ketchum: I can tell he does.

Me: Now we got a job to do.

Nico: You guys can have Frozer. Glaciator's mine!

Francis: No way you're leaving me out!

Me: And me!

Eli: Yeah!

Lincoln: (Sensed for the Frozor and Glaciator clones) AHA! Gotcha, I just spotted the Frozor and Glaciator clones, they're 20 yards away, but now, they're coming after us!

Caleb Maxwell: Tyler, Alexander, Allie, come on! Let's tear those assholes apart and leave them bleeding on the grounds of the jungles!

Tyler Maxwell, Allie Maxwell, and Alexander Maxwell: TIME TO DIE, ASSHOLES!

They flew after the Frozor and Glaciator clones!

Ataru Moroboshi: Not again! Hey, bastards! You're gonna get it when we get after you!

Lincoln: Calm down, Ataru. That'll be left to Setsuna, Shiki, and Tamaki to restrain Caleb, Tyler, Alexander, and Allie, and we know this always happens when those four get violent. In any case, let's get going to take down the Frozor and Glaciator clones.

Xion: Well, at least he didn't summon Oathkeeper and Oblivion again.

Then, Max Goof summoned and sent the Oathkeeper and Oblivion Keyblades at the Frozor and Glaciator clones and slashed at them with both Keyblades. But, then, the Frozor and Glaciator clones fired blasts of ice which hit Kairi, Xion, Namine, and Max Goof's girlfriend, Roxanne, and they wound up getting frozen in a block of ice! That caused Sora, Roxas, Riku, and Max Goof to punch the ice bastards hard in the face and fired a blast of fire that melted the ice and thawed them out!

Suddenly, Lincoln was surrounded by an immense orange and yellow aura with flames surrounding her and with wolves surrounding him as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: He's about to use the fire elemental variant of The Atavism of The White Wolf of Amaterasu!

Lincoln: (Speaking in Japanese) 夏の炎と天空の炎に呼びかけ、この忌まわしき悪を討ち滅ぼし、永遠の破滅の地へと送り届けよ！ 祝福された者たちの魂よ、蘇り、強大な狼の姿を取り、罪人たちに永遠の罰を与え、冥界の闇へと永遠に堕ちさせよ！ 我が歌に天の審判を授け、この忌まわしき悪を永遠の安息の地へと送り届けよ！
(Translation: I call upon the flames of Summer and The Heavens to bring down this terrible abomination of evil and send him to his place of eternal damnation! Let the souls of the blessed rise and take the forms of mighty wolves that bring the damned their eternal punishment and send him to the darkness of the Underworld forever! Let my song bring forth the judgement of The Heavens and send this abomination to his eternal resting place!)

Lincoln sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and flames formed behind Lincoln and formed into red wolves with glowing yellow and orange markings on their paws that look like flames and they ran at the Frozor and Glaciator clones and attacked them with fierce fury.

Then, I held out my left hand and fired 999 massive balls of fire at the Frozor and Glaciator clones, and they collided and exploded as they hit them, and I also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Finally, I formed a massive blue fireball in my left hand and I threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

KRABOOM!

IT EXPLODED IN A MASSIVE FIERY EXPLOSION OF BLUE FIRE AS IT ROSE UP INTO THE AIR AND THE EXPLOSION ALSO HIT THE CLONES AND PILLARS OF BLUE FIRE ROSE FROM THE GROUND AND HIT THEM AND THEY GOT BURNED!

Lana: Now, for our favorite destructive wrecking crew! OH BOYS!

Alexander Maxwell and Tyler Maxwell: TIME TO DIE, ASSHOLES!

Alexander Maxwell and Tyler Maxwell charged at the clones, and they fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels at them, and Tyler Maxwell also attacked them with swings of his massive spear and he even shot at them with his machine guns, while Alexander Maxwell slashed at them with his massive greatsword and shot at them with his guns.

Then, the clones charged at Alexander Maxwell and Tyler Maxwell to kill them, but before they got close...!

Caleb Maxwell: DON'T YOU FUCKING DARE LAY YOUR DIRTY HANDS ON MY BROTHERS!

CALEB MAXWELL GOT IN FRONT OF HIS TWO BROTHERS AND PUSHED AWAY THE CLONES, AND HE CHARGED AT THEM WITH HIS MASSIVE GREATSWORD IN HAND, AND...!

Caleb Maxwell: DIE, FROZOR AND GLACIATOR!

SLASH! SCREAM!

CALEB MAXWELL DEALT A MASSIVE HARD SLASH TO THE CHESTS OF THE CLONES AND THEY WERE REALLY BLEEDING OUT HARD!

BUT, THE DARKEST THING EVER WAS SEEING HIS NEON CRIMSON RED EYES GLOWING EVEN MORE AND THE SCLERA OF HIS EYES TURNING BLACK: CALEB MAXWELL WAS OUT FOR BLOOD, THE DARK ANGEL OF BLOODY VENGEANCE WAS BACK!

Eli: Oh no!

Cage Blunt: (Smirks) He's back! The Dark Angel of Bloody Vengeance is back!

Travis Tackett: (LAUGHS) I knew that wasn't going to last long.

THEN, CALEB MAXWELL PROCEEDED TO ATTACK STRYLER BY SLASHING AT HIM WITH HIS MASSIVE GREATSWORD LEAVING BLEEDING AND NASTY SCARS ON HIS BODY, AND HE EVEN SHOT HIM ALL OVER THE PLACE, AND BLOOD WAS BEING SPILLED ALL OVER THE PLACE!

WE WERE ABSOLUTELY HORRIFIED!

Luna: (HORRIFIED) DUDE, WE THOUGHT YOU WERE DONE WITH THAT, BUT I WAS WRONG, YOU ARE ONE SICK TWISTED PSYCHOTIC LUNATIC!

Maria: (HORRIFIED) OH MY! (BARFS) THAT'S EVEN WORSE THAN THE SHITSTORM OF TOXIC WORDS YOU SPEW OUT AT THE ENEMIES WE FACE ON NICO'S RESCUES! AND LUNA'S RIGHT, I THOUGHT YOU WERE DONE WITH THAT SHIT!

Allie Maxwell: You know better than that, Maria! My older brother's life was ruined, and it's the fault of Drake Maxwell for that, and Caleb sought bloody revenge on him for the years of violence he had to endure since 1979 and for his death in 1985.

When we are all different

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

Inside a rainbow sphere with intense flames and elemental forces, Nico underwent an intense and amazing transformation! Nico had Rainbow Flame patterns and rings appear on his sides and obliques and a rainbow sun and moon on his bare chest appeared and he also gained intense rainbow flame patterns and rainbow stars on his forearms, he also got rainbow lines on his hair. He then had his Cutie Mark change into many rainbow stars, and his massive angel wings and numerous angel wings underneath had intense rainbow fire on them.
